

TECH READY FOR SCHOLASTIC SERIES--FAVOR PEACE PLAN FOR BASEBALL

LEAGUE CONTEST SATURDAY NIGHT

York Five to Make First Appearance in Harrisburg; Honors at Stake

The Harrisburg Independents will play their second home game in the Eastern Pennsylvania Basketball League Saturday night with York as the opposing team. This will be York's first appearance in Harrisburg for over a year.

York is out to win the first championship in the new league, and will try especially hard to put the locals out of the way. York and Harrisburg have always been rivals in all sports, and because of the new league, the rivalry in basketball is more intense than ever.

Should York win Saturday night's game, the locals would be practically eliminated from the race, and that is what York is trying to do.

The Independents will try their hardest to land the game from York, and in their practices are working to overcome the lack of team work which has been evident in their playing in most of the games this season.

The screen back board is now in place, and proved its worth Saturday night, and enabled those sitting on the balcony to see the game at all times. The Independents, however, shot poorly at this goal, for they had no opportunity to become familiar with the new board. With a week's practice, however, the locals will be able to shoot with more accuracy.

PAT MORAN SIGNS CONTRACT TO LEAD PHILLIES THREE YEARS

New York, Dec. 16.—A contract said to call for \$25,000 for his services as manager of the Phillies during the next three years was signed yesterday by Pat Moran, boss of the champions of the National League. No official announcement was made as regards the salary Moran would receive, but the \$25,000 for three seasons was considered a conservative estimate.

President William F. Baker, of the Phillies, who had been awaiting the arrival of Moran for more than twenty-four hours, the manager being delayed by the snowstorm, in announcing that Pat had affixed his signature to the three-year contract, said: "A very handsome increase in salary was given Moran."

Moran would have it understood that he never was a holdout. He averred that the contract was handed to him immediately upon his arrival for the annual meeting of the National League, he read it and then signed. He admitted there was a substantial increase in salary and stated that he was well pleased with the terms.

Immediately after signing the contract Moran said he was after three Federal League stars, Benny Kauff, Brooklyn outfielder; Lee Magee, second baseman of the same team, and Davenport, a pitcher on the St. Louis Feds.

ENDORSE BILL HOLLENBACK

State College, Dec. 16.—Bill Hollenback's clean-cut campaign to get the recognition he deserves at the hands of Pennsylvania's athletic powers is strongly endorsed and supported by Penn State students and officials. Everybody at State College wants to see Pennsylvania put Hollenback at the head of her football affairs.

BASEBALL PEACE IS NOW IN SIGHT

American League Agrees to Terms; Final Conference Tomorrow

Peace Plan Program Told in Short Form

The peace terms, as given out by members of both the National and Federal Leagues, included: Purchase of a large interest in one of the New York clubs by Harry Sinclair. Purchase of the Chicago Nationals by Charles Weeghman and his associates. Sale of the Browns or Cardinals at St. Louis to Phil Ball and Otto Steifel. Amalgamation of the Brooklyn Nationals and Federals. Partnership by Gwinner in Cleveland Nationals or control of Cleveland Americans if he desires to continue in baseball.

Chicago, Dec. 16.—The end of the baseball war came in sight last night, when American League magnates at their annual session here agreed to the peace terms arranged at New York by the National and Federal Leagues. Within a few days, according to President Johnson, the details of agreement which does away with the Federals as an independent League will be arranged, the American League has consented to appoint a committee to meet envoys from the others.

The announcement of the agreement came after a session which took up most of the afternoon, and at which nothing was discussed except the peace proposals of the Federals.

These, agreed to at New York by the National League, were related to the American League meeting by Barney Dreyfuss, president of the Pittsburgh Nationals, who came from the East as a messenger of peace. For an hour Mr. Dreyfuss addressed the American League club owners, explaining in detail the agreement. Its terms were not made public, both Mr. Dreyfuss and the Federal and National League magnates agreed to keep silent on these, but it is generally understood that the consolidation of the National and Federal is the basis.

President Johnson declared that there would be only two leagues, the American and National.

To a later session probably in New York to-morrow, was left the appointment of a committee to meet the committee to meet the committee of the other leagues.

The joint peace session will probably take place within a week, according to Mr. Johnson, at New York or Chicago.

Many details remain to be arranged. These involve the ball players who jumped from one league to another, and will result in many of the clubs getting back those who left in the war crisis.

Many Warriors Battle For Gridiron Honors

Philadelphia, Dec. 16.—Parke Davis, Princeton's member of the football rules committee, and considered as the game's greatest historian and statistician, whose one hobby in life is the delving into the records of the game, was a guest at the Racquet Club yesterday, making talking to some of the old Princeton football men who are members of that organization told some things about the growth of this sport that amazed his listeners.

According to Davis, during the 1915 season 32,000 football games were played by the various schools and colleges of the country, not taking note of the thousands of club and independent games. In these games the remarkable figure of 160,000 players competed, and the attendance at the games was, in round figures, 6,500,000 persons. Such a tremendous figure took the clubmen by surprise.

Davis went back to the origin of the game to draw a good comparison. He said that thirty-nine years ago, when football first began its real college career, there were but six teams and 120 players and 1,000 spectators.

York Tossers Win in Game With Independents

York five last night played all around the Harrisburg Independents, winning by a score of 21 to 16. It was a fast contest and played at York. The local five lacked team work and could not shoot goals until near the close of the game. The seconds brought a hard fight. The line-up and summary:

All-York. Harrisburg.
McCord, f. McCord, f.
Turnbull, f. Rote, f.
M. Ways, c. Yoder, c.
K. Ways, g. Ford, g.
Gemmill, g. McConnell, g.

Eddie Hooper Signs Up With Chambersburg Team

Eddie Hooper, former Tri-State star and manager who played with Harrisburg, Lancaster and other teams, next season will lead the Chambersburg team in the Blue Ridge League. Hooper signed a contract yesterday. In the opinion of those who know Hooper, Chambersburg has made a good find. The Baltimore boy is a heady player, great on team work, and always commands the respect of the players on his team. He is clean-cut and against rowdiness.

Casino Independents Show Speed in Double-Header

In the weekly double-header of the Casino Independent Bowling League, last night's winners were the Oregonians and Majestics. On the first contest the Trojans lost out to the Oregonians, score 2491 to 2392. Wagner of the winning team had both high scores, 217 and 517.

The second game went to the Majestics who defeated the Lancers, scores 2488 to 2401. Halsey was high man with 256 and 411 scores. Tomorrow night the recruits play the Puritans. The standing of the teams follow:

Team	W.	L.	P. C.
Puritans	1	1	866
Lancers	9	6	800
Recruits	6	6	500
Majestics	6	6	500
Trojans	7	8	466
Oregonians	5	10	323

WHARTON SINKLER FOOTBALL HEAD

Announces New Program For Sport at University of Pennsylvania

Philadelphia, Dec. 16.—Wharton Sinkler was re-elected chairman of the football committee of the University of Pennsylvania at its organization meeting held yesterday. After the election of chairman of the committee, which consists of Ralph Morgan, Wharton Sinkler, J. R. ("Lud") Wray, Captain Neilson Murray Mathews and Manager Charles Lovett, went into session and discussed the coaching question.

It was agreed that the advisory system should be done away with and the responsibility be placed solely in the hands of one man, and to give the coach as many assistants as he should require.

The coach will be given the whole-hearted co-operation of the football committee in every detail. The committee hopes that the entire undergraduate body will co-operate with the football committee in giving every possible assistance to the head coach and his assistants and stand behind the coaches and players no matter who may be selected.

Another important question considered was that concerning the obtaining of a trainer for the eleven. The football committee, while not having selected a man, discussed the applications of several men. The committee will get in touch with the other committees in regard to the trainer. The committee will insist on a trainer.

Death Toll in Three Outdoor Sports

Hunting—62 killed
Baseball—59 killed
Football—16 killed

These figures, compiled on the most recent season in the three branches of outdoor sport, show hunting the most dangerous pastime.

There were as many deaths in baseball as in hunting, but the baseball season covers nine months of the year, while hunting lasts only a few months. There are, many more persons engaged in baseball than in hunting.

The football season lasts about as long as the hunting season, but the death toll is much smaller.

Besides the 62 persons killed in hunting, 66 were badly injured. The figures are gathered from eight years ago. Last year the dead numbered 111, the injured 182.

The decrease is probably due to the fact that fewer persons hunted this year. Wisconsin, for instance, passed a law prohibiting the shooting of deer and limiting each hunter to one buck. Many old-time hunters stayed at home.

Michigan, as has been the case for several years, led in deaths with fourteen.

Two women were killed.

Hunters Busy in Woods; Five Deer Visit Tower

State College, Pa., Dec. 16.—While all the licensed deer hunters of Pine Grove Mills were scouring the Seven Mountains yesterday for their last shots of the season, five deer, two bucks and three does, came into the village and spent most of the day feeding in the fields and drinking from the town reservoir. Every one of the 300 villagers went to see the animals, but not one of the 350 stay-at-homes had a license to shoot the game.

Messengers were rushed to find R. I. Watt, deputy game warden, and the only person in Pine Grove Mills authorized to issue licenses, but Watt, too, was hunting deer seven miles away. The deer were surrounded unharmed, with the hope that some legalized gunner would come home and shoot the bucks. None came and the deer went back into the hills, safe for another year.

Bitters Take Three From Harrisburg Academy Leaders

The Bakers, leaders in the Harrisburg Academy bowling series, fell last night. The Bitters were too strong, scoring 1515 points to their opponents' 1551. The Bitters, a notorious team, had 152 for high individual score and W. Colvaris 359 for total. The Officers and Barbers play to-morrow night. The standing of the teams follows:

Team	W.	L.	P. C.
Bakers	9	3	750
Bitters	8	4	667
Officers	5	4	556
Factors	6	6	500
Officers	3	6	333
Bankers	2	10	167

MAJORS AWAIT PEACE ENVOYS

New York, Dec. 16.—The future status of big league baseball will be decided at a peace conference of representatives of the National, American and Federal Leagues here to-morrow, if the expectations of the magnates who have framed the tentative agreement after three years of war are fulfilled. Members of the National League here in this annual meeting are waiting to-day for the arrival of the conference committee appointed by the American League to ratify the proposed terms of peace.

COLLEGE INN TEAM READY

The College Inn bowling team is ready for games. The manager is G. Hoffman, 1430 1/2 North street, who is now preparing a schedule. On Tuesday night the newcomers will play the Good Will team at the P. R. R. Y. M. C. A.

BRECKENRIDGE HIGH MAN

In the Elks bowling series last night the Athletics won from the Tigers; scores, 2291 and 2216. Breckenridge, of the Tigers, had 192 and Weber 546. The game was witnessed by a large crowd.

CARDINALS TAKE THREE

In the P. R. R. Y. M. C. A. series last night the Cardinals won three games from the Eagles; scores, 2488 to 2207. Mendenthal was high score man with 180 and 507. The Superbas and Senators play to-night.

SLIGHT INJURY CAUSES DEATH

Lewistown, Pa., Dec. 16.—A slight bump against one of the tables in McMeen & Co.'s department store here, causing a slight abrasion of the skin on the thumb of Benjamin Davis Ford, resulted in blood poisoning and gangrene and the man died yesterday at the home of his daughter, Mrs. L. B. Frey. Mr. Ford was a watchman at the store, and was about 74 years old.

WELLY'S CORNER

Baseball peace is in sight. It will not come until three signatures are placed to the agreement proposed. It is the John K. Tener plan that is expected to bring the answer. He said two years ago that an agreement would have to come on terms named by the National League.

The end of the war in baseball circles will not bring much happiness. Unusual interest is manifested in the wrestling bouts to be staged by Tech high school athletes. Candidates for wrestling honors are practicing daily. Central high is handicapped in this sport in not having a gymnasium.
