

NEW YORK LEAGUE PRESIDENTS' BASS FISHING IS LEGAL TOMORROW

CLERKS HAND OUT ONE BIG SURPRISE

Put Crimp in Winning Stride of Planing Mill Lucknow League Leaders

Lucknow Shops League enthusiasts witnessed a great pitchers' battle yesterday. The Clerks put a crimp in the winning stride of the Planing Mill, taking the game by a score of 2 to 1.

Neither side scored until the fourth inning, when the Clerks scored two on a double, a triple and an infield hit, coupled with an error. The Planing Mill in their half scored one run after the man up was hit by a pitched ball advancing on an error and scoring on a wild throw.

Murphy in Town Murphy, of the Planing Mill, pitched fine ball, allowing four hits, two of which were scratch infield singles.

The hitting and fielding of Hoover and fielding of Rhoads featured the Planing Mill, while the fielding of Irwin at first and the hitting and fielding of Smith and Garverich were the features on the Clerks' side.

R.H.E. Clerks 0 0 0 2 0-2 4 1 Planing Mill 0 0 0 1 0-1 2 2

Atlantic League Sinking; Eastern Club Passes Out That the Atlantic League soon is to be numbered among those already under the sea was made evident by a dispatch from Eastern yesterday which told of the disbandment of the team which represented that city on the circuit.

The directors took the action when they learned from the president of the league that several other clubs in the circuit were in a bad financial condition and were on the point of disbanding.

The career of the league has been a stormy one and beset with difficulties from the very beginning. The first obstacle encountered was the opposition of the Pennsylvania State League, which even after that organization was dissolved, was a memory trouble still pursued the Atlantic leaguers.

Heads Junior League With Six Strong Teams

JOHN G. OCH

The Globe Right Posture Baseball League, with six teams, will be under way this week. This organization is made up of juniors and promises interesting games during the balance of the season.

Five teams have been selected and the sixth will be announced before the close of the week. The season will open June 19. The boys have been uniformly and are practicing daily.

Sunday School League Starts

Special to the Telegraph Lykens, June 14.—On Monday evening the Lykens Sunday School League opened its season in the Pastime A. A. Park. The initial game was played by the Zion Lutheran and Baptist team. The Baptist team won by the score of 26-4.

A WAIT ANSWER ON LEAGUE OUTLOOK

President Farrell to Take Vote on Troy Transfer; Cockill to Fight For Rights

New York State League baseball in Harrisburg to-morrow was an uncertainty up to noon to-day. Many complications turned up last night and Manager George Cockill was busy until a late hour this morning in communication by telephone and telegraph with President J. H. Farrell.

The first snag came yesterday when President Farrell wired Manager Cockill wired that he would pay nothing here unless Harrisburg paid an additional sum of \$100. Manager Cockill wired that he would pay nothing but that it was not necessary for extra guarantee, as the car fare given out by President Farrell was rather excessive.

Then came the announcement that Poughkeepsie had made a strong bid for the Troy franchise and a meeting of the league would be held to have a vote taken. If impossible to hold a meeting, a vote by wire will be taken. Five out of seven representatives favor Harrisburg, according to reports.

Troy Belongs Here In a statement by Manager Cockill to-day it was said the Poughkeepsie deal is only a temporary one. He said that he had completed the deal with Harrisburg. There is a strong belief here that the efforts yesterday looked like a holdup for more money.

Manager Cockill said he intended to make a fight for the Troy team if Poughkeepsie is given the franchise. Someone will have to answer to a higher tribunal for the money that has been paid on the first instalment and there has been considerable expense in telephone and telegraph tolls since last Saturday. Those interested in bringing the team to Harrisburg are of the opinion that it is too late for any person to interfere now, and trouble will follow in case Harrisburg is not given a square deal.

BASS FISHING IS LEGAL TOMORROW

Streams Swollen and Muddy; Prospects Not Encouraging; Law in Force

Indications point to a bad day for the opening of the bass season to-morrow. The river and smaller streams are high and muddy. Few local anglers, according to reports to-day, expect to go out to-morrow. There will be anglers along the shores of the smaller streams, and by chance, it is said, may pick out a stray bass, but real fishing is impossible.

Rains have interfered with the catching of bait. Minnows have been scarce for sometime. "Catties" are reported plentiful, and lambs are being popular bait for salmon fishing. With to-morrow the catching of all kinds of fish will be in order. Trout season is still on, ending July 31. Bass, salmon, wall-eyed pike and pickerel are now in season. The favorite fishing grounds for local anglers include the river at Rockville Falls, at Marysville and Dauphin, McCormick's Island, below the city dam, near New Canberr, Goldsboro, Middletown Ferry. Along the Juniata when that river is in shape fishing is good anywhere between Duncannon and Mifflintown. During the fishing season the following laws will be rigidly enforced.

No Sunday Fishing

Unnaturalized foreign-born residents are absolutely prohibited from fishing in any manner within this Commonwealth; penalty \$20. \$10 penalty for catching and retaining any game fish before June 15, other than trout. \$10 penalty for selling or offering for sale each game fish. \$100 penalty for using explosives of any kind, or poisons. \$20 penalty for gizzing or spearing any fish other than carp, suckers, mullet and eels. \$20 penalty for gizzing or spearing any fish in waters inhabited by trout. \$20 penalty for gizzing or spearing fish out of season. The open season for gizzing is July 1 to October 31. \$50 penalty for sears or nets of any kind or hand lines, or any other method whatever within 400 feet of any dam, excepting rods and lines. Outlines can only be used from 5 p. m. to 1 a. m. and between June 1 and November 30 for carp, suckers, mullets, catfish and eels only. Each and every outline must bear a metallic tag with the name and address of the owner and not more than 100 hooks or snoods to each outline and baited only with cut or dead bait, and so weighted that the hooks rest upon the bottom. Penalties for using outlines other than above.

JITNEYS HIT BY MANY COMPLAINTS

Public Service Gets Large Number of Letters About Their Activities

Two dozen complaints against jitneys operating in various parts of Pennsylvania without certificates from the Public Service Commission were filed at the Capitol to-day and will be added to the scores which are being heard at Wilkes-Barre and which have come from Scranton, New Castle, Pittsburgh and other places and are listed for further action.

The Pittsburgh and Phoenixville Traction Company complained of the man and mentioned five others who are running jitneys in Pottstown and vicinity; the Scranton Railways Company complained of thirteen and the Allegheny Valley Street Railway Company complained of ten in Allegheny county.

The commissioners who are sitting at Wilkes-Barre to-day will probably be busy with the jitney cases until Friday when the commission will go to Bethlehem to make an inspection of the grade crossing situation. The commission will be here next week and will have up the high Pittsburgh coal rate cases, the Hummelstown and Lebanon water cases and late in the week will have special hearings in Pittsburgh and Galton.

The hearing in the complaints against the milk rates of the Philadelphia and Reading Railway Company in vicinity of Philadelphia has been deferred until action is taken by the Interstate Commerce Commission.

The charter papers were sent out to-day for the new McConnellsburg and Fort Loudon Railroad Company, which is to build Fulton county's first electric trolley line. The men in charge are: President, J. H. Patterson, Webber's Mills; J. L. Patterson, J. H. Cooper, J. G. Reischer, George A. Harrisburg and Reading. Enos D. Myers, Lemasters, and J. S. Rotz and A. B. Rider, Fort Loudon.

Mine inspectors in the anthracite field being State officers and elected for a definite term are held not to come under the provisions of the retirement act for State employes by an opinion rendered to James E. Roderick, State Chief of Mines, by Horace W. Davis, Deputy Attorney General to-day. It is held that an anthracite mine inspector has been expressly decided to be a State officer, elected for a definite term and his retirement governed by law.

Governor Brumbaugh to-day appointed the following commission to investigate laws relative to recording of deeds and mortgages, transfers of lands and insurance of titles: Joseph K. Fletcher, Robert T. Corson, Samuel W. Salus, Philadelphia; James C. Watson, Harrisburg; and Albert L. Watson, Scranton.

Secretary of Agriculture Patton to-day issued a preliminary report of the Dairy and Food Division with the statement that the full report of the department would not be ready for distribution for some weeks. The preliminary report reviews the work of the division for a year and says that additional power is needed to enable the commission to supervise the conditions of production, manufacture, sale and delivery and, so far as it may be necessary, to safeguard the soundness of materials and the sanitation of surroundings essential to the production and delivery of clean, sound foods.

Secretary of Internal Affairs Henry Houck is speaking at Lebanon Valley College this afternoon. The Governor will speak to-night.

G. B. Kittle, a traveling man, to-day complained to the Public Service Commission that the Pittsburgh Taxicab Company charged 50 cents instead of a quarter for a taxi ride. The company answered that Kittle picked the larger terms in which every one seems to want to ride and that he passed up the "tin lizzies" in which the rate is a quarter.

Commissioner of Health Dixon was to-day honored by the degree of learned doctor of laws by Lafayette College.

Flag Day was observed by almost everyone on Capitol Hill wearing flags to-day. The Capitol flags were all flown.

Major-General C. M. Clement, commander-in-chief of the National Guard, was among the Governor's visitors to-day. The Governor's Chief Medical Inspector Royer is attending the American Medical Association meeting at Detroit.

Local Man Gets Degree at Mass. Technology Institute George Morris Steese, this city, was awarded the degree of bachelor of science to-day at the graduation exercises of the Massachusetts Institute of Technology. The degree was conferred by President Richard Cockburn MacLaurin. The topic of Mr. Steese's graduation thesis was "An Experimental Investigation of the Intensity of Wind Pressure on Roofs." Degrees were given to 360 students, the largest class graduated from the institute in one year.

Wires leading from the Boston technical school to the Engineers Club of Pennsylvania in this city were tested last night and to-night the alumni gathered in this city who are unable to attend the golden jubilee of the school will listen to the addresses being made in Boston. Thirty-four other cities have been included in the list and connections were made for this event.

Table with columns: National League, American League, Blue Ridge League, Lucknow Shop League. Rows list teams like Brooklyn, Philadelphia, New York, etc., with W, L, P.C. records.

In the Realms of Amusement, Art, and Instruction.

THEATRICAL DIRECTORY MAJESTIC—Vaudeville and Motion Pictures. PAXTANG—Vaudeville. COLONIAL—"Clara." A secret band. REGENT—"Molly Make-Believe." VICTORIA—"The Mysteries of Myra."

PLAYS AND PLAYERS Of the newest film production in the interest of the "preparedness" propaganda, this is the status: "The Fall of a Nation" was written by Thomas Dixon. It is, as was "The Birth of a Nation," the last word in effectiveness.

Victor Herbert has contributed the incidental music, which is in itself worthy of special note. The story is somewhat exaggerated, and in many respects weaker than that of the Southern story. It begins with the emigration of the citizens of many foreign Governments to this country, passes lightly over the Civil War period, and plunges at once into the story of a traitor who bands thousands of aliens into a secret band to be used at the proper time to give strength and support to a foreign invasion, which comes according to prediction. Long Island is the scene of the fighting, which is dramatic in its intensity. The invaders finally overpower our poorly equipped men, and the arch traitor becomes powerful in the control of our destinies. Then for three years we pay the debt imposed, both as to sacrifice of freedom and the monetary contribution. Then comes in the last scenes, and in many respects the most interesting.

Thousands and thousands of women throughout the country have donned natty uniforms of white. These are the Royal Legion, thought to be true to the cause of our country. There is much spectacular riding, with most interesting.

The Gallerini Four, headline attraction at the Paxtang Park Theater this evening, are treating the patrons to one of the classiest musical offerings that has ever appeared on any vaudeville stage. At the Monday evening performance, the vaudeville troupe, with the approval of the audience, made a hit with the park audience. Among them, a little miss with lotus Kimura, a clever Japanese foot dancer, and a young man, Pasty, as the college boy and the circus girl, complete a very interesting bill.

The fireworks display booked for the park on Friday evening should be a great success, if preparation counts for anything.

The Majestic's headliner, "Temptation," a fantasy with music, is a story of an allegory, which tells of the millions of men lured to their doom through the power of the bill. For the last half of the week the Seven Honey Boys Minstrels will be featured. These Honey Boys were formerly with Geo. Evans Minstrels, and a great hit in store for them. They have good minstrel jokes and excellent singing. Surrounding this attraction are: Harry Holman and company, in a comedy sketch entitled "Adm. Kilroy"; a samoyon trapeze artist; Keute, Hughs and Keute, in a singing, talking and dancing act, and one other act.

Part number seven of "The Mysteries of Myra," featuring Jean Estabrook, and Howard Estabrook, and "Mysteries of Myra" today presented at the Victoria to-day. Kelly said is complete story in itself closely connected with the preceding one. The Victoria will also show another part of "The Girl and the Game," the great railroad story in which Helen Holmes is featured. Goldberg cartoon pictures have already made a big hit all over the country. See to-day's issue. For to-morrow and Friday night will be offered "God's Country and the Woman," a production in eight parts.

In offering Bertha Kalich in her first great motion picture drama, William Fox feels confident of the unusual merit of the star, an opinion on which agree America's leading critics. Country-wide comments favor this great artist, who by hard work and genius has risen to the foremost ranks among stage folk. Mme. Kalich is appearing at the Colonial to-day and to-morrow. Her picture, which recently has been released to public view. A picture, it is said, every woman should see. It is a powerful story of a wife, friend, and mother. The story of a wife, friend, and mother of a false friend, is parted from everything she holds dear, and loses her husband with a strong moral. Friday and Saturday afternoon will be shown in a new production of the Northwest, called "The Primal Lure."

COAL AT LAST WINTER'S PRICES Kelley is still filling bins at last winter's prices. Those who delay will pay more, for coal prices will advance including pea coal.

Kelley's yard is stored with the best grades of fuel mined in Pennsylvania.
