ACADEMY SMOKER MOST ENJOYABLE

Old Songs and Toasts Enliven Informal Program of Last Evening

Reminiscent reviews of the past, a pleasant consideration of the present, and a rosy look into the future were given to the large number of alumni who gathered last evening in the gaily decorated gymnasium of the Harrisburg Academy for the third annual smoker. In the absence of General Horace Porter, the role of oldest graduate present was played by E. Z. Wallower, who responded nobly to the call. Several generations were represented, and the occasion was enlivened by instrumental music and singing of many old songs. Each "grad" as he arrived, was tagged by a committee, presented with a fragrant carnation and asked to sign the register provided for the purpose. Each was then given a card bearing his name and as a result the gathering became less formal and everybody came to know everybody else. Many of the graduates whose faces had not been seen for years were there, and a number traveled from other cities in the State in order to be present.

William Jennings, president of the Alumni Association, acted as toastmaster and called upon the following speakers: E. Z. Wallower, Dale Fleming, William M. Hargest, Vance C. McCormick, Edward J. Stackpole, Jr., John M. Smith, Edwin S. Herman, Mercer B. Tate, Jr., and Professor Howard R. Omwake. Ehrman B. Mitchell, Jr., secretary of the association, read a telegram from Wallace McCamant on the Pacific Coast, and a letter from General Porter, both expressing regret at their inability to be present.

At the close of the evening the following officers were elected to serve for the coming year: Robert McCormick, president; Ehrman B. Mitchell, Jr., secretary and George E. Etter, treasurer.

'PICK-UP' PLOWS INTO CROWD AT LUCKNOW

[Continued From First Page.]

booming down the tracks. Harry B. Lyter of Dauphin saw it first and he shouted a warning as he threw himself backward. The engine brushed his legs and knocked him into Elmer Peaser of Dauphin, hurling them both clear of the tracks. The other passengers managed to scurry back safely.

Nearly Across
Gilday and Rhoades were nearly across the tracks when the warning was sounded. Gilday was slightly in the lead and he jumped up against the side of the local when the engine roared past. His companion was struck, hurled a full car length and jammed beneath the rear wheels of a coach on the accommodation.

One of the women passengers, frightened when she saw the engine from death and the sight of the injured man, fainted. She was speedily revived.

Rhoades sustained a fractured skull and internal injuries which render his condition so critical that physicians at the Harrisburg Hospital fear to operate.

Witnesses say the "pick-up" which hauls workmen from the shops to Enola was traveling at thirty-five miles an hour and did not stop after plowing through the crowd.

George Rhoades, who was nineteen years of age, played center field on the Dauphin team of the Dauphin-Perry League last summer and is widely known through Central Pennsylvania. His brother, Charles Rhoades witnessed the accident and helped remove him from beneath the wheels of the accommodation.

THIS IS A SALE OF SHOES

---Which Starts To-morrow

But it is a sale unlike the supposedly great and numerous sales you read of every day

Many years ago good merchants, after the holidays and Spring seasons were over, made a general reduction in prices on their own stock, leaving out nothing.

We've decided to hold one of these Old-fashioned Clearance Sales in Shoes, and the day is to-morrow and all week.

Our Shoe Department is one of the "cleanest" in the city—by which one infers that stocks are practically free from undesirable.

Committees named by President Hess were: Auditing, D. L. Kelster, chairman, James Thompson and D. W. Wilbert; entertainment, Robert Buck, chairman, H. Eisenberger, H. G. Morton, Joseph Bongartner and John Barr.

The report of the secretary for the year showed an increase of 160 in membership and total number on the rolls, 1,050. The finances of the club were reported in an excellent condition.

The West End Republican Club will elect officers to-night. Following the business meeting there will be an elaborate program of music and other interesting features. Preparations have been made for a record crowd.

On Friday night the annual meeting of the Central Democratic Club will be held. The committee on entertainment promises a big night and are now at work on a special program.

OBSERVE ST. JOHN'S DAY
An interesting program was offered last night by Harrisburg Lodge of Perfection, Scottish Rite Masons, in commemoration of the Feast of St. John the Evangelist's Day. The exercises were held in the Scottish Rite Cathedral, North street. William B. Bennett, thrice potent master, presided. The principal address was by the Rev. Thomas Reich. Following an organ voluntary by Fred J. Kramer the members sang the Portuguese Hymn and the Rev. Harry Nelson Bassler offered the invocation. Other musical features were a solo, "Joyously Peal, Ye Christmas Bells," by F. William Froelich, and a selection, "Silent Night," by a quartet which included Ralph E. Steever, first tenor; Jerome M. Hamilton, second tenor; Nevin R. Seltzer, first basso, and Howard H. Frain, second bass.
