They referred to him that so much profanity was being used on the streets of the city that their order had taken the matter up to do all in their power to stem the tide of cursing. CHRISTIANIZE AUTOMOBILE USE

Bishop Weekley Makes Apt Remarks on Subject at United Brethren Conference

Hagerstown, Md., Oct. 7.—Following the report on temperance submitted by the Rev. J. P. Koontz yesterday, the Pennsylvania Conference of the United Brethren in Christ in session here, went on record as being unequivocally in favor of prohibition. The Rev. Koontz's report was supplemented by a resolution offered by the Rev. J. F. Snyder, of Bolling Springs, expressing the sympathy and co-operation of the conference with the citizens of Maryland in their fight for prohibition this Fall. The resolution was unanimously adopted.

The Rev. W. M. Beattie of Green-castle made a report on Sunday observance which developed a discussion concerning the use of automobiles on the Sabbath, the machines coming in for severe censure for being improperly used. Bishop Weekley aptly remarked in this connection: "Do your best to Christianize the automobile; it is all right when properly used, and all wrong when used improperly."
