JOHNSON WINNER OVER WASHBURN

Armstrong Wears Jap Wizard Down in Longwood Cup Tennis Series

Special to the Telegraph
Boston, August 1. — William M. Johnson, of San Francisco, the national lawn tennis champion, yesterday defeated Watson M. Washburn, of New York, in the upper half of the semifinals for the Longwood cup at the Longwood Cricket Club, 6-6, 6-4, 5-7, 6-4. In the lower half of the semifinals J. J. Armstrong, of Philadelphia, defeated I. Kumagai, of the Japanese champion, 6-3, 7-5, 7-5. Both matches were played in the hottest weather of the year and all the players except Washburn became thoroughly exhausted.

Washburn played a splendid back-court game and his deep drives to the far corners had the national champion on the run. At the net the Californian was able to utilize his deadly overhead smashes, and it was the opinion of the experts that his hitting was even harder than that of former champion McLaughlin.

Downtown Stores Will Be Dark Saturday Night

Market street will be dark Saturday evening. With most of the downtown stores closing at 1 o'clock, and the consequent darkness of these stores Saturday evening, Harrisburg's main business section will present little of its customary Saturday night activity. But just as great as the transformation Saturday evening will be that of Friday evening when these same stores will be open, with exteriors and interiors ablaze with light.

Eighty-eight business places are now linked together in the early Saturday closing movement, the Fackler Estate, Singer Sewing Machine Company and Wallis Coal Company, having joined in the plan since yesterday. Merchants and employees are looking forward with much interest to the result of this movement; as the continuation of the plan next summer will depend largely upon the manner in which the public co-operate by arranging to do their week-end shopping Friday afternoon and evening and Saturday morning, which heretofore they have been accustomed to do on Saturday and Saturday evenings.

DELIGHTFUL WEATHER TO CONTINUE, IS FORECAST

Following a heavy thunderstorm which occurred between 8 and 9 o'clock last night, the high bank of cool atmosphere from the Missouri valley moved in and knocked the stuffings out of the heat wave. Furthermore, the cool wave that came as a life saver from the West will be with us for at least two days. There were no signs on the weather map today indicating that anything like a heat wave was near enough to reach this vicinity before Saturday.

WALLACE GOES TO BROWNS

St. Louis, August 1. — R. J. ("Bobby") Wallace, former American League umpire, yesterday signed to play the remainder of this season with the St. Louis Americans. For several years Wallace was star shortstop for the Browns, but two seasons ago joined the American League staff of umpires. It is thought that Wallace will play third base.

Let them come out into the open,

answered the Zoologist. Dr. Surface appealed to the secretary of agriculture about seven years ago when he was "on the sliding board" and succeeded in leading off dismissal. He was attacked by three governors and in one case Samuel W. Pennypacker made men who had criticised the Zoologist walk clear over to Camp Hill to see if some things were true.

To-day was the date set for Dr. Surface to resign or be dismissed. The Commission of Agriculture, which ordered the resignation, met here last night but instead of officially decapitating the scientist, gave him a hearing and for an hour discussed the situation with him. Dr. Surface says it was a "real brotherly talk."

This was all done behind closed doors and then it was announced that the office would be declared vacant on August 15. No reasons were assigned. Chairman H. V. White did not make public his promised statement. Dr. Surface said he did not get any reasons why he should resign and no one would say anything. Dr. Surface fort to-day as he did before and the commissioners are in a position which is diverting Capitol Hill exceedingly.

It is said that some of the commissioners, who are not as experienced in political matters as Dr. Surface, were to-day trying to get in touch with Governor Brumbaugh as to what move he would make. The Zoologist got to the Governor last week with a letter and received a reply in kind terms, but not holding much comfort. However, he was able to stop the commission last night and the members talk "they want to be sure where they are going next."

The plan is said to be to name J. G. Saunders, the Wisconsin scientist, for Dr. Surface's \$4,000 place and to have him take charge August 15, if

TWO FROM UTICA ALL IN ONE DAY

Local Pitchers and Fielders Too Fast for McConnell's Tribe

The Islanders landed on Utica yesterday for two victories. Both games were won on timely hits, sensational fielding, and good pitching by local twirlers. Utica was outclassed in each contest.

In the first game Burns opposed Ring on the firing line. The Utes had but four safeties. Two were annexed in the second inning when Burns passed one man, and with a sacrifice scoring was easy. Harrisburg hit Ring hard in the first and kept it up in the second. Ring got ugly and tried to hit several local hitters on the head with the ball. The umpire simply smiled.

Whitewash For Utes

It was a whitewash victory for Harrisburg in the second. Vola kept up the good work and let the Utes down by four bingles while Harrisburg annexed 10 off Karp and made them count in four out of six innings. In both contests the locals figured in fast plays. The scores:

SURFACE APPEALS TO THE GOVERNOR

Sheriff to Sell Barons; Bankruptcy Efforts Fail

Special to the Telegraph
Wilkes-Barre, Aug. 31. — The decision of Judge Witmer of the United States District Court, at Sunbury yesterday, in refusing to permit Manager Peter Noonan, of the Wilkes-Barre club, to permit the club to go into bankruptcy means that Sheriff George Bush will sell the club at a sheriff's sale to-day. Fred and Carl Stegmaler are ready to bid the club in, pay all debts and protect the minority stockholders. Mike Donlin, formerly with the Giants, is here and it is expected that he will be manager of the team after to-morrow. Noonan tried to go into bankruptcy to prevent the sale and later sought to negotiate a compromise, but his demand for \$2,000 and the right to sell any one player was refused.

The parade will be led by the Commonwealth band.

Deaths and Funerals

Mrs. Catherine Ream, aged 86, died at her home, 1312 Susquehanna street, early this morning. She is survived by her husband, George W. Ream, four daughters, Mary, Esther, Ethel and Helen, and one son, George, and a sister, Mrs. Sarah Gutheil, of this city. Burial will be made in the East Harrisburg Cemetery Friday afternoon at 2 o'clock, with the Rev. W. W. Hartman, pastor of Ridge Avenue Methodist Church, officiating.

MRS. SAMUEL SHEARER

Funeral services for Mrs. Samuel Shearer, formerly Miss Kate Rodgers, of this city, who died at the home of her niece, Mrs. William Weidner, Reading, Sunday afternoon, will be held to-morrow afternoon at 12 o'clock in the Zion Lutheran Church. Burial will be made in the Harrisburg Cemetery.

LANCASTER PLAYERS SKIP

Lancaster, August 1. — Catcher Reeves and Outfielder Brech, who were members of the defunct Penn League and remained in Lancaster to play on local teams, have jumped the Lancaster team of the County League. Manager Ruth yesterday received cards from the jumpers, saying they have gone for good and have taken uniforms and sweaters.

APPOINTED SERGEANT

Among the recent appointments made at the Plattsburgh Military Training camp, is that of E. J. Stackpole, Jr., of this city, to sergeant in Company C, Sixth Regiment.

SYRACUSE STARS START NEW SERIES

Open Island Park Today; Big Booster Parade is Tonight's Baseball Program

With Mike O'Neill, a former Harrisburg player as their leader, the Syracuse Stars made their first appearance in Harrisburg to-day, opening a four-game series at Island Park this afternoon. Syracuse is at present runners up for pennant honors. One week ago the Stars won a sixteen-inning game from Harrisburg.

Ehmke, the star twirler who fanned eighteen local batsmen, and who has been purchased by Detroit, is here with the team and it was expected to pitch the opening game to-day. A double-header will be played to-morrow, and the final game in the series will be Thursday's attraction.

The State Highway Department team walked all over the Auditor General's Department nine last evening, winning a five-inning game, score, 20 to 2. New allowed but two hits, while Lindsay was batted all over the field.

The trout season for 1916 closed at midnight last night. It has been an indifferent season, according to local anglers. Rains caused muddy streams and high water, and while big catches

WELLY'S CORNER

The attendance at yesterday's games was better than on any previous Monday. Fans are going better and they are boosting the game hard. There is no denying the fact that the clamor for baseball like that of the International League last season is a thing of the past. The game played by Harrisburg is better than that of any team in the Barrow organization, and then some more.

Rosewood, one of the best amateur teams in Central Pennsylvania, is making rapid strides these days. Last night this aggregation defeated Stanley in the Allison Hill League series; score, 2 to 1. It was a pitchers' battle. The victors came through on one hit. Errors helped. However, in fast fielding the Rosewoods are setting a pace for many other teams.

The Clerks and Smith Shop played a no-score game. It was a part of the Lucknow Shop League series and exciting battle. Garverick pitched for the Clerks and did not allow a hit. He is still in the game and is showing old-time form.

In the Globe Right Posture League series last evening the Grays trimmed the Rosewoods, score, 2. Snyder pitched a good game, receiving excellent support.

The State Highway Department team walked all over the Auditor General's Department nine last evening, winning a five-inning game, score, 20 to 2. New allowed but two hits, while Lindsay was batted all over the field.

The trout season for 1916 closed at midnight last night. It has been an indifferent season, according to local anglers. Rains caused muddy streams and high water, and while big catches

The man from Wilkes-Barre who has been telling the world that the New York State League is shaky, in the opinion of one local fan must have a grudge at himself. The Harrisburger says: "There is always some writer ready to give to the world something that is not good for the baseball game. When President Farrell is ready to announce that he is ready to quit it is time to talk. The New York Tribune, like others, is not drawing the crowds. The season has not panned out as well financially. However, knowing the value of the franchise in the State League, any person who talks disabundment is sore at himself."

Syracuse put a crimp in Albany's stride yesterday, winning by a score of 7 to 1. If Harrisburg wins half of the games with the stars and Albany drops a few more, there will be something doing. Wilkes-Barre, who comes here the latter part of the week, won one game from Scranton and tied up in the second. Binghamton had an easy time winning from Elmira.

The Greater Harrisburg tennis tournament started to-day. Players lined up for the preliminaries at 9 o'clock this morning at Reservoir Park. Floyd Keener is court keeper. In order to assure success for these matches contributions will be necessary. Any offering will be a big help to the committee. The cups have arrived and are on exhibition at Robbins & Beck's store, South Fourth street. It is expected that the first scores will be completed by 2 o'clock this afternoon.

To-morrow and Thursday — "The Smugglers," featuring Donald Brian, will be the attraction.

"The Final Curtain" is the attraction at the Victoria to-day. Arthur Hoops and Alma Hanlon are featured.

"The Final Curtain" at the Victoria Today deals with a man's love for his ideal—in this instance an actress whom he had seen on the stage when she was a little girl and she an awkward youth. Judge by the Smell—Your Nose Knows

Ten different men—or ten different advertisements--will tell you that ten different tobaccos are the best on earth.

Your nose will tell you one tobacco is the best. And your nose knows.

Make this simple test. Rub some TUXEDO briskly between your palms until the heat and friction bring out the full aroma, and smell it. Test every other tobacco you can get hold of in the same way. Give them all a fair, square test.

Your nose will say, "Oh, what a difference." Your nose will tell you that TUXEDO is packed full of that delightful fragrance that must mean supreme flavor and mildness. Your nose will tell you that the other tobaccos don't meet the test—that they fall down hard.

Your pipe will back up what your nose says. TUXEDO is as good as it smells. That's saying a whole lot—but the proof is waiting for you.
