TODAY'S BEAUTY TALK
You can make a delightful shampoo with very little effort and for a very trifling cost, if you get from your druggist a package of canthox and dissolve a teaspoonful in a cup of hot water. Your shampoo is now ready. Just pour a little at a time on the scalp and rub briskly. This creates an abundance of thick, white lather that thoroughly dissolves and removes the dandruff, excess oil and dirt. After rinsing, the hair dries quickly, with a fluffiness that makes it seem heavier than it is, and takes on a rich luster and a softness that makes arranging it a pleasure.

CHARLES H. BRACKBILL
Funeral services for Charles H. Brackbill who died Monday morning at his home 1318 Bonas street, were held this afternoon. Burial was made in the East Harrisburg cemetery. He is survived by his wife, his mother and two children.

GERMANS WIN BATTERED DOUAUMONT RUIN
[Continued From First Page.]
of 5,080 tons, is announced in London. Rome reports the destruction of an Austrian gunboat and an Austrian aeroplane in an engagement with an Italian gunboat in the upper Adriatic.

prevent an expected simultaneous attack by the allies on all fronts. "The central empire," says the statement, "wishes to prevent, even at the cost of enormous sacrifices of men and material the allies from taking the initiative in the war operations and attacking them simultaneously on all fronts. Such is the plan of the Central Powers as revealed by the Trentino front while the Germans are giving their offensive against Verdun."

Gladly Become Vegetarians to Win War, Official Declares
By Associated Press
Berlin, May 23, via London, May 23.—"If we could not be starved out in a year in which we had a crop deficit of nine million tons in wheat, rye, barley and oats alone, as compared with the last normal peace year then we can never be starved out."
This was the conclusion of a resume of the conditions affecting the necessities of life in Germany as given to the Associated Press to-day from a high authoritative source.
It was asserted by the speaker that there were ample potatoes on hand and that the estimates of the early crop gave a minimum production of 11,344 tons.
"We shall all gladly become vegetarians or semivegetarians for a time," the speaker continued, "in order to win and secure the fruits of our victory."
The prince appeared grave and stern with that expression of sadness which seems to be the heritage of

every Slav. He was thin and worn from the hardships through which he had passed but seemed in excellent health.
"I receive you," he said, "to prove how deeply I appreciate the tone of the American press which, while defending the sacred principle of the liberty of all peoples, has thereby rendered justice to our rights to exist as an independent nation. Serbia desires to live in peace, but only on condition that its aspirations, culture and language are respected as it respects those of others."

ABUSED, PRISONERS SAY
By Associated Press
Berlin, May 25 (by wireless).—An account of the treatment of German prisoners in France, said to have been obtained from incapacitated German soldiers who have been sent home in exchange for French prisoners, is published to-day in the Norddeutsche Allgemeine Zeitung. "All of them complain of abuse from fanatical mobs and of the arbitrary behavior of the commanders of the French camps, who apparently pay no attention to instructions," the newspaper says. "This may be due to the fact that the French war minister does not exercise sufficiently close supervision over the prison camps."
VON KLUCK SEVENTY
By Associated Press
Berlin, May 25 (by wireless).—Field Marshal Alexander von Kluck was 70 years of age on Saturday. He received many congratulatory messages, one of them from Emperor William. The field marshal's health has been restored, although one bullet has not yet

been extracted, and he has again offered his services to the emperor.
RECALL ENVOYS
By Associated Press
Berlin, May 25 (by wireless).—It is reported from Athens that Count A. de Bosdari, the Italian minister to Greece, and J. Guillemin, the French minister, have been recalled by their governments because of the failure of their efforts to obtain permission for the transportation of Serbian troops through Greece.
DESTROY PLANE AND GUNBOAT
By Associated Press
Rome, May 25.—An Austrian aeroplane and an Austrian gunboat have been destroyed in a battle with an Italian gunboat in the upper Adriatic. The crew of the Austrian craft were taken prisoner. A building on the outskirts of Porto Ferrajo was bombarded by an Austrian submarine, which was driven off by the coast batteries before much damage was done.

MEAT CENSUS IN GERMANY
Berlin, May 25.—The expropriation of all supplies of meat in Germany is foreshadowed by the issuance by the budesrath of an ordinance placing all meat supplies on hand on May 25 at the disposal of the imperial meat bureau, which has just been created. A census of all meat supplies, including smoked and pickled, as well as fresh meats, will be taken throughout the empire on May 25.
FRENCH LOSE AGAIN
By Associated Press
Paris, May 25.—The tide of battle at Verdun flowed against the French

during the last twenty-four hours. The Germans, rallying from the smashing blows which took from them the greater part of Fort Douaumont, hurled their legions once more against the ruins which retain by courtesy the title of fort, and by a lavish expenditure of life succeeded in partially retrieving the ground they had lost on the right bank of the Meuse. They also gained a small advantage on the left side of the river.

SUPER U-BOATS TO PLY BETWEEN U. S. AND GERMANY
New York, May 25.—From a source which ship news reporters declare they have always found reliable came to-day the remarkable announcement that within a few days New York would witness the arrival of a German submarine, inaugurating a passenger, mail and freight service between Germany and the United States.
INFANTRY QUIET AT VERDUN
By Associated Press
Paris, May 25.—There was no infantry action at Fort Douaumont last night. Activity on the part of the Artillery was particularly severe in the vicinity of Hill 304 and in the sector from Dead Man Hill to Cumieres.

By Associated Press
London, May 25.—The British steamship Washington, of 5,080 tons, has been sunk by a submarine.

ALL FASCINATED BY WOMEN'S HAIR
With a Little Attention Hair Beauty Can be Quickly Doubled
Nearly every woman who has an ordinary head of hair can by giving it just a little attention have luxuriant hair, soft, fluffy and radiantly beautiful.
It's a good thing to know this because hair preparations that put softness and lustre into dull looking hair are scarce, but it is a fact known to druggists everywhere that Parisian Sage, a delightfully clean and invigorating tonic will make your hair look 100 per cent. better.
Parisian Sage will make harsh, thin, or faded hair soft, glossy and luxuriant. It quickly rids the scalp of all dandruff, stops falling hair and scalp itch, and imparts to the head that delightfully refreshing, cool and comfortable feeling.
It's a delicately perfumed liquid free from oiliness and as one woman remarked, "Parisian Sage puts the radiance of sunshine into my dull looking hair and keeps it soft and lustrous." H. C. Kennedy sells lots of it and will guarantee it to you.
