**Order Transcontinentals
Revise Rates From East**

Washington, June 27.—Holding that
war competition between the Atlan-
tic and Pacific coasts has been com-
pletely destroyed under war condi-
tion, the Interstate Commerce Com-
mission today ordered transcontinen-
tal railroads to revise their rates from
the East to the Pacific coast by Sep-
tember 1, so that they shall not be
lower than rates to intermediate
points.

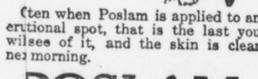

The order was a result of the investi-
gation of existing rates on applica-
tion of the Nevada Railroad Commis-
sion. The Spokane Merchants' Associa-
tion and representatives of various inter-
mediate cities.

The commission found that the need
for lower rates to meet water com-
petition has completely disappeared for
the time being and that "there is lit-
tle likelihood of any material com-
petition by water during the present
year."

The commission's revision order ap-
plies to a long list of commodities in
wheat, fruit including iron and
steel articles from Pittsburgh, and
canned goods, coffee, meats, cotton
and wool products, dry goods, hard-
ware, shoes, twine, paper, oil, etc.,
from the east generally. It includes
certain rates from California points
via rail and water routes through Gulf
port to the Atlantic seaboard.

**'GLORIOUS FOURTH,
SAFE AND SANE'**

State Fire Marshal's Office
Issues Warning to Those
Who Celebrate

Under the cap-
tain "The Glorious
Fourth, Make It
Safe and Sane," the
State Fire Mar-
shall's office has is-
sued a bulletin
warning against
careless celebra-
tions.

"House holders
should be on guard
by being prepared for emergencies.
Keep buckets filled with water and
place them handy for immediate use,
or better still, provide fire extinguish-
ers for not alone this occasion, but for
other occasions that might arise."

"Members of Fire Companies are
interested and should lend their aid
for a safe and sane Fourth of July.
Usually this is one of the busiest days
of the year and is seldom passed with-
out injury or death occurring to some
member. Be safe. Be sane. And ad-
vice and help others to be. Have
merriment and plenty of it, but avoid
mourning by avoidance of carelessness."

"Remember that it is better to plan
for the saving of life and property be-
fore loss occurs than afterwards; as
then it is too late and regrets will fol-
low that may last life time, mar-
ring the pleasure that life should give."

Elect Road Officers.—R. L. Munce,
of Canonsburg, was elected president
of the State-wide Good Roads Associa-
tion organized here yesterday. Other
officers elected were: Secretary, A. A.
Porman, Waynesburg; and treasurer,
W. H. H. Davis, of West Chester. The
president was authorized to appoint a
committee of 25 to perfect the organiza-
tion, also a separate committee on
constitution and by-laws.

Will Hold Hearing.—E. K. Saylor,
workmen's compensation referee for
this district, will hold a hearing at the
Masonic Temple building, Wednesday
and another at the Central Hotel,
Hummelstown, Friday, June 30. The
hearing in Harrisburg will be on the
case of Alex. Gomez, of 721 South
Third street, Steelton, who claims com-
pensation for the loss of the little
finger of his right hand by an accident
while employed as a laborer in the
plant of the Pennsylvania Steel Com-
pany at Steelton. The hearing at
Hummelstown will be on the claim for
compensation filed by Irvin N. Bom-
gardner of this place, against the
Philadelphia and Reading Railway
Company for a broker arm.

Dan Beard School.—Among other
charters approved by the Governor
and forwarded to the Secretary of the
Commonwealth this morning was one
granting the establishment of the Dan
Beard Outdoor School, in Lackawanna
township, Erie county, for the purpose
of founding and maintaining a school
for the education and instruction of
young people. Prominent New York,
Pittsburgh, St. Louis, Philadelphia and
Brooklyn men are backing the propo-
sition, which is incorporated at \$50,000,
and will have an attractive location on
the eastern shore of Lake Tudyung.

The pardons recommended last week
by the Board of Pardons have been
prepared and are now in the hands of
the Governor for action.

The appointment of the new State
Highway Commissioner is expected
some time during the present week.
It was said on good authority to-day.
Governor Brumbaugh left the city
for Mount Gretna with Secretary Ball
early this morning.

Dr. M. C. Lichter will deliver a
paper to-night at Pittsburgh before
the Western Pennsylvania Historical
Society and the Woman's Historical
Society of Western Pennsylvania on
"Woman and Her Relation to Ameri-
can History." Dr. Lichter is chief
clerk in the Department of Agricul-
ture.

Dr. C. J. Marshall, State Veteri-
narian, went to Pittsburgh to-day,
where to-night he will address the
Western Pennsylvania Veterinarian
Club on "The Care and Usefulness of
Horses in War." Dr. Marshall will
tell of his visit to the French battle
front.

**ROOSEVELT AND
HUGHES TO MEET**

[Continued From First Page]

Mr. Hughes had presented also a sec-
ond choice in candidate, William Wil-
cox, not acceptable to the committee. The
identity of this man could not be
learned. The committee's session this
forenoon was informal. The members
were expected to meet in formal ses-
sion at 2 o'clock this afternoon.

These Two—No More
Only the candidate and Colonel
Roosevelt, it was stated, will be pre-
sent at the dinner which will be held
in Mr. Hughes' apartment.

While Mr. Hughes was receiving
callers to-day the national committee's
subcommittee which will direct the or-
ganization of the new national com-
mittee and its executive committee
was meeting.

On behalf of the Republican Club
of California, the Hon. J. W. Wilcox,
California, invited Mr. Hughes to visit
San Diego during the campaign. It was
suggested that the Presidential spech-
making tour be put under way in
California. On Monday, Mr. Hughes
early in September, Mr. Hughes later
making addresses in the Middle West
and the East.

It was confidently expected at Mr.
Hughes' breakfast that the commit-
tee held its formal meeting, that
Mr. Wilcox would be accepted.

a corps of assistants will assist in
the distribution.

The Harrisburg chapter is already
preparing to take over the work of
caring for soldiers' families during
their absence. A systematic canvass
of the city is being made and a full
list of all such families will be for-
mulated. An endeavor will be made to
look after all such in an adequate
manner. The Chamber of Commerce
and the Rotary Club will be asked to
co-operate.

Another effort of the chapter will
be to send to every Harrisburg sol-
dier two abdominal bands, found so
effective in Philippine service, a bottle
of Jamaica ginger, a personal letter
containing health hints and a box of
sodium bicarbonate for insect bites
and indigestion.

Orpet Charged With Murder of
His Sweetheart, Tells of
Love Affair

Waukegan, Ills., June 27.—Will H.
Orpet, charged with the murder of
Marion Lambert, resumed the witness
stand to-day.

Attorney Ralph F. Potter, of the de-
fense, asked about the water and mol-
lasses which Orpet sent to Marion "to
relieve her mind." One of these bot-
tles he sent to her the other he
brought to her on February 9th, the
day of her death.

"I bought the bottle, of six ounce
size of Otto Peterson and filled it two
thirds full in my room," he said. He
testified yesterday that Marion when
he met her in Herm's wood refused to
accept it saying "that will not do me
any good."

Every ear was strained as Attorney
Potter asked:
"What were your relations with
Celestia Youker?"
"There was a tacit understanding
between us. I had known her six
years."
"You were engaged?"
"No, there was an understanding.
No date was set for the marriage, I
had not ever formally asked her to
marry me."
"Did you tell Mr. Dady or anyone
else that you saw Marion take
poison?"
"No."

**EMERGENCY ORDER
HOLDS TRAINMEN**

Must Be Ready For Duty;
Crews Await Call at Penn-
sylvania Railroad Station

Until all soldiers have been moved
from Mt. Gretna to the Mexican border,
passenger trainmen on the Philadelphia
and Middle divisions of the Pennsylv-
ania railroad will be under orders to re-
main at home for emergency service.
Instructions were issued yesterday by
passenger trainmasters that crews re-
main close to home.

All extra men have been pressed into
regular service and from six to ten
crews will be at the Pennsylvania rail-
road station day and night, ready for
duty. About roundhouse No. 1 there
is also considerable activity. Every
available passenger engine is being put
in readiness for service. Three yard
engines have been sent to Mt. Gretna to
assist in shifting and helping the big
trains up grade to Conewago. Pas-
senger engineers and firemen will be
under the same orders as trainmen.

NO GUARD RECRUITING HERE

Harrisburgers who want to join the
local companies of the National Guard
of Pennsylvania will have to go to Mt.
Gretna, as none of the officers are
stationed in the city since the recruit-
ment were taken to camp yesterday
morning. It is believed that there will
be openings for several more men since
some of the privates have refused to
take part in the service in the Fed-
eral army. At the local United States
Recruiting station several more men
applied to-day for service in the
regular army and were examined.
Yesterday fifteen applicants were
examined.

TAKEN ILL AT CAMP

Harry Corlke, 410 South River
street, a private in Company I, Eighth
Regiment, became ill at Mt. Gretna
to-day, and was hurried to the
Harrisburg Hospital in a semiconscious
condition.

**Colorado Is Great
For the Children**

Turn the children loose in Colorado
and watch them romp and play and get
a healthy tan. Best of all, watch them
eat—for that's one of the many good
things that Colorado does—it develops
the appetite.

You are literally care-free out there.
If you want to go on a long "hike," you
go; if you want to ride horseback, you
ride; or if you prefer to just out-and-
out "loaf," why there's no one to stop
you from drinking in all the sky-
line resorts, and you can't get into
Colorado; and with all this you are go-
ing to do some real sleeping—the kind
that makes you start the new day
right, and sends you back from Colo-
rado feeling fit for any task—feeling as
you haven't felt for years—and no won-
der, you've had Nature's very own tonic.

The best part of it all is that it is so
inexpensive to live out there. I have all
the information about the country in
my "face" and it is at your disposal
without charge. If you can drop in we
will talk it over, or if you write a pos-
tal card I will send you a mighty interest-
ing folder on Colorado, with maps and pic-
tures, and full details about the new
low-price excursion tickets.
