LEAGUE CHANCES RATHER GLOOMY

Nonappearance of Leo Groom May Put Crimp in Plans For Fast Baseball

Failure on the part of Leo Groom to reach Harrisburg yesterday as scheduled may interfere with a New York State League club coming here. No word has been received from Mr. Groom since his departure. It is the belief of his friends that Tuesday being a legal holiday interfered with his plans, and that he will reach Harrisburg sometime today.

On what Groom intends to do toward getting New York franchise depends final arrangement for securing fast baseball, according to a statement made last night by a close friend of the New Yorker. It is understood that President Farrell must know not later than tomorrow morning what Harrisburg is willing to do.

Because of the proposition submitted by Leo Groom to Manager George Cockill, the latter does not care to take any further action until he hears from the Pennsylvania State league promoter.

Claims Came First

There are a number of bills and claims unsettled in Harrisburg which must be looked after before there is any chance for a New York State League team for this city.

In addition to the bills there are also several protested checks to be adjusted. William R. Douglass, who was president of the Pennsylvania State League, said last night he would not take any action until he heard from Mr. Groom. He added, "There may be a reason for his nonappearance. I think he is adjusting financial matters and will be on hand in time to help along the efforts for a New York State league team."

There are a number of local enthusiasts ready to take stock in an association to back a Class B club, but those interested do not care to take any action until they hear from Manager Cockill, and receive from him a proposition. The latter was expected to come to Harrisburg today providing Leo Groom was heard from.

WELLY'S CORNER

Baseball fans are anxiously awaiting the announcement that a New York State League team will be located in Harrisburg. That this city wants fast baseball is evident by the interest taken in the movement to get Class B sport. To-day the chances are not very encouraging. Those who have expressed a willingness to contribute are getting tired waiting.

If there is a New York State League team located in Harrisburg, it will have to be a strictly business proposition. Stockholders will not receive inducements in the way of books for contributions. Those who take stock will go into the project with a view to putting Harrisburg on the baseball map in proper style. Books will be sold, but not for the purpose of making sure a baseball team.

The delay in getting proper weather conditions has had its effect on grammar school athletes. The boys who are to-day holding their ninth annual track meet at Island Park, while showing plenty of enthusiasm, have not had an opportunity to get into proper shape. Most of the training has been in school yards and open fields. Runners have been practicing on asphalt streets. Notwithstanding these drawbacks, it was expected that new records would be made in to-day's events.

The announcement that the Harrisburg Sportsmen's Association would start a special weekly shoot for beginners has brought to the front a number of candidates. The first shoot will be on June 10. Billy Ciekner is now springing up young

Belmont A. C. Wins Twice; Pitcher Black Makes Record

The Belmont A. C. made a clean-up on Tuesday, taking two games from the strong Paxtang A. C. one in the morning on the Belmont field, score of 3 to 2, and in the afternoon on the Paxtang field, score 12 to 2. The St. Mary's team last night defeated the Dauphin A. C. score 8 to 7. The game was a fast exhibition. The young players showed remarkable form and their work was watched by a large crowd of spectators. It was a pitcher's battle and was played at Fourth and Seneca streets. The St. Mary's team had Young Hershey on the mound. He fanned three men straight in the first inning.

In the Allison Hill League series last evening the Stanley A. C. won over the Philadelphia and Reading team, score 1 to 2. The hitting of the Walz Brothers for Stanley was one of the many interesting features. There were three home runs in the game. The Stanleys are showing improvement in each game and look strong as pennant winners.

According to newspaper reports things are not moving smoothly in the International League. Here is a clipping from an Eastern paper: "Things are not any too bright for the International. They are pulling boycotts both Buffalo and Newark. In the latter town they wouldn't turn out for a team that won thirteen games in fourteen starts. In Buffalo a lot of fans wouldn't go under any conditions. Both towns, like Baltimore, were fooled into the belief that they were in a major league when they got Federal League franchises. They object to a minor league that plays far better ball."

MARKET ROSES UNDER PRESSURE

Prices Rally Later After Relaxation; Railroads and Specialties Drop

New York, June 1.—On a reversal at noon Reading lost a point, with two points or more for Louisville & Nashville and "So", while Butte and Superior, American Zinc, Tennessee Copper and Continental Can were down 1 to 2 points, with 4 1/2 for Bethlehem Steel.

Pressure relaxed later and prices rallied quite generally, with continuance of activity in Beet Sugar and revival of yesterday's inquiry for Gulf States Steel issues, which rose 2 to 5 points. Marine preferred also improved on publication of statement outlining the company's large cash resources, and United Fruit rose substantially. Trading halted on the recovery, which was well maintained. Bonds were steady.

UNFORGETTABLES FOR FALL RACES

Stewards Form Comprehensive Plan to Govern Tracks During Fall Events

Lancaster, Pa., June 1.—The race stewards of the Pen Mar Fair and Racing Association met here yesterday and formed a comprehensive plan of governing the tracks of the eight cities belonging to the association, making the rules governing them uniform, yet elastic enough to meet local requirements. Heretofore lack of uniformity has resulted in considerable friction. It was announced that this fall's racing will be unusually fine, as fast horses from all over the country have been booked. Those present were: O. C. Wareheim, Frederick, Md.; H. C. Heckert and H. G. Swyser, York; John H. Bolman, Lebanon; W. R. Buckman and A. A. Entwistle, Ebensburg; Wm. R. Buckman, Md.; Jacob F. Highwayman Shot Through Heart in Running Fight

Easton, Pa., June 1.—In a battle between Easton officers and two alleged highwaymen, one of them, Thomas Kimball, of Bayonne, N. J., was shot and killed, and his companion, James O'Donnell, aged 21, also of Bayonne, was captured. Kimball answers the description of the man wanted at Elmira, N. Y., for killing Police Chief John Finnell and Detective Sergeant Charles Crawford a year ago. A message from Bayonne stated that the two men also were wanted there for holding up a merchant and that they were suspected of a murder committed there last Friday. Kimball and O'Donnell held up Charles Woepel, Jr. When they found he had no money they told him to "beat it" and fired several shots at him as he ran. Detectives Naimeyer and Miller and Constable Ryan and Wieder were practicing revolver shooting in a stone quarry when Woepel ran up and told them of his experience. The officers soon located the men, who opened fire at the command to stop. A running fire was kept up for several blocks, until Kimball was brought down by a shot through the heart. Then O'Donnell surrendered.

Market Square Church to Be Greatly Improved

A congregational meeting held in Market square Presbyterian Church, last evening resulted in the formation of a plan to raise a minimum amount of \$20,000 and a maximum of \$40,000 to meet the expense of needed improvements and to pay off the debt of \$6,500. It was decided to issue stock of the amount of \$100,000 to be paid for at the rate of \$1 per month, and the elasticity in the amount to be raised was provided so that subscriptions will automatically decrease in proportion to size if it be found that the improvements will not cost as much as anticipated. The "Popular Improvement Campaign" as it is called, embraces a part or all of the following improvements, in addition to paying off the debt: "To paint the church inside and out, repair the organ, provide new cushions for the pews, new hymn books for church, prayer meetings and Sunday school, improve basement of rear building for boys' work, social purposes, etc., alter and improve the various Sunday school rooms, libraries, pastor's office, carpets, etc. A whirlwind campaign is being waged to-day to raise enough money to enable the finance committee to work out a plan that will be definite and final.
