Camerman to Photograph Harrisburg Churches

The Fairite Film Company, of New York, through its representative, Bert G. Faulhaber and Harry H. Wright, who are in the city, state that they expect one of their cameramen here to-day and they will immediately begin the actual work of photographing all the "high spots" of the city. Mr. Faulhaber says they have two weeks making all necessary arrangements to include everything of interest to Harrisburg people and they are very enthusiastic over the natural scenic beauty here and say there is more good material for motion pictures in Harrisburg than any other city in the State. Tomorrow they will photograph the congregations of the various leading churches and are leaving after the services, and on Monday they will take the parade and all the Kipona water sports.

A great many surprises are promised when the city film is shown at the Victoria Theater about the middle of this month.

Large Reception Committee Meets Mr. Hughes at St. Louis

St. Louis, Mo., Sept. 2.—Charles E. Hughes and Mrs. Hughes, accompanied by a party of twenty-eight, arrived here to-day from Kansas City. A large reception committee of Republicans, Progressives and suffragists welcomed the party.

During the forenoon Mr. Hughes held a public reception. Mr. Hughes is scheduled to speak at Clayton late this afternoon. His printed address will be delivered to-night in the Coliseum.

PLAGUE ON DECREASE

New York, Sept. 2.—A decrease of seven in the number of new cases was reported in to-day's Health Department figures on the infantile paralysis epidemic. There were 61 during the 24 hours ending at 10 a. m., compared with 68 yesterday. Deaths numbered 19 against 16 yesterday. The average for the week is lower than that of last week and Health Department officials predicted that next week's average would be still lower.

PRICE OF HOGS DROPS

Pittsburgh, Sept. 2.—Hogs sold up to \$12 a hundred at the stockyards here to-day, then dropped to \$11.35 in the belief that the railroad strike would not be called. There was, however, no lessening of embargo regulations imposed by railroads entering this district.

180 Gallons of Ice Cream Confiscated Because of Typhoid Germ Infested Milk and Cream City Health Department in Typhoid crusade, after analysis by city chemist has "suspected" product taken to reduction plant to be destroyed. All the milk and cream used in the manufacture of this ice cream was shipped into the city from filthy contaminated Cumberland valley farms. Mother! Do You Ever Wonder Where Your Milk and Cream Comes From? Do you know that just now while the Typhoid Epidemic is raging in the city, the health and even the life of your family may depend on pure sterilized milk and cream? Why Don't You Act to protect your loved ones? Every day you're using shipped milk you're playing with the dangerous Typhoid Germs. Can you afford to risk your family's happiness like that? Let Us Supply You With Pure Milk We use absolutely no shipped milk. All our milk comes from clean sanitary Dauphin County farms and is hauled direct from the farms to our \$50,000 dairy plant and is not handled on truck's and trains. 30 Minutes After It Arrives at our Plant It Is Sterilized and Pasteurized, Delivered in Thoroughly Sterilized Bottles Which Means Your Protection Does Your Dairyman Have the Facilities to Do This? "With Us, Cleanliness Is Next to Godliness—With Some, It's Next to Impossible" We Lead the Philadelphia, Washington and St. Louis Dairies by Test of Dr. Lee H. P. Maynard of the Dairy Laboratories of Philadelphia and formerly of the U. S. Dairy Division. Our Dairy is ALWAYS Open for Inspection. CHAS. H. HOAK Both Phones PENBROOK, PA.
