

WILL INTRODUCE BRIDGE MEASURE NEXT TUESDAY

Hill Citizens Want Walnut Street Viaduct Matter Laid Before Service Body

UP TO COMMISSIONERS

Bowman Will Offer Ordinance; To Consider Placing of New Fountain

Preparation of plans and specifications for the new \$300,000 bridge across the Penny tracks at Walnut street for the purpose of receiving bids for construction, will be authorized in an ordinance to be introduced, it is understood, in City Council on Tuesday.

While city councilmen didn't care to discuss the question to-day pending the offering of the legislation, it was said in municipal circles that the purpose in offering the measure at this time was to get something definite to submit to the Public Service Commission.

That the question of erecting a bridge will have to be submitted to that State body before the city can proceed in the matter, it was stated inasmuch as the proposed structure would cross the right of way of the railroad company.

Urge Introduction of Measure

A committee of Allison Hill citizens headed by A. C. McKee called upon City Commissioner W. H. Lynch, superintendent of streets and public improvements to-day to urge the introduction of the ordinance.

City Commissioner Harry F. Bowman, who offered the loan ordinance by request of Hill residents, said that the measure will probably be put in the bridge measure. This will authorize Commissioner Lynch to have plans and specifications prepared. The advertising for bids will be asked by Mr. Lynch to take charge of the viaduct is not definitely settled though it is believed that if the viaduct is erected, Mr. Lynch will handle the job with the city engineer.

Placing of New Fountain

Mr. Bowman introduces in Council his resolution providing for the taking over of the fountain "The Dance of Eternal Spring," presented by M. S. Hershey to Harrisburg, and directing the placing of the fountain under the jurisdiction of the water department. If this is adopted Mr. Bowman will also suggest the place for the fountain. Petitions that have been in circulation in some of the sections ask that the fountain be placed at the intersection of Whitehall, Twenty-first and Market streets, just inside the line of the Reservoir park formal entrance. President Judge Kuebel it is said would like to see the fountain along the river front somewhere in the vicinity of State street.

Donato Coming Next Week

Sculptor Donato himself is expected here early next week and Mayor John K. Royal thinks that the artist should have a say in the choice of a location. The slopes of Oak Knott Reservoir, however, appears to meet with the more general approval.

While the proposed Jitney ordinance may be offered Tuesday, the commissioners generally said to-day that it would not be passed hurriedly, but that due time for a hearing of the jitney drivers and owners would be allowed. The jitney men organized last evening to resist the ordinance. The Harrisburg Railway company and to ask a hearing of council on the subject.

The Jitney Regulations

"Harrisburg is losing money by the operation of the jitney," said Commissioner Bowman to-day, "and it is only just and proper that the municipality should adopt regulations which will provide a license fee of a sufficient size to prevent this, also to provide regulations for safeguarding the public and so on. This I am certainly in favor of and I believe the other commissioners think the same. However I am opposed to adopting such regulations as would put the jitneys entirely out of business. I don't think this would be fair."

Council will likely take up the completion of the assessment too, although the commissioners will sit for this purpose after the Council meeting. Commissioners declined to estimate what the probable increase over said he believed that from two to two and a half millions might be possible.

THE WEATHER

For Harrisburg and vicinity: Fair and colder to-night and Sunday; lowest temperature to-night about 38 degrees. For Eastern Pennsylvania: Fair and colder to-night, except rain in northern portion; Sunday partly cloudy and colder; moderate west winds.

BRILLIANT CROWD SEES CADETS AND MIDDIES LINE UP

President Wilson and His Fiancee Among the 45,000 Spectators

ARMY IS THE FAVORITE

Polo Grounds in Splendid Shape; Officers in Full Dress Uniforms Make Gay Scene

New York, Nov. 27.—Men who govern and guard the nation are here in thousands to-day to see the annual football game played by West Point and Annapolis. Streets and hotels are gay with the gold and gray of the Army and the blue and gold of the Navy. Admirals and generals, cabinet members, senators and representatives are as much in evidence as policemen. It is estimated that 25,000 persons came from outside the city to see the contest.

At 2 o'clock the official starting hour of the game the Midshipmen battalion had not yet arrived at the Polo grounds. It was reported that the Midshipmen had been held together by the North river by the heavy fog. The section of the side line stand reserved for the sailors yawned bare and yellow against the surrounding mass of spectators, and the Army had the cheering and field to themselves. A few minutes later the belated Navy contingent swung onto the field headed by the Naval Academy brass band and after several evolutions mounted the stand to their seats and the gridiron was cleared for the real actors of the day.

At 2:12 the Navy team came on the field supported by their mascot, the Navy goat. A moment later the Army eleven also came onto the field. Both squads were given a terrific welcome by their adherents.

They're Off

No time was lost in preliminaries. Both Captain Weyland and Captain Miles had their teams lined up and the referee to choose the field and kickoff. The Army won and chose to defend the west goal.

The Army kicked off at 2:19 to the Navy goal. A moment later a midshipman was downed without gain. Martin on the first rush carried the ball to his 40-yard line for a first down and on the next play made 9 yards through West Point's left tackle. Craig punted to the Army's 29-yard line where Coffin was downed without gain.

A line back by Oliphant, the former Purdue star, failed to budge the Navy line and then the Army punted to Navy's 44-yard mark where Craig was thrown.

Davis made two yards and then Martin plunged through right tackle for two more. The Navy then punted to the Army's 29-yard line and by magnificent running the Navy carried the ball back to the Army 40-yard line.

Coffin punted to the Navy's 10-yard line where the ball was fumbled by the Navy.

Oliphant Goes Through

It was recovered by Weyland of the Army close to the Navy goal line. Ford for the Army failed to gain through the Navy line, and Coffin also failed to get any impression on the Navy line. It was a wonderful defense on the part of the Navy close to their goal. With one more try the ball was entrusted to Oliphant and he made good by smashing through Navy's left tackle for a touchdown. Army kicks goal. Score: Army, 7; Navy, 0.

Oliphant kicked the goal, making the score 7 to 0 and the Army sang their "row night" song.

The Army kicked off to the Navy's 25-yard line. Martin caught the punt and ran it back to midfield. Davis tried the Army's left wing without result. Coffin's punt failed to startate West Point's line Von Heimberg punted to Gerhardt on the Army's 15-yard line. A line plunge failed to gain. Oliphant punted to midfield, Craig taking the punt.

The first forward pass of the game was here made by the Navy. It was from Craig to Johnson and netter five yards. The Navy immediately tried a second forward pass but it was spoiled by McEwan.

Von Heimberg punted to Oliphant on the Army's 5-yard line, and by good running and poor tackling on the part of the Navy, carried the ball to West Point's 40-yard mark. Coffin plunged through outside Navy tackle for eight yards and Oliphant added two more, giving the Army first down.

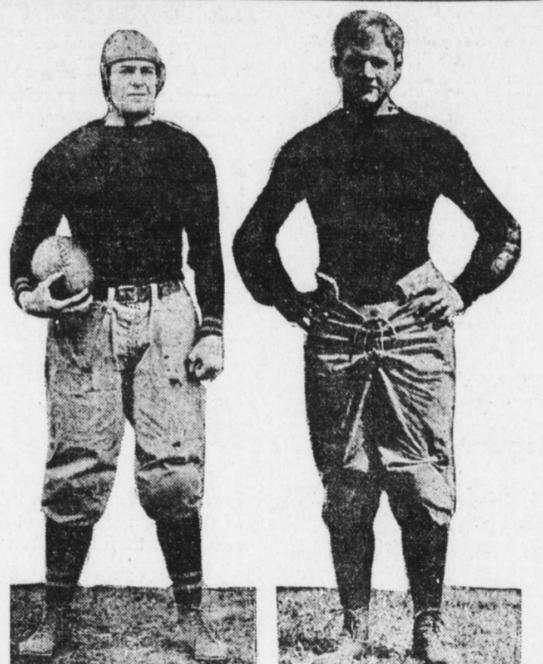

Oliphant punted to the Army's 35-yard line, and by good running and poor tackling on the part of the Navy, carried the ball to West Point's 40-yard mark. Coffin plunged through outside Navy tackle for eight yards and Oliphant added two more, giving the Army first down.

The line-up and the officials of the game follows:

Army. Captain Weyland, I. e. Von Heimberg, I. e. Johnson, I. e. Ward, I. e. O'Hare, I. g. Kercher, I. g. McEwan, c. Goodstein, c. Meacham, r. g. Smith, r. g. Weyand, r. t. Gilman, r. t. Redfield, r. e. Johnson, r. e. Gerhardt, q. b. Craig, q. b. Ford, I. h. b. Davis, I. h. b. Oliphant, r. h. b. Weyland, r. h. b. Coffin, I. b. Martin, I. b.

Officials of game: Referee, W. S. Langford, Trinity; Umpire, F. W. Murphy, Brown; Field Judge, J. A. Evans, Williams; Head Linesman, Carl Marshall, Harvard.

FOOTBALL LEADERS IN TODAY'S FINAL BATTLE

CAPTAIN ALEX WEYLAND, ARMY. CAPTAIN A. C. MILES, NAVY.

Two gridiron leaders promise to be important factors in to-day's battle between the Army and Navy elevens. There has been much discussion as to the ability of the captains of each team. Alex Weyland, who has been directing the Army team has a style all his own; while Captain Miles of the Navy, it is said, seldom uses the same tactics two games in succession. Interesting figures showing the work of the two teams to date, follow:

Table with 2 columns: Previous Records and This Season's Scores. Lists statistics for Army and Navy from 1890 to 1914.

WEST SHORE MEN SHOWING INTEREST IN IMPROVEMENTS

"The Time to Organize Is Here" Is Expression of West Fairview Citizen

HARRISBURG WILL HELP

City Planning Commission Is Ready to Co-operate With Cross River Folks

By ROBERT F. GORMAN

The agitation of West Shore citizens for the organization of a municipal co-operative league or association for improvement and civic betterment continues to meet with approval and finds favor in all sections of the community. Expressions of prominent men as to the benefits of co-operation, it is believed, will lead rapidly to the formation of an organization. Ira E. Shaul, one of the live wires in West Fairview, said to-day: "The opportunity is here to develop all of the towns and boroughs along the West Shore. Why should we wait?" And his statement is seconded by dozens of other men who are working for the welfare of the community.

Contest Over Sending of Delegates Renewed

By Associated Press

New York, Nov. 27.—Members of the Protestant Episcopal Church here to-day heard that the contest over the sending of delegates to that church to the Panama Congress of religions has been renewed. The question was decided by the board of missions of the Episcopal church in a session here a month ago when it was voted to send the delegates. This resulted in the resignation from the board of Dr. William T. Manning, of Trinity church New York, and some others who opposed taking part in the congress.

HARRIS MCCORMICK IMPROVED

By Associated Press

Nogales, Ariz., Nov. 27.—With the evacuation of Nogales, Sonora, by General Villa's forces and the arrival here to-day of an additional 1700 United States infantrymen to reinforce the border troops at this point, residents of this town expressed a feeling of security such as had not been enjoyed since Villa forces took possession of Nogales, Sonora, following their defeat at Agua Prieta.

Plans For 60-Room Addition to Lenox Hotel Are Complete

By Associated Press

Plans and specifications for the 60-room addition to the Hotel Lenox in New York, N. Y., by Samuel Fishman, the proprietor, work will be started December 2 and Mr. Fishman hopes to have the enlarged hotel ready within a few months. When completed there will be about 103 rooms available. A feature of the addition will be the modern bathrooms with shower attachments.

MONASTIR NOW SURROUNDED BY BULGAR TROOPS

May Not Wait For Their Austro-German Allies Before Entering Capital

SERB ARMY IN RETREAT

Reported That Invaders Will Not Hesitate to Follow Them on Greek Soil

By Associated Press

London, Nov. 27, Noon.—The Serbians forces soon will become an army without a country, unless the French should defeat the Bulgarians, four divisions of whom are said to be hammering at the French lines. Reports arrive from various sources that Monastir has been surrounded by Bulgarians and that they may not wait for their Austro-German allies before entering the Macedonian capital.

The main Serbian army, retreating in a southwesterly direction before Field Marshal Von Mackensen's troops, may find no rest even in Greek territory, as it is reported here that the invaders of Serbia would not hesitate to cross into Greece. Apparently the German leaders expect the Serbians and their allies will await attack in Greece. It is said these operations will be under the supreme command of Field Marshal Von Mackensen.

Additional reports from the battle at Ctesiphon, in Mesopotamia, near Bagdad, indicate that the British forces won a substantial success instead of suffering a reverse as first accounts led everyone to believe.

The diplomatic representatives at Athens of the entente powers are still active, their latest effort to settle definitely all outstanding questions being the presentation to Premier Skoulioufides of a note detailing measures deemed indispensable for the security and freedom of action of the allied troops.

The situation along the Rumanian frontier, where a great Rumanian force is said to have been gathered, is still obscure. The display by the Rumanian public of feeling in favor of the entente is regarded in London as an indication that the nation is in a position to disregard the demands of the central powers.

No definite news has been received of the renewed Austro-German offensive in Galicia. It is expected, however, that this movement will be pushed energetically for the political effect on Rumania.

STEAMER BURNS IN CHESAPEAKE; ONE DEAD AND FOUR MISSING

Woman Who Was Ill Died on Life Raft; Two Members of Crew and Children of the Captain Are Among Those Missing

STEAMERS AID BURNING VESSEL

Succeed in Getting Nearly All of Eighty-Eight Passengers and Crew Off Before Flames Get Too Hot

By Associated Press

Baltimore, Md., Nov. 27.—One person is dead and four are missing of the eighty-eight people known to have been on board the steamer Tivoli which was burned last night on Chesapeake Bay, near Annapolis. Mrs. Eva Bowden, a passenger, who was ill, died on a life raft shortly after leaving the steamer. The missing are two children of Captain Howard, commander of the Tivoli, and two of the crew. It is thought they may have been taken aboard a tug which aided in the rescue work and proceeded to Cape Charles.

The rest of the passengers and crew were taken off by vessels which had been attracted by the blaze. Seventy-one of the number were carried to Norfolk and Newport News by the steamers Florida, City of Baltimore and City of Annapolis.

The Tivoli left Baltimore last evening for Crisfield and Snow Hill, Md. The cause of the fire could not be learned.
