

"MOVIES" SHOWING STATE'S EFFORTS

Safety First Campaign Being Greatly Helped by Moving Picture Men

More than ten thousand workers, in Western Pennsylvania, attended safety meetings last week at which accident prevention motion pictures were shown in the campaign instituted by Commissioner John Price Jackson, of the Department of Labor and Industry, for the reduction of industrial accidents.

The safety films of the Labor and Industry Department will be shown to-day at Titusville under the auspices of the Woman's Club of that city. Mrs. Samuel Semple, member of the industrial board, will speak at that meeting. On Thursday the films will be shown at Dickerson Run, under the auspices of the Pittsburgh and Lake Erie railroad for the benefit of its employees.

Dr. Francis D. Patterson, chief of the Division of Hygiene and Engineering, of the Labor and Industry Department, will speak at a safety meeting at Allentown, Tuesday, March 27.

Under the auspices of the Business Men's League of Manheim, the safety films will be shown at that place Thursday, March 29, and at Mt. Joy, under the auspices of the Board of Trade, the films will be shown, Friday, March 30. John S. Spicer, chemical engineer of the department, will speak at the last two meetings.

CRISIS OF WOMAN'S LIFE

Change Safely Passed by Taking Lydia E. Pinkham's Vegetable Compound.

Wagoner, Okla.—"I never get tired of praising Lydia E. Pinkham's Vegetable Compound because during Change of Life I was in bed two years and had two operations, but all the doctors and operations did me no good, and I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound which brought me out of it all right, so I am now well and do all my housework, besides working in my garden. Several of my neighbors have got well by taking Lydia E. Pinkham's Vegetable Compound."—Mrs. VIOLA FINICAL, Wagoner, Okla.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness should be heeded by middle-aged women. Lydia E. Pinkham's Vegetable Compound has carried many women safely through the crisis.

B = I = W The Real Tonic

Beef, Iron and Wine—the tonic supreme. Never has yet been rivaled in its value as an appetizer, blood cleanser, body-builder, and general health giver. It's so easy to take that everybody likes it. Pretty good tonic for the children.

SCHOOL NOTES

CENTRAL
The Demosthenian Literary Society will meet this evening at the home of Miss Margaret Wingard, 220 Kelly street. The entertainment committee has arranged to have the comedy, "Ralph Roster Doister," presented. The cast has been instructed by the faculty advisers, Miss Mary Orth and Miss Edna Engle. The members of the society are: Helen Focum, Margaret Wingard, Miriam Stevens, Alice Stevens, Helen Smith, Helen Rote, Gertrude Rimer, Ruth Richards, Isabel Phillips, Elizabeth Parsons, Nora Lippi, Margaret Koester, Katherine Keene, Louise Johnson, Maude Hoster, Susan Hepford, Helen Ferguson, Katherine Dubbs, Mary Elizabeth Dietrich, Martha Cresswell, Sabra Clark, Laura Bretz, Romaine Boyer, Miriam Blair, Ruth Beatty, Mary Alma Allen, Harry Dixon, Kenneth Downes, Harold Eckert, William Foster, Marlin Geiger, Louis Goldsmith, Emory Hartman, Edward Hilton, Harold Martz, Harry Mell, Leslie Minnich, Paul Selsam, George Spangler and Frank Witherow. The members are all Seniors and a number of them will take part in the comedy.

An important meeting of the Philonian Debating Society will take place this evening. Charles Mutzbaugh will be the host, at his home, 319 Cameron street. A challenge has been received from a debating club of the York High school, action on which will be taken this evening.

The meeting of the Senior class scheduled for to-day has been postponed until 12:30 to-morrow, in chapel. Election of officers will be a feature at this time. Further plans will be made as to the trip the Seniors will take during commencement week. Rehearsals for the class play, "Pinafore," are being successfully held.

Coach Kunkel met the track candidates between sessions to-day. He plans to have a championship Blue and Gray team on the cinders this season.

The various clubs and organizations of Central High that desire to have their pictures in the Commencement issue of the Argus should notify Business Manager Caldwell at once. The

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drugstore a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous; and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

large number of societies makes this necessary.

The Mandolin club will play to-morrow evening at an entertainment to be given by the Men's League of the Covenant Presbyterian Church. This is a very successful musical organization of Central High, the members including: Paul Selsam, leader; Kenneth Downes, manager; Elwood Deppen, Blair Smith, Louis Goldstein, Leon Simonetti, Emory Hartman and Arthur Gardner.

A very large student delegation is expected to witness the Central-School contest on Chestnut Street Hall floor Friday night. The Blue and Gray line-up will probably be slightly changed. Frank playing center and Eddie taking his position as guard. "Eddie" Hilton will shoot the fouls.

Miss Mary Phillips will entertain the P. E. Club at her home, 620 North street, to-morrow evening. An interesting meeting of the S. S. S. Club was that of last evening, at 1320 North Third street with Miss Mildred Goetze. This organization is composed of about sixteen girls, and a delightful time was spent in music, games and dancing. Refreshments were served at a late hour by the hostess.

The Junior number of the Argus has been changed to the May issue. A college issue will appear in April, probably about the sixth.

TECH

Meredith Germer, a freshman, and Barton Botts, a junior, will be two of the soloists who will play at the Tech concert to-morrow evening. The program will begin at 8 o'clock. Germer will play the trombone, while Botts is the school pianist.

Abner Hartman, basso, and Samuel Schein will be other soloists. Professor George W. Updegrave will conduct the concert, with Samuel Sherman as student leader. The concert will be the fifth held under the auspices of a Maroon orchestra. Sherman has announced the following program:

Overture, "Royal Palm," King, orchestra; vocal solo, "The Miller, Mr. Hartman;" (a) serenade, "Nightfall," (b) melody, "Con Amore," orchestra; violin solo, "Ninth Concerto," Mr. Schein; piano solo, "Rigoletto," Barton B. Botts, 1918; selection, "Miss Springtime," orchestra; vocal solo, "The Vanguard of the King," Mr. Hartman; trombone solo, "Alone With You," Meredith Germer, 1921; "Phantasie," orchestra; march, "The Discriminator," orchestra.

The Tech musicians are Samuel S. Sherman, William Cobb, Eric Cagner, Michael Hecker, Joseph Freedman and Lawrence Weber, first violins; Curtis Tripner, Merrill Walker and David Rosenberg, second violins; Ray Wentzler, bass violin; Barton B. Botts, pianist; Lynn Cook, first cornet; Bernard Aldinger, second cornet; George Fisher, first clarinet; Howard Jones, second clarinet; Meredith Germer and Eldred Buffington, trombones; Hettzel Davies and Foster Cocklin, traps and drums.

The Tech Mandolin and Guitar Club has been engaged to play for the evening of April 9, in the Centre Presbyterian Church. At a meeting held in the third floor study hall yesterday afternoon other routine business was transacted.

The Tech Gun Club will hold a competitive shoot on the Division Street grounds Monday afternoon after school. Those who make the highest scores will be elected officers of the club. Harry B. Shreiner will conduct the event.

A. B. Wallize, a member of the faculty, has been appointed head of the employment bureau that has just come into existence. Many merchants in this city make applications for students for after school work, while many of the students are anxious to secure employment after the school hours. Any employers offering positions will be listed by Mr. Wallize. On the other hand, students desiring positions will apply to that teacher to find out whether any work is open at the time.

The meeting of the military club was postponed this week because of a lecture which many of the boys desire to attend. The next meeting will be held Monday night, at which time Mr. Koons expects to present some interesting material from Washington.

Triest Accustomed to Being War's Front Yard

Triest, Austria, March 21.—This city has war in its front yard and seems to have become accustomed to it. The people of Triest saunter leisurely to the pier of San Carlo in the afternoon, when the weather is good, and watch the drum fire at and near Montfalcone. Glasses are not needed to watch these artillery duels. They can see actual battles from their cafes and at night they go to sleep counting the dull reports of some bombardment over at the Isonzo.

At night Triest is dark. Here and there a street lamp is lighted in the interior streets. From the high house walls breaks an occasional ray of light through the shutters. The display of searchlights on the Adriatic has long ago ceased to interest. Even the fine colored rocket exhibitions along the coast no longer draw a crowd.

A Wise Housekeeper Keeps an Eye on the Market

"Economy is wealth," so they taught us in our copy book days, but be that as it may, economy wisely directed goes a long way towards maintaining a satisfactory household budget.

Every day, "The Philadelphia Record" publishes a market report that gives the current wholesale prices on the various food products. It points out which are high and which are low and with a little practice will enable the housekeeper to plan her buying so that her menu will be arranged according to market prices.

It is an easy thing to accomplish and it will afford a substantial saving over haphazard buying.

To the man who has produce to sell.

This market report is accepted by all commission and produce merchants as the price current and a careful perusal of this column will enable you to sell your produce at the top of the market value instead of at a "guess" price.

Tell your newsdealer to serve it to you regularly or notify us and we will attend to it for you.
