

**Pick** Your mind is pretty well made up as to where you would rather live—you've looked the town over before deciding.

**Home** You two have talked it all over—you're both of one mind—you know you ought to be paying into a home and not to a landlord.

**Today!** Then pick your home to-day! Make a payment on it! Pay the balance like rent if needs be—but live in a home instead of a rented house.
