The general State Christian Endeavor convention committee held its final business session and a season of prayer at the residence of the general chairman, the Rev. E. E. ing; Chalmer C. Groff, treasurer; Elmer S. Schilling, press, and the Rev. and Mrs. E. E. Curtis.

The Otterbein United Brethren Christian Endeavor Society will hold special rally day exercises at the church tomorrow evening. An interesting program, consisting of music and addresses by prominent speakers, will be made.

Endeavors of Carlisle and surrounding towns will hold a big mass meeting tomorrow afternoon at Carlisle, when the great Christian Endeavor movement will be emphasized and a permanent organization will be made. Many special features have been arranged for the program. Addresses will be delivered by State Secretary H. B. Macoray, Pittsburgh; and Elmer S. Schilling, superintendent of the press department, Harrisburg.

### THE FEAST OF TABERNACLES

The Jewish feast of Tabernacles or Succoth will commence on Wednesday evening, October 11, and will last for nine days. According to the Bible the feast lasted only seven days. In the course of time, however, the feast was lengthened to nine days; the last two being the Eighth Day of Solemn Assembly or the Feast of Conclusion, and the Day of Rejoicing For the Law. Succoth, means booths, and the name owes its origin to the fact that on this feast many families build festive booths in which the holiday meals are served. In some cases pious people will spend all the days of the feast living in the booth in order to give literal fulfillment to the injunction, "In booths shall ye dwell seven days."

The frail booth built as a temporary dwelling, an imperfect shelter from the elements, is to remind man that he is constantly under the protection of the Almighty, just as the fathers of Israel were under His protection in the wild-

erness. "In order that your generations may know that I made the children of Israel dwell in booths, when I brought them up from the land of Egypt."

Succoth was the last of the three harvest festivals; and as it ushered in the winter season when rain was needed for the next year's crop, a water service was held in the temple; and to this day the prayers for the last day of Succoth include special prayers for rain, which are included in the services until the time when the Spring harvest comes again with the feast of the Passover.

### ST. JOHN'S RALLY

Large audiences are anticipated at St. John's Reformed Church where Rally Day and Harvest Home services will be held tomorrow morning and evening. These services mark the beginning of a Sunday school increase campaign to commemorate the four hundredth anniversary of the Protestant Reformation. It is also the seventeenth anniversary of St. John's congregation. The Rally Day address will be delivered by the Rev. G. S. Rentz, while the Harvest Home sermon will be preached by the Rev. F. W. McGuire. Special music will be rendered by Professor Clarence E. Zorger, George W. Glade and a large orchestra.
