"Good, Isn't It, Grandpa?"

"Yes, Sonny, Postum is good, and much better for you than coffee—you'll know why, sometime. In fact, children should never drink coffee or tea—and most grown-ups would be better off without either."

"In coffee and tea there's a drug that is harmful, especially for children, and it often causes troublesome conditions in older folks."

POSTUM

There's a delightful flavor in Postum—the pure food-drink for those who want to be healthy and happy.
