

Misery in Back, Headache and Pain in Limbs.

Dear Mr. Editor—For more than a year I suffered with misery in the back, dull headache, pain in the limbs, was somewhat constipated and slept poorly at night until I was about ready to collapse. Seeing an account of the wonderful qualities of "Anuric," prepared by Doctor Pierce, of Buffalo, N. Y., I sent for a box, and before using the whole box I felt and still feel improved. My sleep is refreshing, misery reduced, and life is not the drag it was before. I most cheerfully recommend this remedy to sufferers from like ailments.

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicine. Well, this prescription is one that has been successfully used for many years by the physicians and specialists of Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "Anuric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Dr. Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

EAT LESS MEAT AND TAKE SALTS IF KIDNEYS HURT

Says a table-spoonful of Salts flushes Kidneys, stopping Backache. Meat forms Uric Acid, which excites Kidneys and Weakens Bladder.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a table-spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

MORE RHEUMATISM THAN EVER BEFORE

Clergymen, Lawyers, Brokers, Merchants and Merchants Stricken. Our old friend Rheumatism is having his inning this year, and a few words of caution from one who knows all about it may be amiss. Wear rubber-soled shoes; keep your feet dry; drink plenty of lemonade, and avoid strong alcoholic drinks.

A REMARKABLE LETTER

Received Regarding Peterson's Ointment—Please Publish This Letter. Peterson Bros.—Dear Sirs:—I was afflicted with a very severe sore on my leg for seven years. I am a teamster at the American Agricultural Chemical Co. at West Park. I tried all medicines and salves, but without success. I tried doctors and all others, but they all failed to cure me. I couldn't sleep for many nights from pain. Doctors after treating me some time said I could not live for any more than two years. Finally Peterson's Ointment was recommended to me and by its use the sore was entirely healed. I gladly recommend Peterson's Ointment as a wonderful healing agent and sincerely urge everyone afflicted as I was to begin using it at once.

Thankfully yours, WILLIAM HAASE, West Park, Ohio, Care P. G. Reitz, Box 199.

BOTH COUNTRY CLUBS GROWING

Few Cities Size of Harrisburg Can Maintain Two Such Organizations

Few cities of the size of Harrisburg can maintain two country clubs, but this city has in other ways demonstrated that it is in a class by itself and the rule seems to hold good with respect to our outdoor associations.

This week both clubs have taken important steps in the matter of their development. The Country Club of Harrisburg, having closed negotiations for the purchase of the fine site for the new clubhouse and grounds near Fort Hunter and the Colonial Country Club having arranged for many important improvements on the grounds and buildings on the Linglestown Road.

Several active committees will be announced in a few days and the club membership will be canvassed for the "good fellowship" stock which was authorized in order to raise necessary funds for certain improvements. These will include a new ball room, the remodeling of the ladies' locker room, a parking place for automobiles and some macadam driveway.

Much satisfaction was expressed over the announcement of the Harrisburg Ravens' company that a minute service will be provided on the Linglestown line from Market Square. The switch will be established on the Colonial line at the intersection of this street and the new greens have been relocated and two others have been added.

Many of the prominent businessmen of the city and a number of its most famous golfers are members of the Colonial Club. It is expected that during the summer a tournament will be arranged with the Country Club of Harrisburg and other clubs in the central part of the State. It is expected that the coming season will be featured with a number of outdoor events that will give added interest and pleasure to the members of the club and their friends.
