If you do not care to make the mixture yourself, simply get a 50c bottle of Sulpho-Sage from your druggist. This widely sold preparation embodies all of the virtues of the old-fashioned treatment plus other valuable ingredients. Mrs. Edward Shaeffer of Allison Hill Walks to Dillsburg on a Wager

Mrs. Edwin S. Shaeffer of Allison Hill, emulated no doubt by the shining example of Dr. John Fager on his birthday jaunts, took a little walk to Dillsburg a day or two ago, on a wager covering the distance of eighteen miles in about five hours.

While Mrs. Shaeffer was busy about her household duties in the morning, the trip was suggested and at 9 o'clock after the house was in order, off she started. She stopped twice on the way for drinks of water, and although many automobiles passed her plodding patiently along, not one motorist offered her a ride. One old farmer asked her to get in his wagon, and was much interested when she told him she was walking the distance on a wager.

Mrs. Shaeffer reached Dillsburg hoping to stop for a while with relatives, but instead was just in time to see her train for home about to pull out of the station, and in one last sprint, with a sandwich she had no time to eat, in her hand, she sank wearily in the car. Returning home, Mrs. Shaeffer had a fine supper ready for her husband at 6 o'clock, visited in the neighborhood in the evening and was up bright and early for Saturday's marketing.

Mrs. Shaeffer who was formerly Miss Jennie Yost of Goldsboro, has a wide acquaintance in this city and the nearby country.

It's more than an extra good soap that softens water and makes heavy suds. Fels-Naptha soap contains as much naptha and other harmless cleansers as will best do the work.

Your part of the weekly wash is the easy part. The 30 minutes soaking dissolves the grease and loosens the dirt so that out it comes with a few rubs—you save your back and half the time. Use Fels-Naptha for all soap-and-water work.

ECZEMA ON FACE ITCHING BURNING Like Scales. Inflamed. Made Face Look Terrible. Suffered Almost a Year. HEALED BY CUTICURA SOAP AND OINTMENT "My eczema broke out in spots all over my face about as big as a ten-cent piece. It was like scales, and my face was also inflamed. It made my face look terrible, and it itched and burned so that I was compelled to lose sleep. I was almost a year suffering with that terrible eczema. So my father bought me a cake of Cuticura Soap and a box of Cuticura Ointment. I covered my face with the Ointment every night, and then in the morning I washed my face with the Cuticura Soap. I kept on using them and now I am not troubled with eczema any more." (Signed) Mrs. Albert Klais, 2104 E. Dauphin St., Philadelphia, Pa., Jan. 1, 1915. Sample Each Free by Mail With 32-p. Do You Dread the Cold?

Some people enjoy cold weather, take pleasure in winter sports and the keen air calls the pink to their cheeks and the red to their lips. Others shrink from cold and turn blue at the least exposure to frosty air. The difference is in the blood. Rich, red blood warms the body. Every long breath of pure cold air increases oxygen it carries to every part of the system. Thin blood is unable to take up the life-sustaining oxygen. The body lacks nourishment and the sufferer is always cold, takes a chill easily and is miserable all winter. Thin blood is largely the sufferer's own fault. It results from neglect, because the blood can be built up. Dr. Williams' Pink Pills supply the elements that the blood needs to make it rich and red and to enable it to carry more oxygen. Building up the red portion of the blood is a simple matter because thin blood does not call attention to itself it is often neglected. Have you seriously considered taking a course of treatment with these blood-making pills? If you are in doubt write for information. Your own druggist sells Dr. Williams' Pink Pills and the Dr. Williams' Medical Co., Schenectady, N. Y., will send you a booklet "Building Up the Blood" free on request.—Advertisement.
