

### BEAVER COUNTY FOR GOOD ROADS

Word Comes That Western Counties Are Interested in the Second Roads Day

That Beaver county intends to have an active "State-wide good roads day" association was made certain on April 13 when a meeting was held in Beaver at which the formation of a permanent good roads association was decided upon. Eugene S. Hoopes, of Beaver, suggested a plan for organization. Mr. Hoopes' suggestion was adopted and a committee was named, of which he was made the chairman, with instructions to make a careful study of the plan and submit it at a later meeting. On the committee with Mr. Hoopes were Dr. W. S. Cook, Charles Kennedy, E. L. Freeland, John Hosack, John Miller, J. T. Veon, C. W. Bradshaw, J. W. Doncaster, John Patterson and O. K. McKee.

The meeting was well attended. A publicly committee was named to boom "State-wide good roads day" throughout the county. By getting started earlier this year it is hoped to make the campaign much more successful this year than last year. It is expected to have an active organization in every township and precinct in the county that will get the men out to do a good day's work on May 25.

The township supervisors of Beaver county are co-operating with the good roads enthusiasts. Among those who spoke at the meeting were Edwin L. Johnson, president of the meeting; Charles H. Stone, J. L. Homes, Charles Kennedy, County Commissioner F. O. Javens, Dr. Cook and Mr. Hoopes.

J. M. McKee, extension representative of the Washington County Farm Bureau, is getting affairs in Washington county in good shape for "State-wide good roads day." Washington county will be remembered, was the first county to hold a "good roads day" and was responsible for the suggestion to Governor Brumbaugh in 1915 for a State-wide observance of this day.

District Attorney Marion D. Patterson, of Blair county, is planning to call a meeting of the Blair County Good Roads Association in the near future to map out plans for the successful observance of the day in that county. He is being assisted in his plans by Farm Agent R. Bruce Dunlap.

Reports from Adams county indicate that "State-wide good roads day" results will far exceed those in that county last year.

Several inquiries have been received from interested persons in Carbon county relative to plans for "State-wide good roads day" and it is expected that an organization will be formed in that county at an early date. Plans are under way to form an organization for "State-wide good roads days" in Center county.

Owing to the prosperity rush in Lebanon county, it is doubtful whether or not the mills, furnaces and factories in that county will be able to shut down on "State-wide good roads day," but it is understood that owners and managers are trying to arrange so that a portion of their working forces will be able to turn out on "State-wide good roads day." The Good Roads Association of that county, the president of which is John Bannoch, of Newmantown, and the secretary, Robert Light, is active in planning to have the day a success.

### It Took the World Thousands of Years to Make a Steero Cube; It Takes You One Minute to Make Hot Steero

Every step in the history of cookery has been taken with the idea of making it easier to prepare food and drink and better their taste.

Did you ever stop and let it sink into your consciousness what it means to be able to take a little Steero Cube, drop it into a cup, pour on boiling water and have instantly a beverage embodying the flavors of beef, vegetables and spices?

You can now make in a few seconds, an appetizing, stimulating, delightful drink that a few years ago you would have spent hours preparing.

If your husband isn't hungry, make him a cup of hot, steaming, fragrant Steero. When he drinks it watch him sit up and take notice of what's on the table.

You can get Steero Cubes of your druggist, grocer or delicatessen dealer in boxes of 12, 50 or 100 Cubes. Be sure you get Steero Cubes. There are imitations. Why not buy a box today?

### There's a Difference in Coal

A vast difference. You may be burning more coal than is necessary, because you are not burning the kind especially adapted to your requirements.

Talk the matter over with us—we'll steer you right on the particular kind of coal you ought to be using—and supply you with the best heat-giving fuel you can buy. Costs the same—and goes further.

#### COURT POSTPONES TRIALS UNTIL NOVEMBER; THOMPSON CASE ALSO GOES OVER

Special to the Telegraph

Pittsburgh, Pa., April 25.—Over the protest of United States Attorney Humes, Federal Judge Orr, in the District Courts yesterday continued until November the trials of the Government cases against J. V. Thompson, president of the defunct First National Bank of Uniontown, and officials of 72 brewing companies of the State and the United States Brewers' Association, of New York, who were indicted as a result of the Federal inquiry into alleged contributions to political campaigns.

The successful move for a postponement was accepted as finally disposing of the plan of the brewers to plead nolle contendere, and pay fines. The brewers are expected to fight the cases at the November term.

It is probable the Federal inquiry into brewery campaign contributions will be resumed next Monday before the May Grand Jury.

Former Judge Umbel and Attorney McKean, of Fayette County, asked for the continuance of the J. V. Thompson case. Thompson is at liberty under a \$10,000 bail. The Government was ready to proceed in both cases.
