

Know Your Own Stomach. "Spring tonics" are for those who do not know that Nature must rebuild wasted tissue from the food they eat. Help Nature to throw off the toxins of a heavy Winter diet by eating **Shredded Wheat Biscuit**, a real whole wheat food that is prepared in a digestible form. Follow Nature's plan — get your strength from a simple, natural food that is thoroughly cooked and easily digested. Try it for breakfast with milk or cream; eat it for luncheon with berries or other fresh fruits; make it your "meat" for the Summer days. Made at Niagara Falls, N. Y.

VAN AND SCHENCK AT MAJESTIC FULL WEEK

Gus Van and Joe Schenck, one of the popular teams of vaudeville artists presented in Harrisburg, are coming to this city today to play an entire week's engagement at the Majestic Theater. Van and Schenck style themselves as "The Pennant Winning Battery of Songland," and thousands of Harrisburgers who have heard them on various occasions at the Orpheum, concede that they live up to the title. Van and Schenck will change their repertoire of songs for the last three days of the week.

PLAYS AND PLAYERS

In the playroom of the Friars' Monastery a few evenings ago a group of well-known stars were discussing the coming Frolic, and naturally the question of the nature of the show was the main topic of conversation. "Say, Dick," remarked Harry Bulger to Richard Carle, "what has George Cohen got up in his sleeve for the Frolic?" "Well," retorted Carle—and everyone in the room started toward the table where the group was seated—"that reminds me of the story of the English theatrical manager, who dropped into a theatre where George was rehearsing a company some years ago.

To Really Clean Teeth,

Natural or Artificial

Artificial teeth so often become tinged with a sort of yellow-gray, which destroys every trace of beauty and at a glance lays bare the fact that they are not natural. Chicago dentist some time ago discovered that ordinary avitol (refined) would banish the unsightly discoloration very quickly and make the teeth look quite like one's own. Continuing his experiments he found this antiseptic substance equally effective in removing stains from natural teeth, even the most obstinate "plaques" upon which ordinary dentifrices have no effect at all. Gradually the dentist has discovered that he now has discarded the usual tooth powders and creams in favor of refined Avitol. As a preventive of tooth decay, this simple method offers so many advantages it is destined to become popular with all who desire sparkling white teeth. Refined avitol, besides being perfectly harmless to the enamel, is a most effective germicide, kills tartar, mouth germs, gum affections as well as pyorrhea. Being alkaline, it is, of course, valuable in overcoming an acid condition.—Advertisement.

RECIPE TO DARKEN

YOUR GRAY HAIR

Not a Trace of Gray Shows
After Applying to Hair
and Scalp. No Dye—
Harmless.

Apply like a shampoo to your hair and scalp Q-Ban Hair Color Restorer. Do this every day for a week then three times a week. In a short time all your gray hair, faded, prematurely gray or gray streaked hair turns an even beautiful dark shade with not even a trace of gray showing. Q-Ban makes scalp and hair healthy, leaving all your hair fluffy, soft, thick, clean, free from dandruff, and beautifully dark and lustrous. Q-Ban is not a dye, is harmless. Ask for Q-Ban Hair Color Restorer. It is ready to use, needs no mixing. Only 50c for a big bottle. Geo. A. Gorgas drug store, Harrisburg, Pa. Out-of-town folks supplied by mail.—Adv.

LOCAL THEATERS

One of the most effective minor scenes in "The Birth of a Nation" comes in the Orpheum for its return engagement. In "The Bird of Paradise," Mr. Stone came from the west, and made an overnight sensation. His next role was "The Misleading Lady," from which he went to "Inside the Lines."
