By Associated Press

New York, April 3.—Crucible, Kenecotte Copper, the latter at the new record of 59, and American Locomotive were the main features of the forenoon in which the volume of trading steadily diminished.

United States Steel was in moderate demand, rising fractionally to 85 and Industrial Alcohol led the issues of its particular class, advancing four to 15 7/8. Varying degrees of strength were shown by Mercantile Marine, pfd., Maxwell Motors, American Cotton Oil, International Paper pfd. and International Nickel. Representative stocks were neglected, with heaviness in New York Central Bonds were steady, with continued activity in Anglo-French 5s.
