Sunday School Convention Postponed Until September

H. B. Saussaman, chairman of the committee having in charge the arrangements for this year's convention of Sunday schools in Dauphin county announces the postponement of the yearly gathering of Sunday school workers to September 14-15.

As originally planned, the 1916 convention was to be held in Harrisburg June 22-23, but the committee is preparing a program in keeping with the centennial celebration of Sunday school work in the county and believe September to be a better month for carrying out their plans.

According to records in the hands of the committee, the first Sunday school in Dauphin county was organized in August, 1816, in a building which then stood on the lot now numbered 13 South Market Square.

HOOSIER Gold Medal Sale

Come and see what thousands of people saw at the great San Francisco Fair last year, what dozens of women saw here before at our store. Learn why so many folks you know have paid us \$1 and ordered the Hoosier delivered to their homes. These neighbors will have many hours to spare when most women still are plodding 'round their kitchens preparing meals or putting away supplies and tidying up. Hoosier has places for 400 articles all handily arranged at your fingers' ends. But don't think it is merely a "shelf-room" cabinet. The Hoosier is really an "automatic servant." It has 40 features that aid you in cooking and save you time and labor.

Its perfect construction surpasses all other cabinets made:

- 1—Hoosier's Shaker Flour Sifter makes flour fluffy and light. Works faster than rotary sifter. Avoids grit or broken wire. Can't wear out.
- 2—Hoosier's Revolving Spice Castor puts the spices you need at your finger tips. No danger of knocking over any or spilling them.
- 3—Hoosier's Double-Acting Sugar Bin is the only sugar bin from which sugar can be taken with equal ease from top or bottom; has three times the capacity of most bins.
- 4—Hoosiers are made with Hinge doors or full view Roll doors above the base. The Hinge doors have remarkably convenient utensil trays. The Roll doors are open—no pockets or cubby-holes. The price has only 50c difference.

Remember, there are Hoosiers for farms, camps, apartments, big kitchens, little ones, for window spaces and the center of big kitchens. No further need for old-fashioned, built-in, uncleanable cupboards. If you think that you can't spare the time to come, then you confess that you need a Hoosier badly, because it will give you so many spare hours for a lifetime. Come see this Gold Medal demonstration to-morrow. Get our low prices and money-back offer. And please bring some friend with you.
