CHURCH SERVICE OVER, THEY WED

Quietly Slip Up to Altar After Congregation Leaves Edifice

In a pew of Derry Street United Brethren Church yesterday morning sat Miss Laura J. Eshenaur and Mr. Wenrich.

Of course that didn't cause any stir among the good people of the congregation, for Miss Eshenaur and Mr. Wenrich have sat in church together before.

After the service was over, everybody just naturally got up and went home to that big juicy Sunday dinner—that is, everybody except the hero and heroine of this tale.

They walked quietly up to the altar and got married. The Rev. Dr. J. A. Lyter, pastor, tied the knot, using the ring ceremony. The only ones who witnessed the ceremony were Miss Della Eiders, a close friend of the bride, and William A. Attimore, of Ardmore, a chum of the bridegroom.

Then in the afternoon Mr. and Mrs. Wenrich went to Sunday school together and Mrs. Lyter left the cat out of the bag when she introduced the bride as "Mrs. Wenrich" to her Sunday School class.

Children of Star Class Entertained by Teacher

As a reward to her class for winning the most stars in the Stevens Memorial Methodist sewing school, Mrs. J. H. Kase entertained with a Halloween party at her home, 15 North Seventeenth street, Saturday afternoon from 2 to 4 o'clock.

The rooms were decorated with pumpkins, shocks of corn, black cats and ghosts. Games were played after which refreshments were served to Helen Murray, Dorothy and Geraldine Nebenger, Katherine Baker, Bertha Ness, Lena Slaybaugh and Helen Klais of the Star Class and to Vivian Eaves, Julia Shartzer and Leona Eby of the Messenger Girls. Afterward the little girls were taken home in automobiles.

NO LONGER ANY EXCUSE FOR HAVING GRAY HAIR

Lustrous, Dark Shade Restored by Old-Fashioned Sulpho-Sage.

Gray-haired folks who have a natural prejudice against harmful dyes should darken their hair by the good old method used in grandma's time with Sage Tea and Sulphur. If you do not care to make the mixture yourself, simply get a 50c bottle of Sulpho-Sage from your druggist. This widely sold preparation embodies all the virtues of the old-fashioned treatment plus other valuable ingredients. It is so efficacious that few applications will bring back the rich dark shade to gray, streaked or faded hair. It removes dandruff and leaves the hair soft, fluffy and luxuriant—a characteristic highly desirable to every woman who wishes to retain her youthful appearance. George A. Gorgas, who sells Sulpho-Sage, reports most satisfactory results among Harrisburg, Pa. ladies, and will refund price to any purchaser not pleased.

Do You Feel Headachy? Look to Your Stomach

It is an unusual thing for a druggist to sell medicine under a guarantee to refund the money if it does not cure. Yet in the way that nearly every druggist in Harrisburg is selling Mi-o-na, the standard dyspepsia remedy. Druggists say that never before have they had so large a number of customers tell them that a medicine has cured them as with Mi-o-na. People who a few months ago suffered continually with their stomachs to-day are luddy and vigorous with perfect digestion and good health. They say Mi-o-na did it. There no longer seems any need for anyone suffering or making their friends suffer on account of dyspepsia. Mi-o-na can always be relied upon. The percentage of success is so great that there is little risk in guaranteeing to return the money if the medicine does not relieve. And all the best druggists stand ready to do so without any question. Headaches, all forms of indigestion, specks before the eyes, dizzy feelings, poor sleep, ringing in the ears and all forms of liver trouble are helped by Mi-o-na. A few days' treatment should show considerable gain in health, while a complete cure often follows rapidly. These days are the best in the whole year for the enjoyment of good health, and Mi-o-na will put you in such perfect condition that you can enjoy every minute of them. Sold and recommended by H. C. Kennedy and other leading druggists.—Advertisement.

A Year of Gratifying Business

One year ago this modern optical store was opened to the public—opened against the advice of some of our friends who believed that "Harrisburg would not support another exclusive optical store."

But we had confidence in its future success—for we knew that it was to be something more than merely "another optical store."

It was to be a newer, bigger, better optical store, with the most modern equipment and facilities for rendering prompt and efficient service.

And the public was quick to catch on.

Generous, indeed, has been the patronage accorded—patronage that has by far exceeded our expectations.

To those who have contributed to our achievements of the past year we extend a word of appreciation.

To those who have not become acquainted with this store, we extend an invitation to come here and see what complete provision we have made for rendering prompt and efficient service.
