EASY WAY TO HEAL COMMON SKIN-TROUBLES
A Baltimore doctor suggests this simple, but well-tried and inexpensive home treatment for people suffering with eczema, ringworm, rashes and similar itching, burning skin troubles.
At any reliable drugstore get a jar of resinol ointment and a cake of resinol soap. These are not at all expensive. With the resinol soap and warm water bathe the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the resinol ointment, and cover with a light bandage, if necessary, to protect the clothing. This should be done twice a day. Usually the distressing itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again unless the trouble is due to some serious internal disorder. Samples free, Dept. 7-8, Resinol, Baltimore, Md.—Advertisement.

HEALS RUNNING SORES AND CONQUERS PILES
"I feel it my duty to write you a letter of thanks for your wonderful Peterson's Ointment. I had a running sore on my left leg for one year. I began to use Peterson's Ointment three weeks ago and now it is healed."—A. C. Gilbrath, 703 Reed St., Erie, Pa.
"I'd rather get a letter like that, says Peterson, than have John D. Rockefeller give me a thousand dollars. It does me a lot of good to be able to be of use to my fellow man."
For years I have been selling through druggists a large box of PETERSON'S OINTMENT for 25 cents. The healing power in this ointment is marvelous. Eczema goes in a few days. Old sores heal up like magic; piles that other remedies do not seem to even relieve are speedily conquered.—Advertisement.

AVOID ST. VITUS' DANCE
Physicians are baffled by St. Vitus' dance because it is a nervous disease in which they can find nothing actually wrong with the nervous system.
Long before the child becomes awkward and begins dropping things there is a period in which the appetite is fickle and the patient is tired and listless. The jerking movements characteristic of the disease come much later.
In the early stages a good tonic for the blood and nerves will go far toward preventing the development of the disease. But the tonic must be free from alcohol and opiates for these make the nervous condition worse. When your child appears listless, prefers to sit and read rather than go out and play and requires entirely too much time to get his or her lessons, give a course of treatment with Dr. Williams' Pink Pills. They cannot do harm, the system is sure to be benefited and you may avoid serious trouble.
These pills build up the blood, nourish the starved nerves and improve the general health.
Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y. Write for free booklet on "Nervous Disorders."

There is plenty of room for all and it is hoped that members will avail themselves of the guest privilege for next Tuesday.
The nurses' current event talk will be given Saturday evening at 8 o'clock at the hospital by Mrs. Mabel Cronise Jones. All nurses in the city are cordially welcome.

ITCHING ECZEMA IS A CONSTANT BLOOD CRY

The Blood Reaches Every Part of the Body Every Twelve Seconds.

There are approximately 70,000,000 pores in the skin of a human body. These connect with the blood channels by means of little canals. These canals are sometimes filled with poisons and the skin scales and blisters, gets red and raw and becomes like so much tissue fire.
Salves do not reach the source of the trouble. To make the blood pure is the only scientific method of relief. There is S. S. S., the greatest blood purifier because it is a natural one. It is purely vegetable.
So great is the fame of S. S. S. that many substitutes trail along in various sections of the country. They all, sooner or later, die a natural death. S. S. S. builds up weak and aching blood, gives prompt relief to almost every case of eczema, winter tetter and other skin maladies. You owe yourself the duty of trying a bottle of S. S. S. Take no substitute. Write for our free book on skin diseases. Confidential letters replied to by our Medical expert. Write Swift Specific Co., Department 33, Atlanta, Ga.

Miss Emily E. Cummings left to-day for Wilkes-Barre where she will be the guest of Miss Louise Leonard, of the Y. W. C. A. Industrial Secretary of that city.
