### PROGRESSIVES TO AID G. O. P. FIGHT

Hughes Gives Approval to Appointment of Six on Campaign Committee

New York, July 6.—After a series of conferences yesterday with William R. Willcox, the Republican National Chairman, Charles E. Hughes gave his approval to the plan to have six or more representatives of the Progressive party placed upon the Campaign Committee. Mr. Hughes, it is understood, wanted a committee which would make it possible to get behind him a united party and not a committee which would drive off any of the Progressives because of predominance among its membership of the men who had been Colonel Roosevelt's enemies. As the situation shapes up now the campaign committee and not the executive committee will appear as the

most important organization in the management of the campaign. The Crane steering committee will name the executive committee which will represent the Republican National committee. Under the rules of the national committee none but members of the national committee of the party may be selected as members of the executive committee.

**29 Committee Members**  
 The campaign committee will consist of from 15 to 29 members. Among the Progressives who are said to have the favor of Mr. Hughes are George W. Perkins, chairman of the executive committee of the Progressive Party; William Allen White, of Kansas; Herbert Knox Smith, of Connecticut; Chester Rowell, of California; James R. Garfield, of Ohio, and Everett Colby, of New Jersey.  
 Mr. Hughes found many visitors waiting to see him when he reached the city. He had luncheon with Dr. Jacob Gould Shurman, president of Cornell University. Frederick Hale, candidate for the U. S. Senate in Maine, came here to urge Mr. Hughes to speak in that State before starting on his trip to the coast. It was stated that Mr. Hughes and Mr. Willcox were in agreement as to the advisability of the coast trip beginning the second week of August, and that details were now being worked out.  
 Other visitors were Frank H. Munsey, Owen Johnson, the writer, who sails for France next Friday, and came to have a last word with the nominee; Armand Romain, national committeeman from Louisiana, who expressed the conviction that Mr. Hughes would carry that State; ex-Judge Edward Kent, of the Supreme Court of Arizona, a Roosevelt nominee for Governor of New York.  
 It was said at the Hughes' suite in the Hotel Astor that national headquarters would be opened within a few days in another building.  
**POSTPONE INQUEST**  
 Coroner J. H. Deardorff last night postponed the inquest into the death of Richard Sweeney, aged 9, son of Mr. and Mrs. John E. Sweeney, of Camp Hill, who was killed Tuesday afternoon by an auto truck. The inquest will be held next week. Coroner Deardorff is gathering evidence to present at the time.

### BANQUET ENDS P. O. CONVENTION

Leaders in Post World Address Clerks; Meet in Pittsburgh in 1917

George W. Warden, of the Harrisburg Letter Carriers' Association.  
 All of the addresses were friendly talks to the men. Letters of regret were read from department officials, United States Senators Penrose and Oliver, Congressman Kreider and Colin M. Schiph, postmaster of St. Louis and president of the National Association of Postmasters.  
 Regret was expressed because for the first time in many years Frank T. Rogers, of Chicago, president of the National Association of Post Office Clerks was unable to attend the banquet because of important business affairs which detained him at Washington.  
 American flags were used in the decorations and pink and white carnations were given as favors. Popular songs were sung during the evening and after the banquet the delegates enjoyed games of pool and on the bowling alleys.  
 Among the guests were Post Office Inspector H. E. Lucas and Mrs. Lucas, Mrs. Frank C. Sites and E. L. Whitson, superintendent of mails at Lancaster.  
**FIRE COMPANY MEETS**  
 The Riverside Fire Company will meet in Rhoades' Hall this evening to transact important business.

### Democrats Name Woolley Their Publicity Manager

New York, July 6.—Announcement was made at the headquarters of the Democratic national committee that Robert W. Woolley, director of the mint, has been selected as publicity manager of the Democratic campaign.

Mr. Woolley had charge of publicity matters four years ago. It was said Mr. Woolley would resign from his official position.  
**A CORONATION THAT NEVER CAME OFF**  
 The preparations for the Coronation of Yuan Shih Kai as Emperor of China—which never came off—were not only extensive but expensive. According to the Kuo Shi Pao, Mr. Chu Chi-chien, ex-Minister of Interior, has made a return showing that the painting of the various pailous in the capital cost over \$200,000. A tablet on the Chung Hua Men cost \$600. The characters on the old tablet were written by Wang-Shih-hsing, the late Governor of the Metropolitan District, who was shot on a charge of bribery. The handwriting of an official who has been executed by the government was considered inauspicious for the new

### HARRISBURG ASTONISHED BY SIMPLE MIXTURE

Harrisburg people are astonished at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler-I-ka. ONE SPOONFUL removes such surprising foul matter it relieves almost ANY CASE constipation, sour stomach or gas. Because Adler-I-ka acts on BOTH lower and upper bowels, a few doses often relieves or prevent appendicitis. A short treatment helps chronic stomach trouble. H. C. Kennedy, Druggist, 321 Market Street.
