DEMOCRATS NOT SINCERE IN CLAIMS

Charles F. Spicer, a fine type of Democrat, had this thought in mind when he withdrew yesterday as a candidate for the school board.

Why's "Gets-It," For Corns, Like a Kiss?

Because Everybody Tries It, Everybody Likes It, It's Painless and Takes But a Moment to Apply

"Gets-It" is the wonder of the corn-pestered world. Millions say so, because millions have used it. That's what makes it the biggest selling

"Never in My Life Saw Anything Act So Quickly and Magically as 'Gets-It'." corn remedy on earth to-day. "Gets-It" will surely get that corn or callous you've been trying for a long time to get rid of—take it right off "clean as a whistle." Apply it in 2 seconds—put your stocking and shoe right over it—nothing to stick, nothing to hurt. You needn't fuss with thick bandages that make a package out of your toe. No knives, razors and scissors, no tape, no trouble. It's simplicity itself, sure, quick, painless. Try it also for bunions and warts.

that he regarded the list of candidates already in the field ample material for excellent selections by the voters in November.

Among men of all parties there is considerable comment as to the difficulties of the Democratic situation in Dauphin county and the city of Harrisburg. It is realized by the clear-sighted Democrats that the Republican selections are for the most part so unimpeachable as to furnish the Democratic machine little excuse for opposition this year.

Even the Democratic city committee at a meeting last night labored long and arduously and brought forth a mouse in the shape of a series of resolutions arraigning the three Republican members of the City Council for alleged partisanship, overlooking entirely the partisan antics of the minority representatives in the municipal organization. Messrs. Bowman, Lynch and Taylor are discussing the awful dereliction of permitting the Harrisburg Light and Power Company to proceed with the lights on the river wall and in Second street before a formal ordinance ratifying an agreement with the company was passed.

Not a word is said in these resolutions regarding the energetic and progressive service of the three departments headed by Republicans during the last year, nor is there any reference to the difficulties which have been overcome in getting under operation these three important departments in harmony with a new scheme of municipal government forced upon Harrisburg by the Legislature.

ment that Harrisburg will gain nothing by transferring the three important departments of public works, safety

and parks from experienced heads to new hands, who will have to go through the same difficulties of acquiring knowledge of administering

municipal affairs under the commission form. After to-day, the last day on which withdrawals may be filed by ambitious candidates, the people will

A Personal Message to Every Woman and Miss From Mr. Irving E. Robinson

"My Dear Friends and the Public"

After 20 years' experience as an employe, I am now about to open my own store at 20 North 4th St., near the Young Women's Christian Association, with a complete line of Women's and Misses' SUITS, COATS, DRESSES, SEPARATE SKIRTS, WAISTS, FURS, PETTICOATS, HOUSE DRESSES, KIMONOS and CHILDREN'S COATS.

No doubt this will be gratifying news to my many friends. My unlimited experience as a buyer in the Ready-to-Wear lines will enable me to offer Women's and Misses' outer garments at prices that will be hard to match. While I will not have the biggest store in Harrisburg, I PROMISE YOU THE BIGGEST VALUES IN HARRISBURG; and know that my success depends entirely upon you being satisfied.

I have arranged for New York and Philadelphia offices, which will give us last minute styles, and not crowd my store with many garments of one style, and I PROMISE NOT TO MAKE ANY GARMENT COMMON.

The operating expense of "THE WOMAN SHOP" will be exceedingly low, owing to the fact that I will be my own buyer, my own advertising man, my own window dresser and manager, which naturally will keep down the overhead expense and will enable me to mark all merchandise at a close margin.

My experience as a buyer in Harrisburg has been gratifying and I have learned to know the apparel wants of the women of our city and neighboring towns. I shall carry stocks for THE HARD-TO-FIT WOMAN, and will also carry stocks FOR DISCRIMINATING WOMEN, as well as THE STYLISH YOUNG MISS, and THE CONSERVATIVE WOMAN, and will be sure to interest women who follow the fashions, all at sensible prices.

I have learned to love the people of Harrisburg, they have been exceptionally kind to me, and this has encouraged me to invest my life savings in "THE WOMAN SHOP." I desire to take this opportunity to thank my many friends and the shopping public in general for their many kindnesses and hope they will encourage my new venture by attending my grand opening which will be announced shortly in daily papers.

Yours for "Courtesy," "Service" and "Values," IRVING E. ROBINSON
