FRIDAY SPECIAL OFFERINGS FOR FRIDAY ONLY

And please note that the word "bargain" has been used so indiscriminately and on such slight provocation in many store's publicity that it has lost its real meaning to many.

*To Sell Something That You Need,
Just When You Need It, and to
Save You Money On the Price.*

There are Bowman bargains here to-morrow — and you'll be sure to find just what you want — and at a pronounced saving.
