Dean Tells of Convention—President A. C. Dean, of the Harrisburg C. E. Union, has issued the following letter to the societies of this city and vicinity, which gives important facts concerning the big State C. E. convention to be held in this city July 11-14.

"Only five weeks until the sessions of the State Christian Endeavor convention will open in this city. We trust that you are arranging your personal affairs in such a way as to avail yourself of the opportunity to attend as many of the meetings of the convention as possible, as each meeting will be a real source of inspiration to you.

"We appreciate the great interest that has been taken by the Endeavorers of our Union in the preparations for the convention, and know that the time and energy devoted to this work cannot fail to mean much toward the success of the convention. Let us become so interested in the plans that we will feel the final success depends upon our individual efforts.

"Our attention is called to the fact, that if you have any classes or members taking up the Expert Endeavor Course, that they complete the course at once, as all graduates must be registered at Boston not later than June 30th, to get proper recognition in the Pennsylvania part of a very lively contest on between New York, Ohio and Pennsylvania.

Make your purpose real. Purpose that evening, "Won't You Help to Make this the Greatest C. E. Meeting Night ever held in Harrisburg?"
