"It's Insurance"

Another Mark of Approval For The Aetna Life Insurance Co. and Its Affiliated Companies The Aetna Accident and Liability Co. The Automobile Insurance Co. BE WISE, AETNA-IZE! Safety Saves Sorrow

The Aetna Life-Accident Liability Department wins Grand Prize at the Panama-Pacific Exposition for magnificent Accident Prevention Exhibit. In addition to charts, photographs, etc., the Aetna shows a Model Factory with properly guarded machinery in which accidents are reduced to the minimum and then an out-of-date factory full of pitfalls and dangerous machinery is also shown.

One of the charts shows a list of 120,000 accident claims paid by the Aetna. The high standard of Aetna service is acknowledged everywhere. This with the backing of \$125,000,000 assets makes an Aetna policy a real security. The chief topic among employers and among insurance agents now is—

WORKMAN'S COMPENSATION

This act affects all employment except farm hands and domestic servants. NOTE:—"Compensation \* \* shall continue until such child reach the age of sixteen." This applies to posthumous children—Sixteen years of liability. The wise employer will not take any risk but will insure in a company of experience, with a record for fair dealing and money enough to carry out its contracts— Suppose—an employer "saves money" by insuring in a mutual company—he always runs risk of assessments and in event of failure the loss falls back on him. The same is true of all small, untested concerns.

It is not too soon to arrange for Workman's Compensation Insurance. Aetna Agents understand it. You may have a copy of the bill and digest of the law for the asking. The Aetna writes all casualty lines. Our Combination Automobile Policy is the broadest and best. Send your business through any insurance broker. But be sure to get Aetna Policies.
