It relieved me of at least one hundred and fifty gall stones. It surely does work wonders. My brother also had suffered for years and has been greatly benefited by Fruitola and Traxo."

Traxo is a splendid tonic, acting on the liver and stomach with most beneficial results and is recommended for use in connection with Fruitola to build up and restore the weakened, run-down system.

Since John Quit Drinking By John's Wife I'm the happiest little woman. In all this little town. And my merry laugh and stinging. Takes the place of such a crown. For JOHN HAS QUIT HIS DRINKING. And is like himself once more. And the world is just a paradise. With such happiness in store! One day I read some verses— "My Miraculous" the name. And I said, that's John exactly. And I'll send and get the same. So I sent for GOLDEN TREATMENT. (As my sis could be— And I put it in his supper And I put it in his tea. And it didn't taste a little bit! Had no odor, so, you see, It was smoothest kind of sailing For little Doctor Me. And I watched and prayed and waited, And I cried some, too, I guess. And I didn't have the greatest faith. I'm ashamed now to confess. And John never thought a minute. He was being cured of drink. And soon he's well as any one. It makes me cry to think. Just makes me cry for gladness. I'm so glad to see what it does. Since he is cured of drinking, And leads a nice, new life. "Since John he quit a-drinking!" I can't say it times enough. And limes and lozenges a monger. As he would a poison stinger. And when I say my prayers at night As thankful as can be— If only for John the most all— Takes GOLDEN TREATMENT.
