### Commerce Chamber Asks That Hallowe'en Be Celebrated November 1

Mayor John K. Royal this afternoon was requested by E. L. McCollin, secretary of the Harrisburg Chamber of Commerce, to issue an appeal to Hallowe'en celebrators to postpone their festivities until Monday, November 1. Secretary McCollin made the request in behalf of Harrisburg businessmen. The official Hallowe'en night falls on Sunday, October 31. They suggest that Monday night would be more desirable as all stores are closed, and many clerks would be able to participate in the festivities.

Williams, recently of Scranton, but now of Harrisburg, one-time secretary of the Scranton club. Both spoke of the excellent Rotary spirit manifest at the luncheon, and Mr. Underwood, who is president of the Pottsville club as well as advertising manager of the Douthett store of that place, informed the members that his club proposes very shortly to extend an invitation to the Harrisburgers to attend a meeting in the hard coal town. Mr. Bricker delivered a brief talk on bread making, on which he is an authority, having one of the finest and
