

EIGHTH REGIMENT N. G. P. HOLDS SOCIAL AT MOUNT GRETTA

CROOKSTON IS FOR SANITATION

Indiscriminate Eating and Drinking Not Permitted at Camp Brumbaugh

[From a Staff Correspondent] Camp Brumbaugh, Mt. Gretna, Pa., July 1.—If there is one thing which the Pennsylvania Guardsmen are learning it is sanitation.

CAMP LIFE IS DOING MEN GOOD

Rigors of Mobilization Life Fitting Pennsylvania Soldiers For Border

[From a Staff Correspondent] Camp Brumbaugh, Mt. Gretna, Pa., July 1.—Every day that goes by with the Pennsylvania Guardsmen still in camp is a gain for them.

CLEMENT AND KEMPER AGREE

Working in Perfect Harmony; Wood Approves of Requirements

Mt. Gretna, June 30.—Major-General Leonard Wood, commander of the Department of the East to-day called upon Captain J. B. Kemper, U. S. A., senior mustering officer at this camp for an explanation of published reports regarding friction in the medical examinations of the guardsmen for federal service.

EIGHTH OFFICERS AT RECEPTION

Colonel Finney Entertains; Band Concert and Singing by Men

[From a Staff Correspondent] Camp Brumbaugh, Mt. Gretna, Pa., July 1.—The Eighth regiment officers gave their first social affair last night when Colonel Finney gave a reception which was attended by officers of other regiments and attracted much attention.

Lebanon Boy Is Wounded on Belgian Battlefield

Lebanon, Pa., July 1.—A. Dale Smith, president of the Cornwall and Lebanon Railroad company, this city, who is serving with a Canadian regiment on the Belgian front, has been slightly wounded in the head by shrapnel, according to a cablegram received by his father.

Smith has been in active service for the last ten months, and this is the first time he has been wounded. During that time the number of Americans in his section has been reduced twenty, and he is one of six survivors out of sixty men comprising the original enrollment of his company.

PAJICISTS NOT AUTHORIZED Mexico City, July 1.—The Foreign Office issued a statement early to-day that various individuals who are now in the United States as members of so-called peace commissions, have no authority or right to speak or act for the Mexican Government.

President Opposes Conflict With Mexico Unless Forced

New York, July 1.—President Wilson in his speech before the New York Press Club last night indicated plainly that he is opposed to war with Mexico unless it is absolutely necessary. At the beginning of his address he launched directly into a discussion of the Mexican situation, telling of the hundreds of letters he is receiving receiving every day imploring him to avert hostilities except as a last resource.

"I am for the time being the servant of such people," he declared. President Wilson said he had received many letters from property owners in Mexico, but that there had been many others from persons whose names never would be known, saying to him:

"For God's sake, don't start war with Mexico unless it is absolutely necessary. Do you think the glory of the United States would be enhanced by a war of conquest in Mexico?" he asked his fellow guests, and paused as if awaiting a response.

The question he propounded solemnly was greeted with a loud chorus of "noes."

Tax on Incomes Will Be Doubled by Revenue Plan

Washington, D. C., July 1.—To meet the \$300,000,000 of increased Federal expense, the corporation tax and the tax on incomes will be doubled. The profits of munitions manufacturers will be assessed and inheritances will be levied upon, according to the plans of administration leaders now nearing perfection.

THIRD REGIMENT TO START SOON

[Continued From First Page] Transfers began in the Fourth Brigade. Rigid inspection of cars for movement of troops is under way and a number furnished are said to have been rejected and new ones ordered in their places. Last night some were changed because they did not meet requirements.

Alive With Squads When the camp day began to-day the regimental commanders ordered out squads for drills and the camp and surrounding country was alive with men on practice marches, undergoing instructions and being taught formations. Many miles will be covered by the guardsmen in hikes before the sun sets.

Present prospects are that the Third Infantry will leave here about 5 p. m. going by way of Harrisburg. The next organization to go has not been designated.

General Clement to-day visited various organizations, inquiring into their condition and the progress of instruction. Work will go on in camp on Sunday and the Fourth of July just as on other days, military necessity requiring that this be done.

Members of the Pittsburgh City Council came here to-day to visit the organizations from that city. Regiment a Day Orders have been issued for the First Brigade headquarters to move with the Third Infantry to-day and the Philadelphia will entrain as late as to start between 5 and 5:30 to-day. Medical examinations are being advanced in the Tenth Infantry and it will likely follow the Third within a day or so. It commences to look like a regiment a day being sent out.

The property transfer began in the Fourth Brigade to-day. This brigade, which is commanded by General C. T. O'Neil, of Allentown, showed 170 officers and 3,637 men and there are places for more men if they apply here. The Fourth Infantry reported 1,540 men to-day. Major Frank D. Beary, deputy adjutant-general, will go with his battalion in the Fourth. The men of this brigade are being drilled hard and will be given medical examination as soon as the Second Brigade is concluded.

Clement Examined Major-General Clement and members of the division staff were given the physical examination to-day, the same tests being prescribed as for other officers. The general was announced as having passed the examination, as did most of the staff.

Four Big Values Will Feature This Monday Sale of Millinery

SOUTTER'S 1c to 25c Department Store Where Every Day Is Bargain Day 215 Market St. Opp. Courthouse

Orders Suppression of News as to Guardsmen Washington, D. C., July 1.—Secretary Baker announced yesterday that orders have been sent to all department commanders to suppress all news concerning troop movements. The War Department order follows: "In view of the fact that general knowledge of troop movements en route to the Texas border or in Texas might result in some malicious act that might seriously hamper these movements and also might result in unnecessary loss of life among troops, it is directed that all concerned be instructed to the effect that no information as to movements of troops is to be given to representatives of the press or any individuals other than the officials of the railroads concerned or the representatives of the American Railway Association located at the various department headquarters and mobilization and concentration points."

TO INITIATE CLASS OF FIFTEEN Dauphin Conclave, No. 96, Improved Order of Heptasophs, will initiate a class of fifteen candidates at a meeting in the hall, 321 Market street, Monday evening. All these new members were signed by A. A. Garman during the past month. GASTON MASPERO DIES Paris, July 1.—Gaston Maspero, one of the best known Egyptologists in Europe, died suddenly yesterday.

General Clement told the people who complained about soldiers drinking last Saturday and Monday that they should not sell to soldiers. The people about here seem to understand. A certain amount of drinking is bound to go on outside of camp where 12,000 to 13,000 men are encamped, but it is at the minimum and inside there is nothing doing.

The camp does not have a provost marshal. There are guards at train stations to keep men from running away, although no reports of any one trying to break the bounds for good have come in. There are men patrolling lines of camps, but they are chiefly busy with civilians. The men here want to go to Mexico and are afraid that they will be left behind. Hence, they are on good behavior, to be perfectly frank about it.

Instruction in sanitation and to have confidence in the officers and the doctors are being taught the men just as they are being taught to drill, to march and to behave themselves. This camp is composed of bright, keen young American citizens and there are many experienced officers and they realize now that taking care of themselves is of as much importance as learning how to handle their fighting arms. Consequently dirt, old paper and refuse does not stay much longer than a pool of stagnant water. Light, air and cleanliness with a capital C are impressed upon the men with as much force as the great rule of obedience.

The men are encouraged to go to the bath when they get a chance. Long lines of them attired in rubber ponchos for both robes can be seen going to take their dips and fellows who used to shiver at the thought of cold water in the morning ten days ago are now eager for the time when they can get into the water. Sanitation is a part of the army decalogue and the Guardsmen are learning it by heart.

Trouble in Mexico Is Discounted by Business

"War with Mexico, deplorable though it would be, has no very alarming aspects for the United States," according to the monthly bulletin of the National City Bank of New York for July. Business has undergone little change, the bank says, and foreign trade is as prosperous as it can well be. The labor situation is reported as favorable, save for the issues raised between the railroads and the brotherhoods. The offer of the railroads, the bulletin says, to submit the case to the Interstate Commerce Commission makes a strong appeal to the public. "The right to combine and to use the power of combinations is always subject to public authority," the bulletin observes, in commenting upon the possibility of the strikers forcing a strike because they have the power to do so. A strong plea for arbitration is then made.

New York Guardsmen Pass Through San Antonio

San Antonio, Texas, July 1.—The movement of national guardsmen to the border is being conducted more efficiently than ever before, according to army officers at headquarters here to-day.

The transportation of troops has been in the entire charge of the American Railways Association and routes have been chosen so that the troops not only were forwarded quickly to their stations, but also in such a manner that ordinary train schedules have not been interrupted. The traffic has been so evenly distributed among the roads that all have had a share in the business.

A portion of the New York guardsmen, including the Seventh Regiment, passed through San Antonio last night. The First Illinois Regiment, which arrived here last night, will be followed to-day by the Second Regiment.

TO REPAIR BRIDGE Temporary repairs to the footwalk over the canal bridge at Maclay street will be made by the County Commissioners, until permanent improvements can be completed. This was decided upon following an inspection yesterday by the County Commissioners and City Commissioner W. H. Lynch.

WANTS NEW TRIAL Application for a new trial for Ida Spangler, a former member of the "V. S. Company, recently convicted of falling to make proper accounting of funds of the firm, was filed to-day with the Dauphin County court. The reasons will be argued on July 11.

DUNCANNON WOMAN IS NINETY YEARS OLD

MRS. MARY D. WINTER Duncannon, Pa., July 1.—Mrs. Mary Dill Winter, of Duncannon, celebrated her ninetieth birthday yesterday, June 28, at the home of her son, Thomas E. Winter, of High street.

Remove the "Tire-Tax" on Gasolene. EVERY time the Gasolene Tank, on your Car, is filled up—think of this:— If the Tank holds, say, 20 Gallons, and the price is 30 cents per Gallon, —reflect that FIVE of these Gallons are consumed, not by the MOTOR,—but by your FABRIC TIRES. Of the \$6.00 you pay for 20 Gallons, 25%—(or \$1.50)—is practically poured over your TIRES, instead of into your Tank.—WASTED! These Five Gallons of Gasolene constitute a sort of "TAX," levied by Circumstance, against the Man who does not live up to his Opportunities,—who fails to investigate Silvertown Cord Tire records. If he did investigate these Records,—and Test out Results for himself,—he could verify the following Facts, and PROFIT by them:—

Silvertown—GOODRICH Cord Tires. THE B. F. GOODRICH CO. Akron, Ohio. GOODRICH TIRES FOR SALE BY HARRISBURG TIRE REPAIR CO. 131 South Third Street HOWARD DE HART. The only equipment in the city for repairing Silvertown Cord Tires
