IF MASCOTING IS MATTER OF WEIGHT CHARLEY WHITE WINS

FREDDIE WELSH

CHARLIE WHITE

Will it be a horse on Welsh or will White have a doggone hard time winning the lightweight boxing championship on Labor Day? The injection of these zoological conundrums into the situation is a natural consequence of the above pictures, for which Charlie and Freddie posed in Colorado, where they are training for their twenty-round clash in Colorado Springs on September 4.

White has adopted the White saddle horse as his mascot and has named him "Chicago," after Charlie's home town. Welsh pins his faith on a spotted pointer pup; when potency as a charm may or may not have been affected by the handicap of the name "Pantyrpridd," which is a town in Wales that never has earned much fame except as the birthplace of the present lightweight champion.

GOLFERS DRIVE INTO 11TH HOLE

Philadelphia Man and Elkhart Resident Both Score in Single Drives

Philadelphia, Pa., Aug. 30.—Driving from the tee a distance of 100 yards and making hole No. 11 in one stroke, Colonel James L. Hall gave the members of the Bon Air Country Club something to talk about yesterday. The shot is destined to become historic in Bon Air annals. It is the kind of event that may never happen again in the history of the club.

Colonel Hall was playing with Judge John M. Patterson. He was driving for the eleventh hole. Taking his swing and following squarely through he met the ball fairly, and sent it whirling through the air, high and far. It was an undeniably good drive, going straight for the green. But the finish of the stroke was amazing. To the astonishment of Colonel Hall, Judge Patterson and a number of onlookers the ball sailed fairly into the cup as if it had been dropped there by a human hand. It did not hit the pin or the sides of the cup.

After the colonel had been congratulated for his notable performance he went quietly ahead and beat the judge by a score of 96-106. It remained for Bernard Benson, 213 Jefferson street, Elkhart, who recently developed a violent case of golfitis, to make the most unique record for the Christiansa Country club's links. While playing with Enoch Turnock yesterday, Mr. Benson made the hole in a single stroke, a drive of 100 yards.

Best Mile of Season Is Record at Poughkeepsie

Poughkeepsie, N. Y., Aug. 30.—Grand circuit racing began here yesterday after a postponement from Monday because of rain. All four races were won in straight heats, but there were a number of exciting finishes. The second heat was the Duchess, 2:12 pace, furnished such a close finish between Jay El Mack and Diometer that spectators did not know which had won until the judges awarded the heat to Jay El Mack. He captured the third heat with less difficulty. Thomas W. Murphy, who won with Jay El Mack, captured the Vassar stake for 2-year-old trotters, with the Real Lad. The first heat of this race was in 2:08 1/2, a new track record for 2-year-old trotters, and the fastest mile trotted by a 2-year-old this year.

By taking the last two heats of the 2:08 pace in 2:08 flat, Hal Boy paced the fastest two heats ever paced in a race over this track. In the final heat he beat Pat Richmond by only a head.

CIVIL SERVICE EXAMS

An open competitive examination under the rules of the United States Civil Service Commission for the position of male stenographer and typewriter in the War Department at Washington, D. C., will be held on September 12 and September 26. Application forms may be obtained from George S. McCrone, at the Post Office.

WELLY'S CORNER

The Lock Haven team of the Williamsport Division, Pennsylvania railroad, will to-morrow play a picked team from the Lucknow Shop League. The game will be played on Lucknow field, starting at 3 o'clock.

One game was played yesterday in the Dauphin-Schuylkill League. Lykens gained several points in the lead by taking the battle from Tremont, score 3 to 2. Brown pitched a great game allowing but four hits. Two games are scheduled for to-morrow.

Paul Ziegler, the crack pitcher of the Lykens team in the Dauphin-Schuylkill League may be given a try-out by Pittsburgh. He has a number of tempting offers. This season under the tutelage of Pat Reagan he has made a great record. The boy looks like a comer. George Cockill, it is said has a claim on his services.

The official signing up of Frank (Red) Pendergast as coach for Tech high is in accordance with the announcement made three weeks ago, when Athletic Director Percy L. Grubb said that the Villa Nova College star had been selected. The return of members of the athletic board at Tech who are on a vacation, completed the negotiations yesterday. Pendergast is a recognized gridiron leader, and his selection is a popular one.

All postponed games in the Dauphin-Perry League will be played September 9. This means the extension of the league season one week which was agreed to last night. Harrisville will wind up at Dauphin; Halifax at

Millersburg, and Duncannon at Newport.

The race in the Blue Ridge is waxing warm. Accusations are being made by Chambersburg and Martinsburg, who are fighting for first place, that other teams are laying down. In a double-header yesterday, Chambersburg and Martinsburg divided honors. Hagerstown, now in third place, won over Hanover and moved close to Chambersburg.

Gene Madden of Syracuse, who this season is leading the base stealers in the New York State League, has reached a total of 56 bases. This is a record for the league for this year. The best record ever made on the Farrell circuit was by Will Zimmerman of the Utes four years ago. He had a total of 105 stolen bases during the season.

The J. H. Farrell League had a lively session yesterday. Double-headers were the big feature. Reading divided with the Utes, taking the first game by a score of 6 to 2, and breaking all records in the second by running up a score of 25 to 3. Beretski pitched two games for Barons and won two from Elmira, scores 2 to 1, and 4 to 0. Scranton defeated the Bingesos by hitting the ball, score 9 to 5.

Candidates for the Tech high football team will get together on the Island next Wednesday when they will meet the new coach. It is understood that this year's aspirants will break all records. Many of the boys are working and will not be able to get off until a week before school starts.

Jack Barry Out of Game; Throwing Hand Is Broken

Boston, Mass., Aug. 30.—Jack Barry, captain and second sacker of the Red Sox, will probably be out of the game for the rest of the season, as the result of being hit on his throwing hand in the first inning of the double-header with the St. Louis Browns here yesterday afternoon.

Manager Carrigan said last night that Jack's hand was badly fractured and he did not expect the star second baseman would be able to get back into the game again this season.

The loss of Barry, coming at this time, when the Sox are fighting so hard for the pennant is the worst blow that the Carrigans could possibly suffer.

McNally or Janvrin will probably be placed on the middle sack.

CHANEY HARD AT WORK

Cleveland, Ohio, Aug. 30.—George Chaney, who will meet Johnny Kilbane, featherweight champion, at Cedar Point Labor Day, in a battle for the title, tips the beam at 123 1/2 pounds, while Kilbane is down to 122 1/2. Promoter Matt Hinkel yesterday closed a deal for the moving picture privilege at the fight.

BOY'S SKULL FRACTURED

Campbelltown, Pa., Aug. 30.—John Arnold, 14 years old, a son of C. F. Arnold, of Campbelltown, fell a distance of twenty feet from the overflood of a barn on the Helsey farm, near here.
