

Another Company of Stevens Memorial Guards Organize; Many Apply

At a business meeting of Company A, Stevens Memorial Guards, the following civil officers were elected to serve for the ensuing year: J. Robert Storey, president; Emory M. Sourbeer, treasurer; and Harold Hamilton, secretary.

A committee was formed to arrange by-laws. Owing to the extremely large number of applicants for membership, it has been found necessary to form a third company. Walter L. Vanaman has been appointed commander-in-chief, with the rank of major.

METHODIST CONFERENCE IS UNDER WAY

[Continued From First Page]

Curtin Memorial; the Rev. W. W. Hartman, Ridge Avenue; the Rev. Dr. E. A. Pyles, Fifth Street; the Rev. J. D. W. Deavor, Epworth. Other preachers in this section to go are the Rev. Dr. T. S. Wilcox, West Fairview; the Rev. F. C. Steep, Enola; the Rev. S. B. Bidlack, West Fairview.

Laymen Association. The churches do not have lay representation in the conference, but have an association of their own, meeting for a couple of days at the same place as the conference. The president of the laymen's organization this year is J. R. Rote, of this city. Most of the official boards have selected laymen to represent them in the conference convention with one or more men.

Among the men from this section who have been elected as delegates are D. W. Cotterel and John Shilling, president of the church, Monday; Perego and Charles Hoffman, Stevens Memorial; D. H. Swope, Fifth Street; John S. Sible and Charles W. Bell, Grace; R. Poffenberger and Dr. C. M. Ewinger, Ridge; and R. E. Cahill and R. E. Irwin, Camp Hill. Many other well-known Methodists of the city are planning to attend the conference sessions one or more days during the week.

The time limit for pastors having been removed, it is not certain that there will be any changes in the city in addition to that of Grace Church, already announced. The district superintendent, the Rev. Dr. A. S. Fasick, having completed his six-year term of office, will be assigned to a church somewhere in the conference, probably not in this district. Several men have been mentioned as Dr. Fasick's successor, but the preachers of this city think that the Rev. Dr. Morris E. Swartz, of First Church, York, is the most likely man to receive the appointment. A rumor that is very generally heard is that the Rev. Dr. Clarence Lincoln Jacobs, formerly pastor of Ridge Avenue Church, this city, and for two years past superintendent of the Williamsport district, has requested the bishop to relieve him of the district, Dr. Jacobs preferring the pastorate or some other district. It is not known what the bishop's action on this request will be.

Dr. Jacobs is well known in Harrisburg and it is known he would not be averse to an assignment to this city. The church where every pastor has a job and a salary, and the church to be congratulated that capable men come forward with a willingness to serve.

Following the organization of the conference the missionary sermon will be preached by the Rev. Dr. Henry R. Bender, of Clearfield. In the afternoon the memorial service will be held, after which the institute hour will afford members of the conference and visitors an opportunity to hear the great temperance campaigner, Dr. Clarence True Wilson, speak on "Present-Day Advance in Reform Movements."

Wednesday evening two anniversaries will be held, that of the board of temperance, prohibition and public morals. The speakers are Dr. L. O. Hartman, of Chicago, and Dr. Clarence True Wilson, of Washington, D. C. The temperance question is therefore in the forefront and John Barleycorn is in for a severe arraignment on the very first day of the conference. It is a live issue wherever church people come together these days.

Plan Annuity Fund. A report on the annuity fund was presented to the board of trustees last night. The conference aims to raise \$400,000 as a fund for superannuated ministers. The report, which will be presented to the conference on Thursday, shows that \$60,000 was realized in the campaign of the past year.

This evening the conference will be continued with the anniversary of the Conference Home Missionary Society. The meeting will be presided over by the Rev. J. T. Bell, and the speakers will be Hon. S. W. Dickson, the Rev. A. S. Williams and Dr. Fred B. Fisher, New York. The latter will talk on "American Christianity and the New World Order."

Wednesday morning the conference opens with Bishop McDowell presiding. The sacrament of the Lord's Supper will be administered. Then will follow the call of the conference roll by the secretary, the Rev. J. F. Anderson. Dr. Anderson having administered the sacrament.

DESIDENT WOMEN

Constantly recurring suffering gives women "the blues." Comparatively few women realize that dependency, together with backache, headache, and that "dragging-down" feeling indicate some derangement of the feminine organs, for which Lydia E. Pinkham's Vegetable Compound is a remedy.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts if your Back hurts or Bladder troubles you. No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked, the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, loss of sleep and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys your back hurts or the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active, and the blood pure, thereby avoiding serious kidney complications.

PROMINENT MEN GIVE MILITARY TRAINING VIEWS

PROF. HOWARD G. DIBBLE, PRINCIPAL OF THE CENTRAL HIGH SCHOOL, WRITES: "Our debt to our country seems to me to be persistently underestimated. Our sense of security, our ability to exercise our rights, is dependent on and in direct proportion to the power of our government to protect us. It is obvious that we have an obligation. At this juncture it is just as obvious that we can best meet our obligation by service. To be valuable, service must be efficient. It is hard to deny that the logical conclusion is universal military training."

"But I must protest against any attempt to have this training grafted on the High School. Superintendent Henry Snyder, of Jersey City, is chairman of the committee of the National Educational Association for investigation of this subject. His idea is that the temptation to introduce the military feature into the High School is merely the one of half doing it by doing it the easiest way, since the High School is already organized and we can apply an anesthetic to our national conscience by saying 'The High School is doing it.' Military drill as it would be conducted in the High School is not for a moment to be mistaken for military training. One is of necessity a feeble imitation of the other."

"All things considered, probably universal military training is desirable, but if we must come to it let us at any rate have the real thing." THE REV. ELLIS N. KREMER SAYS: "Your favor received, this morning. I do not feel prepared to answer the questions you kindly submit to me. I have positive views on the general subject of universal military training sufficient to direct my action as a citizen should the question confront me. But I fail to see the condition of affairs to be such as to call for a public expression of my convictions at this time."

DR. F. E. DOWNES, SUPERINTENDENT OF HARRISBURG SCHOOLS, SAYS: "I am thoroughly convinced that no military training is fair or adequately effective that does not apply to all alike. I favor the Chamberlain bill. I might add that I do not believe in military training prior to the age of eighteen or nineteen."

RETAINS MAIDEN NAME. Boston, Mass., March 20.—Dr. Marian Hague Rea, member of the staff of the Boston Psychopathic Hospital, spent her honeymoon yesterday, at work, alone and under maiden name, although she is the bride of Dr. Baldwin Lucke, a pathologist at the University of Pennsylvania. The retention of her maiden name was one of the conditions of her marriage. Dr. Rea says she is keeping her maiden name for "professional considerations and business purposes."

GETS YEAR FOR TWELVE CENTS. Wilkes-Barre, Pa., March 20.—Harry Strong, 19 years old, went before Judge P. A. O'Boyle yesterday and pleaded guilty to breaking into the King store here and stealing twelve cents from the cash register. The court fined him \$25 and sentenced him to one year in the Eastern Penitentiary.

Dr. Caldwell's Syrup Pepsin is a Dependable Family Laxative. Nearly all the sickness incident to a baby's life is due to constipation, or inaction of the bowels. At the first indication of irregularity in this important function, relief should be afforded promptly. A mild laxative should be administered to gently carry off the congested waste and leave the stomach and bowels free to perform their allotted tasks.

Of the various remedies recommended to relieve constipation, the combination of simple laxative herbs with pepsin, as prescribed by Dr. W. B. Caldwell and sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin, is the most effective. It contains no opiate or narcotic drug, is pleasant to the taste, mild and gentle in action, and quickly brings the desired relief in an easy, natural manner.

Mrs. C. J. Douglas, Mason, Ill., writes that she cannot say enough in praise of Dr. Caldwell's Syrup Pepsin as a dependable family laxative. Little Mary Eva had been badly constipated until they tried Dr. Caldwell's Syrup Pepsin, which brought the first natural relief the child had had in two weeks.
