Old Kentucky Rosebud Is Winner Over Veteran Boxer

Philadelphia, Jan. 28.—The Kentucky Rosebud, the former great negro featherweight who modestly admits to being 61 years old, knocked out his veteran rival John Henry Johnson, another dusky warrior, who admits to having been on this earth for 43 summers and as many winters.

Rosebud, the great featherweight gladiator of forty years ago, accomplished this feat in the fourth round of their scheduled six-round tussle at the Broadway A. C. last night. Every inch of available space was packed with cheering partisans of both fighters.

GAME IS CERTAIN; FANS ARE HAPPY

Much Interest in Vincome's Appearance Here Saturday Night

Harrisburg basketball fans are pleased over arrangements for the usual game at Chestnut street Hall Saturday night. A great number of Harrisburgers have formed the habit of attending the games, and these were at a loss to find a way to pass the time this week. The hall will be ready for basketball by 7 o'clock Saturday evening, and the game will start at the usual time.

The Vincome club will bring the same line-up to Harrisburg which gave the Independents such a hard fight early in the present season. They depend upon passing to win their games, and the locals will be compelled to work hard to break up their passing game.

Players Are Fast

The team is composed of men of much basketball experience, and they play nearly every night, either in Philadelphia with a league team or on barnstorming trips. The center and two forwards also play with Birdsboro in the Tri-County League.

The locals will be in good form for this game. McCord's injured ankle is getting stronger, and probably will not handicap him at all. The players are all glad of the chance this game gives them to keep in condition.

President Barrow Kicks on Sale of Second Baseman

Portland, Ore., Jan. 28.—President Barrow, of the International League, has protested the sale of Second Baseman Vaughan, formerly a St. Louis Federal, to the Portland Pacific Coast League club.

Vaughan jumped from the Buffalo International club when he joined the St. Louis Federals, and Barrow demands that he be returned to Buffalo. The Portland club bought the player from the new St. Louis Federal-American combination.

Next year the game will be offered the Eastern team winning the championship.

CENTRAL TOSSERS PLAY HAZLETON

Game Takes Place on Cathedral Hall Floor; Strong Local Interest

The Central High tossers will meet Hazleton to-night on Cathedral Hall floor, in an effort to retrieve the defeat which the blue and gray suffered earlier in the season from the Hazleton team.

All of Central's players are in excellent condition and yesterday ran up a large score against the Academy players in a practice game.

Rote will appear in the line-up and the game will be started with Walower and Thomas at forwards, Hilton and Rote as guards and Houtz at center. Between halves the Hasset girls will play.

A second game may be played between Central Reserves and another team. An effort was made to have a game between two girls' teams, but schedules arranged earlier in the season would not permit a change. The Central-Hazleton game, while not an interscholastic league contest, promises unusual interest, because Hazleton has won all games played with High school tossers.

Harrisburg Independents Win Over Lewistown Five

At Lewistown last night the Harrisburg Independents won over the Lewistown five, score 63 to 20. The Harrisburgers far out-classed their opponents. The work of Rote and McCord was the best ever seen on the Lewistown floor. The line-up and summary follows:

WELLY'S CORNER

Harrisburg live bird shooters would like to see a new trophy presented by some local organization. The trophy now going the rounds was offered by the Harrisburg Sportsmen's Association twenty years ago. It can never become permanent property until a new cup is offered because of new rules.

The Harrisburg trophy, as it is known, is the State live bird championship prize. This cup has had many owners and given this city wide advertisement. Local sportsmen would like to have the Harrisburg Chamber of Commerce, Rotary Club of Harrisburg or the Motor Club of Harrisburg offer a trophy. These organizations could all go together and present a cup. It would be a big booster for this city.

George Washington Heckert is in the field for managerial honors, according to reports. He has not officially announced his candidacy, but his friends are telling of several good offers from New York State League owners. The former York Tri-State manager is at present a busy man, but is willing to be tempted.

The first call for relay team candidates will come early this year. Central and Tech high schools and Harrisburg Academy will send teams to Philadelphia in April and want to allow plenty of time for training. Local runners have figured each year in the annual relay carnival on Franklin Field.

BARBERS WON MATCH
 In the Holtzman International League match last night, the Barbers won over the Sons of Italy, scores, 1298 to 1285. Amerigia was given high match honors with a score of 377.

THREE YEARS AS HUSBAND ENOUGH FOR BATTING DANE

Nelson Asks Divorce Because Wife Substitutes Watercress For Beefsteak; Grief Is Continuous

Chicago, Ill., Jan. 28.—It's off. There isn't going to be any further exchange of communiques between Battling Nelson and his pretty, talented wife with a view to reconciling their numerous and various marital difficulties. And, furthermore, the "Durable Dane" has come to a belated conclusion that an interval of single blessedness is preferable to just being a wifeless husband.

All of which leads up to the suit filed yesterday in the Circuit Court by the former lightweight champion to divorce Mrs. Fay King Nelson, to whom he was married three years ago and who has since considered him only as "Pal."

Mrs. Nelson found satisfaction, it seems, in marrying an idol of the flat arena, and hugely enjoyed that country-wide blaze of publicity that attended the wedding. But after that, she found greater happiness in continuing her cartooning work in Denver away from her husband.

"She wanted me to eat watercress salad, when I wanted a beefsteak."

"She wanted me to wear a cap and sweater, so I would look like a tough pug."

"She wanted me to get my ears operated on so I could look like a human being."

"And she humiliated me before my friends every chance she got."

These are a few of the reasons "Bat" Nelson, former lightweight champion, gave for filing his divorce suit against Mrs. Fay King Nelson.

"Bat" was in a doctor's office having the cauliflower trimmed out of his ears.

TECH TEAM AFTER ANOTHER VICTORY

Will Fight Hard Tonight For Williamsport's Scalp; Added Features

With a record of six games won out of the first nine played Coach McConnell's Technical High school basketball team will line up this evening in the Tech gymnasium against the Williamsport tossers. Several weeks ago the locals dropped a Saturday night game in Billtown by a score of 21 to 14, and as a result will come back strong to even up the defeat.

Added Features

In addition to the Tech-Williamsport game, the Reserves will meet the Trojans, a local five. At the conclusion of the in-door games, Manager George Fitzpatrick will send one of his "Masked Marvels" against Carl Beck for the middleweight mat championship. Beck is the champion wrestler of that class in the grammar schools, and the best Tech wrestler in that class will meet him. Following the fashion of "Mort" Henderson, the Maroon grappler will be masked. The players in the big contest will take the floor as follows:

Tech.	Williamsport.
Killingier, f.	Berry, f.
Pollock, f.	McLarin, f.
Beck, c.	Cornwall, c.
Toffee, g.	Speaker, g.
Miller, g.	Fralin, g.
