## REAL ESTATE BARNETT STILL WRITING BRIEF

Supplemental Paper in "Hard-scrabble" Condemnation Mat-tes Is Being Prepared

The "supplemental brief" in the Hard-scrabble condemnation case, the only paper yet to be filed in this improvement proceeding, is still in course of preparation, according to Attorney George R. Barnett who is writing it. He surely expects to file, he said today, but he will do so in his own way and in his own good time. The presentation of that supplemental brief, by the way, is being eagerly awaited by members of the bar; they're looking forward to new data and are measuring its possibilities by the lengthy consideration Mr. Barnett is evidently giving the matter, they say. Furthermore many lawyers are still entertaining the hope that their fellow-worker will file his brief before the Dauphin court rises for the summer vacation. The question as to whether he might submit the papers before the judges leave the city for their summer homes was put up to Mr. Barnett yesterday. "I'll do this in my own way and in my own good time," he replied.

## SANE FOURTH IS GOVERNOR'S PLEA

[Continued From First Page]

Commonwealth. Their suggestion meets with my hearty approval. "It is fitting that the people of Pennsylvania should be foremost in the movement to make this patriotic day memorable for peaceful demonstrations and healthful recreation, and not for the sorrow and suffering occasioned by accident and death. In Philadelphia the day was first duly observed with patriotic demonstrations. "I ask all teachers, all ministers, all patriotic bodies, all parents to stress the sane and safe observance of the day. I ask all civil magistrates rigidly to enforce the laws relating to the sale of explosives. "Our children are our greatest asset. Let us conserve their lives and advance their happiness and well-being by barring from them dangerous explosives. This should not be done in a negative way but by substituting for such unsafe and foolish observance a program of healthful, happy out-of-doors recreation. "Let the people of the Commonwealth, having in mind the sacred and patriotic character of the day, betake themselves as families, as communities, to the nearby recreation places and in the solemn gladness of a great anniversary give the time to such activities and exercises as will worthily commemorate the day and most effectively inculcate the spirit of true Americanism. "There are great historic places in Pennsylvania where the people of an environment more inspiring. Resort to these places and rekindle on the heart-altars of youth the sacred flame that swept the American colonies in '76. "Above all, in this crisis year, invite attention to our soldiers in camp or on the border and devoutly pray that they may under God do their full duty and, if possible, by an effective preparedness, grant to us permanent peace and abounding prosperity. "M. G. BRUMBAUGH."

## Street Car Men Organize Branch of National Union

More than 250 men employed in all branches of the electric and street railway service last night completed permanent organization of the local division of the Amalgamated Association of Street and Electric Railway Employees of America. Two sessions were held and a number of new members have been added. Addresses were made by John J. Thorp, first vice-president of the Amalgamated association, and by James H. Maurer and Charles F. Quinn, of the Pennsylvania Federation of Labor. Another meeting of the division will be held in the near future when the men will be asked to bring their wives, mothers and sisters to the session. The strike situation in Wilkes-Barre was discussed at length last night by the speakers and men after the organization was completed.

## 5,000 LUTHERANS ATTEND REUNION AT RESERVOIR; ORPHANS' BAND PLAYS

At least 5,000 people attended the annual Lutheran reunion at Reservoir Park to-day, and representatives from practically every church in the city and vicinity were present. The program this afternoon included a concert by the Loyvsville Orphans' band, the boys arriving this morning at 10 o'clock in the school auto truck. This evening the program opens at 8 o'clock with the Rev. Henry W. A. Hanson, pastor of the Messiah Lutheran Church, presiding. The Rev. W. H. Feldman, of York, will make the address, the exercises closing with another concert by the band. The boys serenaded the Telegraph at noon, and also played in other parts of the downtown district. Charles Wedde, superintendent of the home, came here with thirty-one boys. Carson Worley, has charge of the band daily, and C. E. Stouffer, formerly with the Carlisle Indian School, will have charge of the band during the evening concert.

## PIMPLES COVERED FACE AND NECK

Formed Scales. Were Very Sore and Itchy. Hard and Red. Very Much Disfigured. In One Month

## HEALED BY CUTICURA SOAP AND OINTMENT

"My face and neck were covered with pimples, being bothered for years, but exposure to cold weather and using cheap soap made them much worse, so much so they formed scales which were very sore and itchy and caused a lot of embarrassment. The pimples were rather small, hard and red and would fester and come to a head, but would not heal. My face was very much disfigured for the time being. "I heard of Cuticura Soap and Ointment. I began using them and in one month my face was free from any disfigurement. I was healed." (Signed) F. E. Johns, 542 6th St., Pitscairn, Pa., July 15, 1915.

## Small Girls on Playgrounds Suffer From the Great War

Europe's war clouds have in a way, cast their shadow across Harrisburg's playgrounds; the supply of natural raffia—the straw-like material that is used by the girls' classes in basketry, etc.—has been shut off from Germany and given British warships. Consequently when the classes organize this week they will have to use the manufactured makeshift that is composed of thin wire wrapped with paper-mache. The "make-believe" raffia, however, is in brilliant colors, including the natural color, purple, dark brown, black, dark orange, red and green. The supply will be distributed at the instructors' conference Saturday and the shortage will make it necessary to limit the classes to twenty girls in each playground. Announcement to this effect was made to-day by Supervisory J. K. Staples. Plans for the opening of the summer camp on McCormick's island will be completed this week and next Thursday the children of Emerald, Maclay and Hamilton grounds will take the first week. Boas and Reservoir will follow. Within the next few

## days the water supply at the camp will be tested.

Announcement was made today, too, that the nation-wide "preparedness" idea has been applied to the camp. Two 5-foot bows and a dozen arrows for the archery contests were purchased.

## COST \$7000 TO DISCOVER AMERICA

The discovery of America cost a little more than seven thousand dollars; at least so say some documents that have just been found in the archives of Genoa. These documents give the value of Columbus' fleet as three thousand dollars. The great admiral was paid a salary of three hundred dollars a year, the two captains who accompanied him received a salary of two hundred dollars each, and the members of the crews were paid at the rate of two dollars and fifty cents a month each.—The American Boy.

## SEARCH MAN WHO SHOT GIRL

The search for Elmer Deavens, Fishing Creek, who shot his sweetheart, Miss Violet Maugans, of Fenbrook, eight times on Tuesday night, is being continued to-day by city and county authorities. Miss Maugans is in the Harrisburg Hospital and is expected to recover.

## Man Acts as Bridesmaid at Wedding of Elopers

Special to the Telegraph  
 Scranton, Pa., June 29.—When Miss Elva E. Sarley, of Berwick, and Arthur H. Knorr, of Bloomsburg, eloped to this city yesterday they were keenly disappointed when informed that the young woman they had selected to be bridesmaid was unable to be present. Thomas A. Reilly, a local businessman, came to the rescue with Walter Burke, a young broker, who took the bridesmaid's place. Mr. Burke and Mr. Reilly acted as attendants when the knot was tied by the Rev. R. P. Kreitzer in St. Luke's Church.

## SIDEWALK FAULTY; SUES TOWN

Nancy Miller Begins Action In Tresspass Against Steelton for Sprained Ankle  
 Steelton didn't keep at least one pavement in proper repair according to Mrs. Nancy Miller who filed suit in tresspass to-day against the town authorities. No statement has been filed nor is the amount of damages claimed set forth but it is understood that the plaintiff while promenading in the steel town slipped on a sidewalk that was not kept in proper condition and that she sprained her ankle so severely that lengthy medical attendance was necessary.

## UNAFFECTED AS LEGISLATOR

Berlin, June 29, via London.—Dr. Karl Liebknecht's conviction, which provides for an appeal, automatically disbars him as a lawyer and makes him ineligible to hold public office. It does not, however, affect his position as a member of the Prussian diet and the reichstag, since the offices are held as a result of election by the voters.

## ATTORNEY LOSES VALUABLES
