ACADEMY HIGH IN SCHOLARSHIP

School Accorded Certificate Privilege by West Point

National recognition of the high standard of scholarship which prevails at the Harrisburg Academy has been accorded in a letter which Headmaster Arthur E. Brown has received from the Captain of the Coast Artillery Corps, United States Military Academy, West Point, N. Y., to the effect that the local academy has been granted the certificate privilege. This means that students of the Academy who enter West Point may do so under the certificate method and will be relieved from all except physical examination. Nothing that has happened of recent years has pleased so much those who are interested in the Academy's welfare. It is considered a very complimentary action which the West Point authorities have taken in this matter and indicates emphatically the high opinion which is held abroad of the quality and thoroughness of the mental training afforded to Harrisburg Academy undergraduates. The letter in part is as follows:
HEADQUARTERS
United States Military Academy
West Point, N. Y.
Mr. Arthur E. Brown,
Headmaster, Harrisburg Academy,
Harrisburg, Pa.
My Dear Sir:—
The Superintendent directs me to inform you that your letter of Feb. 12, 1916, addressed to the Adjutant General of the Army, Washington, D. C., has been referred to these headquarters for consideration and reply. Information has just been received from the United States Commissioner of Education to the effect that the Harrisburg Academy is accredited by the United States Military Academy under the certificate privilege.
Very sincerely yours,
C. O. CARTER,
Captain, Coast Artillery Corps,
Adjutant.

JOHN A. FAUBER DIES
Halifax, Pa., Feb. 25.—John A. Fauber, aged 69 years, died on Wednesday morning at his home in Fisherville, after a long illness.

Tender Teeth—the first sign of Pyorrhea

When you brush your teeth, does it feel as though you were brushing against the quick? Do the gums sometimes bleed? This is because pyorrhea has caused the gums to pull away from your teeth, leaving the unenamelled surfaces unprotected.
Your dentist will tell you, if you ask him, that you have gum recession; and that gum recession is caused by pyorrhea.
Unchecked, pyorrhea will warp and shrink and deform the gums. It will break down the bony structure into which the teeth are set—and you will eventually lose them. To save your teeth you will have to begin to fight this dread disease at once.
A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.
But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.
Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Sentinal Remedies Company 503 Union Central Building, Cincinnati, Ohio.
