CORN CROP GETS SOME HARD RAPS

Conditions Not as Good as a Short Time Ago Say State Crop Reporters

Farmers throughout the State are complaining of the damage done to the corn crop by the extreme heat and dry weather during August and a greatly reduced crop is expected by the Department of Agricultural Statistics.

Potatoes have been damaged by the dry weather and in many sections only about seventy-five per cent. of an average crop is expected.

Union county farmers report that the oats which has been threshed is light in weight and averaging about 31 bushels to an acre.

More sunflowers have been grown this year by farmers than in any previous year. The sunflower seed is being extensively used as a chicken feed and poultry raisers in most sections raise the flowers extensively.

Farmers are complaining about the condition of the late cabbage which is growing profusely but is very slow in heading. Great damage has been done by the worms and in many instances the failure to head is due to this cause.

Syndicate Offers \$3,500,000 For Thomas Iron Property

Allentown, Pa., Sept. 12. — At a stormy meeting of the Thomas Iron Company, Hokendauqua, operating blast furnaces at that place, Auburton, Hightstown and Riegelsville, a cash offer of \$3,500,000 for the property was made by Dr. H. D. Heller, representing a syndicate, he said, headed by William H. Bilyen, vice-president of the Northern National Bank, Philadelphia, and R. L. Pierson, of the same city, Congressman George S. Graham being their attorney.

The present management was under attack, it being alleged that the company lost \$171,000 last year, although Fred R. Drake, chairman of the finance committee, claimed a net profit of \$4,500 in August.

It was stated that the proposed purchasers plan to spend millions for enlargement of the furnaces and construction of steel plants to compete successfully with other big concerns in the market. Walter A. Barrows, recently elected president, outlined a plan for the consolidation of the furnaces and mines, with a view of abandoning the unprofitable properties. In behalf of the syndicate proposition to purchase the plant it was stated that the men connected with the move own large steel interests. The negotiations were reported to be a committee. The sale, if consummated, will net the stockholders \$50 a share.

BELLANS Absolutely Removes Indigestion. One package proves it. 25c at all druggists.

THE treatment of Eyes and how to remedy the result of their abuse has been our life study. To be efficient in home or business life requires the assistance of good eyesight.

Dull headaches and dizziness caused nine times out of ten by Eye Strain, impairs one's efficiency. No doubt rest-glasses worn for a time will remedy the trouble. At any rate, consult a skilled Optician or Ophthalmologist where service is paramount. If you can't need glasses, we'll tell you so.

Luncheon at Halifax to Announce Girl's Engagement

Halifax, Pa., Sept. 13. — Mrs. W. A. Miller, of Plymouth, and Miss Esther Brubaker, of Halifax, gave a luncheon at the residence of the latter in North Third street, in honor of their niece, Miss Kathryn Brubaker Pike, daughter of W. L. Pike, of Hummelstown. A pleasant feature was the announcement of Miss Pike's engagement to J. Dale Diehl of York. Mr. Diehl is a graduate of Gettysburg College and of the department of Public School Music of the New England Conservatory of Music at Boston, Mass. He is now supervisor of music in the York public schools. Luncheon with covers for twelve was served in the diningroom. A pink and white color scheme was carried out in the decorations, consisting of a centerpiece in the form of a large plate of pink asters. Place cards in the form of heart shaped boxes pierced with Cupid's arrows and filled with heart bonbons were attached to the centerpiece by pink ribbons. In the favors of small trunks were hidden "two hearts in one," containing the announcement. The marriage will be an event of the early Spring. The guests were Miss Pike, Miss Grace Pike, Miss Caroline Shoop, Miss Charlotte Heister, Miss Marie Smith, Miss Marie Offenbach, Miss Virginia Shoop, Miss Caroline Willard, Mrs. Claude Ryan, Mrs. Charles Haas, Mrs. C. C. Baker and Mrs. C. M. Richter.

Enola Yard Inspector Fatally Injured in Fall

Enola, Pa., Sept. 13. — Reuben Miller, car inspector in the westbound yards, while climbing over a train to do some work was thrown from the car on Tuesday morning and had both legs and one arm fractured and internal injuries. He was hurried to the Harrisburg Hospital where he died from his injuries.

GET NEW MOTOR APPARATUS

PLAYER or FAN!!

Get in the game

The closing series of many Leagues will soon be in order—and the keenest interest of any part of the season is in evidence at this stage of the game. The teams are watched closely just at this time, and every player wants to do his best and every "fan" feel his finest. The players that are the most vigorous will be the winners, and the fans that are the healthiest will get the most enjoyment out of the game. If your health is not up to standard, your lack of vigor is most likely the result of an impure condition of the blood—perhaps from the change in seasons or climate, or you may without fully realizing it, have Catarrh, or Malaria, or some form of Rheumatism in your system, that you can check easier now than you can later. In either event your blood needs the assistance of S.S.S. to help throw off the poisons and give it the vital qualities that only S.S.S. can give. Buy S.S.S. at any drug store—today—and get in the winners class. Remember it has been the Great National Blood Purifier and Tonic for fifty years and is guaranteed purely vegetable. Do not accept a substitute.

If yours is a stubborn case you had better write our Medical Staff for detailed treatment. This will cost you nothing. Address Medical Department, THE SWIFT SPECIFIC CO., 6 Swift Building, Atlanta, Ga.
