45th Anniversary Sale

June 6th to 10th.

ANOTHER year added to the successful record of the Bowman Store brings about this happy event.

It's our first birthday since rebuilding days when the store was enlarged one-third; entirely rearranged, and re-equipped with new features of service.

And you need only to scan the page of Anniversary offerings to see that we've been planning to do a little extra celebrating on this occasion, in the way of numerous and worthy savings.

These are not all by any means! In fact only a very small portion of the hundreds of seasonable items in every department for self and home is made known.

Come! You who have come before! New friends, come, and partake of the great Birthday feast, and share the fun of the clocks.

Watch for announcement each day.
