## FOLWELL SIGNS TO COACH PENN

### War Clause Holds Up Contract; May Get Increase in Salary

Philadelphia, Feb. 8.—Everything apropos of the football situation at Penn was cleared up yesterday with the announcement of the Board of Directors that Bob Folwell had been appointed and fully ratified as head coach for next season. Folwell will have as his assistants Dr. Charles "Buck" Wharton, as line coach; Lon Jourdet, as freshman coach, and Harold Gaston, as scrub coach. "Buck" Dickson is not reappointed as coach of the ends because Dickson has several opportunities to take over full coaching powers at other institutions. If he fails to connect with one of the offers he has received, he will in all probability return to Franklin Field as coach of the ends and a member of the board of coaches, and in the event that he accepts an offer, "Si" Pauxtis, football coach at Pennsylvania Military College last season, will probably take up his work on Franklin Field.

**War Clause Delays Action**  
The failure of the Board of Directors of the Athletic Association to announce Folwell's ratification immediately after its meeting on Tuesday was occasioned by the presence of a "war clause" in the contract offered Folwell. This war clause necessitated withholding the announcement until Folwell's consent to the conditional contract had been gained. The so-called "war clause" brings about one of the most unique situations which has ever arisen in collegiate sports. Folwell's contract specifically states that in the event of a war necessitating the abandonment of football contests, the contract shall become void. This clause, inserted in the agreement signed by all of the other coaches, is a part of the foresight of the conservative element among the directors of the athletic association, who wish to protect the finances of the association in the event of such a contingency. The contract also provided for an increase in salary; just how much was not stated. Folwell's contract called for \$4,000 last year, with an additional \$1,000 if the receipts from the games exceeded \$5,000 over the previous year's income. As the receipts totaled \$30,000 over the year previous, Folwell was given \$5,000 for the 1916 season. Bob left with his wife immediately after signing the contract for Florida.

## Says Half of Americans Are Unfit For Military Duty

More than fifty per cent. of the applicants for the army and navy in recent years have been rejected for physical disabilities, and of 41,000 candidates for the marine corps service, less than 10 per cent. or 4,000 were accepted, according to S. J. Donleavy, field secretary of the Universal Training League, eastern division, who is in this city for a few days. The aim and purpose of the league, Mr. Donleavy said, is to promote constructive patriotism. "It is not a matter of being willing to perform this duty but of being reasonably fit and qualified to perform it. Every patriotic American is eager to serve his country but only about half of those citizens who should be able to serve are in fit physical condition."

## WELLY'S CORNER

Strike or no strike, the Boston Braves will not take any chances. Already options have been secured on players in the International League Eastern American Association. The Pacific Coast League will also furnish several good men. Of course this will mean that minor leagues in lower classes will have to help out the American Association teams.

Mrs. Dorothy Campbell Hurd, of Pittsburgh, medalist in the National championship at Philadelphia, Pinelhurst, won honors yesterday in the golf series. She outdistanced the field by a margin of six strokes, making course one in 4-48.

Bob Folwell has cinched his job. The announcement yesterday at the University of Pennsylvania brought rousing cheers and many congratulations to the popular coach.

Cleveland is baseball mad. Plans announced in this city have brought strong endorsement. All box seats for the season have been sold. The recent shake-up in the team indicates the best baseball that city has ever had.

The Senate committee of Wisconsin voted to report favorably a bill to prohibit fighting in that State. Recent fake engagements, it is said, have been too numerous.

## TIM MURNANE DEAD

Boston, Mass., Feb. 8.—Timothy Hayes Murnane, former big league star, president of the old New England League for many years and of late sporting editor of the Boston Globe, dropped dead last night in the Shubert Theater here. His death was a shock to his friends, for only an hour before he had dined with a number of other newspaper men and was cheerful and apparently in the best of health. Murnane was born June 4, 1851, at Naugatuck, Conn., and began his baseball career nineteen years later in Savannah, Ga., as catcher for the Savannah team. During a tour of the East by the team Murnane was signed by the Rev. S. T. Estery, of Christ Lutheran Church, Hazleton, on Sunday morning. Mr. Sager is employed as stenographer in the Lehigh Valley Coal Company offices at Hazleton.

## BASKETBALL PLAYER MARRIES

Announcement was made at Hazleton yesterday of the marriage on Sunday of Fred C. Sager, former basketball player with the Hazleton and Pittston teams of the Pennsylvania State League, and Miss Anna C. Kellner, daughter of Mr. and Mrs. Christian Kellner, of North Pine street, Hazleton. The marriage was performed by the Rev. S. T. Estery, of Christ Lutheran Church, Hazleton, on Sunday morning. Mr. Sager is employed as stenographer in the Lehigh Valley Coal Company offices at Hazleton.

## TO PLAY FINALS SATURDAY NIGHT

### Important P. R. R. System Contests Include Local Stars; Saturday Program

Important sporting event in local Pennsylvania railroad circles this week will be the playing off of the finals in the General Manager's Elimination contests to be held in this city on Saturday evening. Quoits, volley ball, bowling and billiards remain to be played, and in all these sports foreign teams will be matched against Harrisburg Motive Power teams.  
In volley ball the General Office team of Altoona will dispute supremacy with the local team and a good battle is assured. In quoits and billiards the local shopten will entertain the Altoona Machine Shop, while

West End started the baseball season last night. At a largely attended meeting at the rooms, Fourth and Woodbine streets, plans were discussed. The diamond at Fourth and Seneca streets will be used, and it is probable that Manager Frank Heiney will keep Winters, the local swirler, this season.

## CENTRAL TRAINS FOR YORK GAME

### White Rose Tossers Attraction at Auditorium Friday Night

Central high is training hard for battle with York Friday night. The game will be played at Chestnut Street Auditorium.

Central is leading the Central Pennsylvania Scholastic League, and hopes to land another victory. The White Rose team was defeated by Central on its home floor a few weeks ago, although the game was very close. It is expected in some quarters that the Blue and Grays will get a surprise Friday evening, but Captain Eddie Hilton and his colleagues intend to take no chances and therefore are expecting a stiff scrimmage.

### Martz Strong at Center

Martz is developing into a good center, and will be reinforced by the regular line-up, which includes Hilton, Gregory, Frank and Fields. The York team will probably look about the same as when it played Tech.  
The Forster street card five will journey to Carlisle Friday to play Dickinson. They also look for a victory, as the Blue and Gray girls are playing fine basketball this season.

## Globe Right Posture Team Won Two Class Victories

Victories for the Globe Right-Posture basketball teams were chalked up last night. The first team won over the Moorhead & Co. tossers, 23 to 24. This was a hair-raising contest, thrills being a feature.

In the second contest the Globe Right-Posture Juniors won over Olympic A. C., score 27 to 25. This was another fast game. The shooting of the winners attracted much favorable comment. The line-up and summary:

## GETZINGER MAY GO TO READING

Reading, Pa., Feb. 8.—The management of the Reading Eastern League basketball club made a cash offer to the owners of the De Neri team, of Philadelphia, to-day for the release of Alois Getzinger, the veteran center. Getzinger is also wanted by Greystock and Camden, but will likely join the Bears before the end of the week. With Getzinger in the line-up Reading would present almost the same team which won two pennants at McKeesport in the old Central League.

## City Firemen Praised by Judge Bonniwell

Judge Eugene C. Bonniwell, of Philadelphia, president of the State Firemen's Association, addressed the members of the 1914 Firemen's Union of Harrisburg, at a banquet last evening at the Plaza Hotel. Judge Bonniwell praised the good work of the local volunteer fire department. He said that Harrisburg ranks third in fire fighters among the third-class cities of the State. He pointed out that a bill requiring two per cent. instead of one, of all foreign fire insurance be paid to the volunteer firemen for relief, had passed its first reading in the House yesterday.

The banquet was the third annual dinner held by the firemen, who had charge of the 1914 convention. Since the organization two members of the Union, John Willis, of Mt. Pleasant Company, No. 8, and N. George Peters of Rely Company No. 10, have died. Colonel Henry C. Demming, president of the local union, was the toastmaster. Among the guests were Senator T. F. Monaghan and City Commissioners Lynch, Gross and Gargas. The committee in charge of the banquet included A. A. Patton, chairman, H. O. Holeten, W. D. Franklin, E. L. Little and H. D. Hilton.

## Big Concert at Dauphin; Proceeds to Aid Baseball

Dauphin, Feb. 8.—For the benefit of the Dauphin Athletic Association, a concert will be given in the High School to-morrow evening by the Keystone quartet of Harrisburg. Dauphin is starting early to raise funds for the coming Dauphin-Perry League season. Practically the same team that twice carried off second honors in the league will appear in Dauphin uniforms this year.

## HERB PENNOCK SIGNS

Boston, Mass., Feb. 8.—Herbert J. Pennock, a pitcher, and Oscar Jenkins, an outfielder, sent their signed contracts yesterday to the Boston American League baseball club. Jenkins was secured last fall from the Griffin, Ga., club of the Georgia-Alabama League. At the National League headquarters it was stated that the signed contract of Joseph W. Wilhoit had been received, accompanied by a letter saying that the contract was conditional upon the approval of the Baseball Players' Fraternity, of which Wilhoit is a member.

## Third Game With Lancaster; Saturday Night Attraction

Lancaster will be the basketball attraction for Saturday night in the Chestnut Street Auditorium. This will be the second appearance of the Lancaster team in this city this season, and the third and deciding game of a three-game series. The Independents lost at Lancaster and defeated the Lancaster team earlier in the season in this city. The Lancaster team has reorganized with the addition of Leo Houck and Snake Deal, the old Central League player. Captain McCord was well pleased with the showing of the locals' defense in the York game and will keep the locals on edge for a hard game with the Lancaster five.

## BOLIVIA TO BACK U. S.

London, Feb. 8.—Bolivian minister of foreign affairs, says a Reuter's dispatch from La Paz to-day, has announced that Bolivia has decided completely to support the attitude of the United States in the crisis with Germany.

# A Malicious Liar, Regardless of Vocation, Is a Scum of Creation

CAMEL cigarettes are the greatest success in the history of the cigarette industry. Their wonderful sale throughout the length and breadth of this country has caused them to be the largest selling brand of cigarettes in the world.

We meet competition in a fair and square way, out in the open, with the best products we know how to manufacture, and the decision of preference is left to the discrimination of the customer.

In an effort to retard the sale of CAMEL cigarettes in certain sections of the country, malicious lies have been circulated about them.

This company brands any person who indulges in such unprincipled, low-down tactics as a malicious liar, and is ready to stand back of the charge.

## \$10,000.00 REWARD

We will give \$500.00 each to the first twenty persons who will furnish satisfactory proof of the identity of the persons who are circulating and who are being paid to circulate such rumors, together with the names of the persons, firms or corporations paying them to circulate a lie to injure the sale of CAMEL cigarettes.

CAMEL cigarettes are pure and the most delightful and the most popular cigarettes ever sold at any price.
