Man to Man

"You say your heart is acting up, and that you don't sleep well nights, and yet you don't believe coffee hurts you.

"There's a subtle, cumulative drug in coffee—about 2 1/2 grains to the average cup. A little to-day—a little to-morrow, and so it goes on, irritating the nerves, interfering with digestion and working changes that very often lead to ill health and discomfort.

"Hard to quit coffee, you say? Not if you have the pleasant, healthful, pure food-drink—

POSTUM

Made of whole wheat, roasted with a small amount of wholesome molasses, it contains only the goodness of the grain—no drug or harmful ingredient—no coffee troubles.

Postum comes in two forms. The original Postum Cereal, which has to be boiled; and Instant Postum—soluble—made in the cup with hot water, instantly.

A delicious, economical, healthful table beverage—

"There's a Reason" for POSTUM
