HOW LONG SHALL APPAM REMAIN

[Continued From First Page.]

erns the case of the Appam, as Germany contends, and that all that remained to be decided was the inter-

pretation of the application of the treaty's terms.

The Secretary disclosed that the sole question to be decided by the interpretation was how long the Appam should be permitted to remain in American waters. The treaty guarantees to a German prize the right to come and go freely. If the Appam were forced to depart she would doubtless become

the prey of British cruisers assembling outside the Virginia capes. If forced to depart, German officials have stated the ship would be sunk to prevent her recapture by the British.

Germany is expected to contend that the treaty guarantees the Appam the right to remain safe in Hampton Roads until the case goes before a prize court for adjudication. Technically the ship does not become Germany's prize until such a court establishes the validity of her capture.

ish steamer Gadsby. On a trip to England with her from Canada, the Gadsby was torpedoed in the English Channel and her crew was picked up and landed at Londonderry, Ireland, On January 13 when on the Dromon-

by as chief engineer that vessel was sent to the bottom by the raider that got the Appam.

Liberated Passengers on Way to New York; Only Germans on Board

Newport News, Va., Feb. 4.—Only Lieut. Berg and his small prize crew remained to-day aboard the former British passenger steamer Appam, brought into these neutral waters last Tuesday as a prize of war. The liner's passengers and original ship's company, taken prisoners when the steamer was captured by a mysterious German raider off the Canary Islands January 15 were liberated last night by order of the United States government.

The passengers to-day were aboard the Old Dominion liner Jefferson enroute for New York where they were expected to arrive early to-night. The members of the crew, with gun pointers taken from other British steamers which the raider sank before
