WEBSTER BOYS WIN SCHOLARSHIPS IN MUSIC

YOUNG MUSICIANS GOING TO BALTIMORE

Will Become Members of the Famous St. Paul's Church Choir of That City

WILLIAM AND ROBERT WEBSTER William L. W. Webster, aged 14, and Robert J. S. Webster, aged 12, sons of Mr. and Mrs. Robert F. Webster, of 223 South Fourteenth street, have both been awarded musical scholarships in the St. Paul's Episcopal school Baltimore, which they will enter the middle of September...

St. Paul's church choir is one of the famous musical organizations of the country, the boys coming from far and near, selected entirely for their musical ability. The Webster boys were born of Scottish parentage in Sheffield, England, coming to this city six years ago with their parents, who were well-known vocalists of their native town. The children sang well from their earliest years.

LOCAL SUFFRAGISTS GOING TO GRANGERS'

Mrs. Mabel Cronise Jones to Address Crowds on Votes For Women Problem

"Woman Suffrage Day" will be observed to-morrow at the Grangers' Picnic at Williams Grove. Hundreds of women from this city and Carlisle will be present to participate in the program of the day which is the biggest one of the week.

Miss Mary Jackson Norcross, of Carlisle, in charge of the arrangements has made preparations for the crowds and has completed a fine program to be given in the large auditorium at 2 o'clock in the afternoon.

The principal address of the afternoon will be made by Dr. Anna Howard Shaw, president of the National Woman Suffrage Association. Dr. Shaw is an eloquent speaker for the cause and the rare opportunity offered people of this city and vicinity to hear her will bring large crowds it is believed.

Other speakers will be Miss Mary E. Bakewell, of Pittsburgh, well-known because of her interest in suffrage, and Mrs. Mabel Cronise Jones of this city, also active in the campaign being waged in the State. Miss Norcross was assisted in making arrangements by Miss Nellie Penrose of Carlisle, a cousin of Senator Penrose, and Dr. Ruth A. Deter, of this city, who together with a score or more of young women decorated the large suffrage booth at the grove, in the color scheme of yellow, the suffrage color; and large posters and pennants attractively arranged prove big drawing cards.

Hundreds of people congregate hourly around the booths, the women circulating much literature, and making short addresses from the booth. Speakers this week are Miss Bakewell, Dr. Deter and Mrs. Jones. Many souvenirs and other trinkets are sold also by the women.

Much of the success of the affair so far has resulted from the activity shown by numerous young women from this city and from Carlisle who have been at the grove practically every day offering their aid in advancing the cause.

The auditorium will be decorated in suffrage colors and pennants placed in the rooms. Invitations have been extended and a large number of women from this city, members of the central Pennsylvania Woman Suffrage Association of which Mrs. Jones is president, are expected to attend. In entire time will be devoted to the suffragists who are making every possible effort to have the people vote for the suffrage amendment.

To Have Wavy Hair Like Nature's Own Here's a brand new recipe, of unquestioned merit, that I advise you to make note of, unless you are one of the few possessors of naturally wavy hair. It's very simple, for all you need do is to apply a little liquid almirer at night—with a clean tooth brush—and in the morning you will find this has done the sweetest curls and waves imaginable. They will be like Nature's own, having no resemblance to the effect produced by a hot iron, which is so obviously artificial.

The application is really beneficial to the hair and gives it that lively luster so much desired. As it is so easy to obtain a few ounces of the almirer from your druggist—sufficient to keep the hair curly for many weeks—there's no reason now for putting up with either that straight, contrary hair or with the curling-iron nuisance.—Marie Demaret in Pilgrim Magazine.—Advertisement
