MAY LOSE EYE

Joseph Blessek, aged 26, 1005 Paxton street, a laborer at the Lucknow shops of the Pennsylvania Railroad, was struck in the right eye by a piece

"SHE'S A WONDER"

Dainty petite "Fosterledehart" will dance Monday evening, June 12, at the Alvin theater, Pittsburgh.

Ordinarily, perhaps, that wouldn't mean so much to Harrisburg folks if University of Pittsburgh students to a man, hadn't so enthusiastically endorsed that dancer's fancy toe-stuff. All the charm of Terepsichorean training that ever came from Pennsylvania's capital city is embodied in the feet and figure of the little star who has made much a hit from time to time with the members of the Cap and Gown Club of Pitt. Student society generally voice the verdict that "she's a wonder."

No. 1912 North Third street is the classic dancer's residence, although you can recognize the features in the picture. Get it? No? Well, "Fosterledehart" is just—Foster L. Dehart. Tee-hee.

Potato Bugs

MILLIONS OF THEM Are Destroying Your Crops

The leaves are the lungs of the plant, while they are kept perfect and in healthy condition they continue to feed the tubers. Keep the plant growing a longer period and thus produce larger potatoes, more of them and this means a larger crop. If the leaves are eaten or injured, the yielding possibilities of the plant is lessened and you cannot possibly obtain the big crop that healthy plants will produce.

SPRAY THEM WITH PYROX

It kills the bugs and prevents blight and disease. It sticks to the plant like paint and will not wash off. It is the one most satisfactory spray. Start spraying as soon as the plants are through the ground and spray every ten days to keep the new growth covered. Do not wait until the bugs come; have Pyrox there ready for their first meal—that will finish them.

1 lb. will make 5 gallons.
10 lbs., 50 gallons, enough for an acre.

Prices, 1 lb., 25c; 5 lbs., \$1.00; 10 lbs., \$1.75; 25 lbs., \$4.00; 50 lbs., \$7.50; 100 lbs., \$13.50; 300 lbs., \$38.00.

We also have Arsenate of Lead, Paris Green, Slug Shot, Bordeaux, and all insecticides.
