CATARRH GERMS EASILY KILLED

Only Way To Cure This Disease Is to Destroy Its Cause

If you have catarrh and want to get rid of it you must kill the germs which cause catarrh. Stomach dosing, ointments, sprays, creams, douches, etc. fail because they overlook this fact, they all help by giving temporary relief but they do not reach the germ life that has found lodgement in your head, nose, throat, and cannot be destroyed if they did.

The best known way of destroying the dangerous germs of Catarrh and consequently ending the disease itself, is to breathe into the sinuses passages of your nose and throat the pleasant, penetrating air of Hyomel (pronounced High-o-mel), made from the purest oil of Eucalyptus combined with other powerful, healing, antiseptic and germicidal ingredients. You breathe it through a little pocket inhaler which H. C. Kennedy and other leading druggists in Harrisburg and vicinity are furnishing with every complete treatment sold. Every time you inhale the sweet fragrant air of Hyomel through this little device you are drawing into your swollen, inflamed, germ laden membranes a medicated air which will not only reduce all the swelling and inflammation and open your clogged nose and stop up air passages, but will absolutely and positively destroy every trace of Catarrh germ life it reaches. Druggists are to sure of the blessed, lasting relief that Hyomel brings to catarrh sufferers that they sell it invariably on the positive guarantee that money paid will be refunded if successful results are not secured from its use. Get a Hyomel outfit from your druggist to-day and begin at once to drive this dangerous and disgusting disease from your system forever.

A NERVINE TONIC

In many severe nervous disorders the best remedy is often a tonic. The most active tonic treatment is recommended by the highest medical authority to arrest the progress of such diseases.

It is impossible to reach the nerves directly with medicine. Dr. Williams' Pink Pills are a nerve tonic but they act on the nerves through the blood, enabling the blood to carry to the nerves the elements needed to build them up.

Neuralgia, sciatica, sick headache and a number of more severe nervous troubles are properly treated by building up the blood with Dr. Williams' Pink Pills and are often entirely corrected in this way.

If you are nervous you can help yourself by refusing to worry, by taking proper rest, sleep and vacations, by avoiding excesses and by taking out-of-door exercise. For medicine take Dr. Williams' Pink Pills, the non-alcoholic tonic.

Sufferers from nervous disorders who have been taking treatment without benefit should investigate the tonic method. Write to-day to the Dr. Williams' Medicine Co., Schenectady, N. Y., for the booklet, "Diseases of the Nervous System." It will be sent free on request.

Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail on receipt of price, fifty cents per box, six boxes for \$2.50—Advertisement.
