splendid remedy and should be in every home. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

The infirmities of age are especially manifest in a tendency to constipation, and call for treatment that will afford relief in an easy, natural manner. The rapid action of cathartic remedies and purgatives that shock the system should be avoided, more especially as the relief they offer is only temporary and is usually more than offset by disturbance to the vital organs caused by their violent action.
Nearly thirty years ago Dr. W. B. Caldwell, Monticello, Ill., prescribed a compound of simple laxative herbs that has since become the standard household remedy in thousands of homes. It acts easily and gently, yet with positive effect, without griping or other pain or discomfort. Mrs. Rachel Allen, Galesburg, Kan., is seventy-one years old, and after using a bottle of Dr. Caldwell's Syrup Pepsin, wrote that it had done her a world of good and that she intends to keep it in the house always.

COFFEE and KEROSENE

YOU realize that to buy merely coffee doesn't guarantee a kind that'll make a fragrant, delicious beverage. Hence, you ask for a brand that you know originates from a good bean properly ground.

In the same way, to just say kerosene doesn't mean a high-grade lighting, burning or heating oil. But to get

ATLANTIC Rayolight OIL

does. For it burns without smoke, smell or soot, burns brightly, gives out a great heat, but costs the same as the smelly, spluttery kind. Be certain your grocer sells you Atlantic Rayolight Oil.

The Only Way to Keep the Front Hall Really Warm

It can't be done with storm or double doors. They'll help, but they ever so air-tight, cold, shivery winter breezes will still sweep in—no one knows how, but they do.

So, for months running, the front hall is hardly habitable. But it's a simple, easy thing to keep it cosy warm and as comfortable as the comfiest part of the house. All that's needed is an inexpensive

Atlantic Rayolight Oil is a Sewing Machine Tonic. It just puts new life into the machine. Drop in all the oil receptacles, let it remain for twelve hours, then run the machine, without threading, for five minutes, wipe clean and oil in the usual way. New on you? Well, perhaps you've got a us that's new to us; if you have, in a few days you'll see something of interest.
