

MRS. MAY'S LETTER TO WOMEN

More Proof that Lydia E. Pinkham's Vegetable Compound Relieves Suffering.

Chicago, Ill.—"I suffered from a bad case of female ills. Lydia E. Pinkham's Vegetable Compound was recommended and I took about six bottles. It fixed me up all right. The common symptoms of such a condition—pain when walking, irritation, bearing down pains and backache, nervousness and disordered digestion—soon passed away. I look much better now than I did before, and I recommend the Compound every time for female troubles, as it did for me all it is claimed to do. You have my permission to publish this letter." Mrs. J. MAY, 3548 S. Lincoln St., Chicago, Ill.

If you have any of the symptoms mentioned in Mrs. May's letter, remember what Lydia E. Pinkham's Vegetable Compound did for her, and try it yourself. It is a good old-fashioned medicine, made from roots and herbs, and it has helped countless numbers of women. If you need special advice, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Coal Situation

There is plenty of good coal to be had now, but the supply of the future is uncertain owing to controversy between miners and operators. Even if there shouldn't be a strike, the granting of concessions demanded by the miners will mean still higher coal.

Let Kelley fill your bins now and be sure of your supply of good coal for at least another winter.

GOOD MEMORY AN INVALUABLE BUSINESS ASSET

In the March American Magazine Ex-Senator Burton of Ohio says: "A good memory is an almost incalculable asset to any young man starting out on his life's work. The power to recognize faces, to recall names and to bring back into one's conscious mind facts or figures that are pertinent to any subject that may arise—all this can be made a great part of one's personal capital stock."

THE NEWEST REMEDY FOR Backache, Rheumatism and Dropsy

Kidney, Bladder and Uric Acid troubles bring misery to many. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, gout or sciatica. Write Dr. Pierce at once, send 10 cents for large trial package, or 50 cents for full treatment of "Anuric" or ask your druggist for it. During digestion uric acid is absorbed into the system from meat eaten, and even from some vegetables. The poor kidneys get tired and backache begins. This is a good time to take "Anuric," the new discovery of Dr. Pierce for Kidney trouble and Backache. Neglected kidney trouble is responsible for many deaths, and insurance Company examining doctors always test the water of an applicant before a policy will be issued. Have you ever set aside a bottle of water for twenty-four hours? A heavy sediment or settling sometimes indicates kidney trouble. The true nature and character of diseases, especially those of the kidneys, and urinary organs, can often be determined by a careful chemical analysis and microscopic examination—this is done by expert chemists of the Medical Staff of the Invalids' Hotel. If you wish to know your condition send a sample of your water to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., and describe your symptoms. It will be examined without any expense to you, and Doctor Pierce or his Staff of assisting Physicians will inform you truthfully.—Advertisement.

THEATRICAL DIRECTORY ORPHEUM—To-night, "Uncle Tom's Cabin" to-morrow, "The Lady Buccaneers" (burlesque); Friday night, concert by the Municipal Band, of Harrisburg; all next week, except Thursday, "The Battle Cry of Peace." MAJESTIC—Vaudeville and Moving Pictures.

Mary Pickford, conceded to be the foremost film favorite in the world, who surpasses many of her contemporaries in her latest impersonation, "The Foundling," appears in this exceptional production in the fascinating role of Molly O at the Regent to-day and to-morrow.

Presenting a story of tender appeal to the finer senses, "The Foundling" epitomizes in a strongly dramatic manner the suffering of a girl cast out into the world by the hatred of her father, because her birth has caused the death of the wife he had loved and worshipped.

The father goes to Italy to forget the lost wife, committing Molly O to a founding asylum, where she is subjected to all sorts of indignities and personal hardships. She is finally given to a boardinghousekeeper who makes a drudge of her and ill-treats her in every conceivable manner. When the penitent father returns to look for his child, another girl is substituted for Molly O and the poor girl continues to live in misery until her own kind efforts accidentally bring her in touch with her father.

John B. Siefert, Tenor, and Others in Friday Concert. The first day's reserved seat sale for next Friday evening's concert in Chestnut Street Auditorium, in which John B. Siefert, America's famous lyric tenor, makes his initial appearance before a Harrisburg audience, in company with Master Gurney Mattox, the phenomenal boy violinist of Philadelphia; Miss Rae, reader, of Irving College, and local social celebrities, surprised the concert committee to such an extent that an addition to the reserved seat section will likely be found necessary to accommodate those desirous of choice seats for the concert. Practically one-fourth the entire reserved seat section was taken yesterday. The sale will continue to-day at Siefert's, 24 North Second street, and promises to be heavier than yesterday's. Competent critics pronounce Mr. Siefert a wonderful tenor. Being quite a young man, they predict for him a greater future on the concert stage than has fallen to the lot of any of his predecessors. Many Harrisburgers have also heard Master Gurney Mattox, and they will be present Friday to hear him again.

Miss Helen C. Moller, of Philadelphia, gave an exhibition of Greek and shadow dancing at the Leap Year ball of the Mercantile Club in that city last evening. Miss Moller has attained to considerable fame in her classic interpretations and delighted everybody with her dancing.

Mae Murray, the beautiful Lasky star, recently rented a pretentious bungalow in Hollywood, Cal., and to make it comfortable purchased several fur rugs, on which to sit in front of the fire. This was during the rainy spell. The hot sun, however, continued to try to trade the rugs for cakes of ice.

Harry Lonsdale, Selig actor of prominence, has an unique hobby. Upon arriving at the studio each morning Harry will do his make-up quickly and while waiting to be called for his scenes will stroll to the unfrequented back halls and inspect the various fences, etc., in search of mushrooms. Harry's diversion nets him an average of two pounds per day.
