

MOTIVE POWER TOSSERS TAKE GAME FROM ROSEWOOD A. C.—THEATRICAL GOSSIP

ROSEWOODS FALL TO MOTIVE POWER

Railroad Tossers Strengthen Claim to City Championship Honors

The Pennsylvania Railroad Motive Power Athletic Association basketball team strengthened its claim to the city championship last night by defeating the Rosewood Athletic Club team, city Amateur League champions, in a game played on the Motive Power gymnasium floor. The final score was 29 to 17. The Motive Power tossers have defeated the Independents and the Rosewood fives and should the Rosewood team defeat the Independents on Saturday night, would have almost a clear title to the championship.

The railroaders put up an excellent brand of ball last night and a rally in the ebbing minutes of the contest gave them a nip and tuck affair throughout, neither team being able to gain a decided advantage. The excellent work of "Sure Shot" Kline from the foul line kept the Rosewood team in the running and at the end of the first period it led by the score of 11 to 7. The Motive tossers outscored the Hill lads from the field by four goals. The summary:

CROWD BEFORE BILLY SUNDAY'S GREAT NEW YORK TABERNACLE; HIS ACTION IN BASEBALL AND PULPIT

Enormous crowds flocked to the first meeting in Billy Sunday's New York tabernacle. This scene shows thousands about to enter. The two figures of the evangelist, one in baseball costume, taken recently in Indianapolis, and the other illustrating his gestures in the pulpit, show he put the same strenuous action into preaching that he had to put into baseball when he played the outfield in Chicago.

AMUSEMENTS

ORPHEUM — Friday night, April 13 — War Relief Fund. Saturday, matinee and night, April 14 — Henry W. Savage offers "Have a Heart."

Margaret Romaine, prima donna of "Have a Heart," Henry W. Savage's big musical comedy success which comes to the Orpheum Saturday, matinee and night, is an American girl who achieved grand opera fame in France, as a grand opera singer, before she won success in the land of her birth. Miss Romaine hails from Ogden, Utah. She spent seven years abroad, studying for grand opera, and appeared with success at the Opera Comique, Paris, until she was persuaded to become the prima donna of "Have a Heart." She had only twice before appeared in comic opera, and that was in "The Midnight Girl" and "Her Soldier Boy." Miss Romaine is a sister of Hazel Dawn, now singing in "The Century Girl" at the Century Theater, New York. There are three other sisters making their way up the ladder of renown—Nannie, who is in Milan as a member of the La Scala Opera Company; Grace, who is singing in concert recitals in London, and Helen, the youngest sister, who says the movies are good enough for her. The seat sale opens to-morrow.

Don't miss the Coburn Blues parade and band concert next Monday at noon and the J. A. Coburn's Greater Minstrels at the Orpheum. It's an all new production and performance throughout with new scenery, costumes and musical numbers opening with the beautiful ensemble in the Palace of the Maharajah in India, who, with the Princess Raines, recites the Millionaire Hunt Club, of America, and their valts in a complete departure from old-style minstrel first parts, a splendid singing, dancing, laughing, clean comedy feature performance with twenty novelty dramatic offerings.

"Trilby," the song dreamer, in a remarkable demonstration of thought transference, will be the unique feature at the Majestic the last half of this week. Everyone is invited to participate in this demonstration, and while "Trilby's" assistant goes through the audience, he never chooses a social or popular, can be whispered to him. Without a word he will transmit the complete history of the subject, "Trilby," who will sing and play the selection called for. Other acts on the bill are a novelty dramatic offering, presenting a clever comedy-dramatic sketch, La France and Kennedy, comedy blackface artists; Charles and La Tour in a comedy singing and talking skit, and Sutton, McIntyre and Sutton, in a novelty dramatic offering, entitled "The Pumpkin Girl."

According to many requests, the management of the Regent has rebuked Mae Murray and Wallace Reid in the Warren Field and has rebuked the son of John J. McElroy, the former dancing star, has made wonderful strides in her screen work and to-day ranks among the greatest of picture actresses. In "To Have and to Hold," she shows fine dramatic ability and makes a ravishingly beautiful heroine of the widely-read story. In Wallace Reid she has one of the best leading men appearing on the screen to support her during the many exciting adventures and stirring love scenes. To-morrow and Saturday one of the popular idols of the photoplay public, Lou Tellegen, will make his appearance in a strong and exciting drama entitled, "The Black Wolf."

"Vera, the Medium," a screen version of Harding Davis' popular story, with Kitty Gordon in the leading role, will be seen at the Colonial Theater for the last time to-day. This is the finest production made by Kitty Gordon since she organized her own company, and shows her in a role that gives her opportunity to display a number of magnificent scenes of latest fashion. The story deals in a highly dramatic and exciting way with the life of a woman and the folly of man. "Shifting Shadows," a two-part story from the "The Marriage Sacred" series, and the latest Pathé News will be seen on the same program, Friday and Saturday. Mme. Petrova, in a sensational Metro play, "The Secret of Eve," will be the principal attraction. "The Secret of Eve" shows how in every period of the world's history, men and women have occupied their minds with the fevered pursuit of selfish happiness. The tenth episode of "The Great Game," called "The Woman and the Game," will be seen on the same program Friday only.

Brazil Looks to Other South American Nations to Break With Germany

Rio Janeiro, April 12.—It is expected in diplomatic circles here that other South American nations will soon follow the example of Brazil in severing relations with Germany. The Chilean minister is continuing his conferences with Dr. Lauro Muller, the Brazilian foreign minister. Dr. Muller to-day received Arthur Peel, the British minister, who subsequently conferred with President Brazil. Spain will take charge of German interests in Brazil. Pro-ally demonstrations are growing in volume throughout the city. The flags of the entente are visible everywhere and the streets are thronged with paraders cheering for France and England and shouting "down with Germany." The crowds gather in front of German establishments and hoist.

Austrian Admits He Was Ordered to Wreck Vessel

Norfolk, Va., April 12.—Captain Kehrer, of the Austrian steamship Budapest, seized by United States authorities at Newport News Monday, admitted to-day to government officials that he wrecked the engines and machinery of his vessel on instructions from his superiors. He refused to disclose the names of his superiors. He received his orders January 31 and carried them out immediately. Captain Kehrer, his crew and the men from the German steamer Arcadia are being held by immigration officers who are examining the men.

Berlin Has Hope Russia Will Ask For Peace

Amsterdam, April 12.—Theodor Wolf, discussing in the Berlin Tageblatt the Emperor's expressed hope of a speedy peace, asks how soon the Russian people will be ready to lay down their arms. He says: "To the Petrograd intellectuals America's war declaration may act as a war-like stimulant, but in the country the Russian farmer is looking at his fields and not across the ocean. There is no symptom of a willingness for peace in the western nations, where America's declaration natural has a stronger effect than in Russia home-lands."

In addition to the singer and speaker, there will be shown motion pictures, "Martyrs of the War," a series which have been sanctioned by the French Government.

Annullive Votes Down Loan For New School Building

Annullive, Pa., April 12.—A final appeal was made Tuesday to the voters of Annullive to launch a loan to raise money for a new school building. Despite the sentiment of a large number and a demonstrative parade by all the school children, the measure was defeated by a 340-138 vote.

The buildings used at present for both the grades and the High School are inadequate and the sanitary conditions are such that they have been condemned on several occasions by State Board Inspectors. In a recent communication from the State authorities it was stated that unless these conditions were improved that there was a probability of the State appropriation being withheld. It was contended by some that the most practical plan would be to build a new building that would take care of all the children of Annullive and accordingly architectural plans were submitted and have been on exhibition for several weeks in the hopes that favorable sentiment may be aroused.

Those who opposed the measure agreed that a new building was needed, but the present national crisis made it imperative that they defer the building of the same until more favorable times. In the meantime such improvements will be made on the old buildings that will bring them into conformity to the State School Law.

"Great and Beautiful" Germany Is Forecast

Amsterdam, April 12.—The Rheinische Westfalsche Zeitung predicts a brilliant future for Germany, with the realization after the war of the Emperor's promise of wider suffrage for Prussia. It says: "The future of Germany is perhaps being decided on the west front. New and better times for Germany will be a result of the battle near Arras and Soissons. The greater the victory the greater the new Germany and the more beautiful thereafter."

SUFFRAGISTS TO AID THE NATION

At Wartime Conference Will Adopt Plan to Help at Patriotic Service

Women throughout the State interested in suffrage will hold their first wartime conference in Harrisburg next Wednesday and Thursday to adopt a general plan under which they will co-operate to assist the State and government in patriotic service.

Although several general suggestions will be made, suffrage leaders announce that the chief efforts of the conference will be centered upon organizing all suffragists into a woman's corps of gardeners and farmers with the object of increasing the national food supply.

To Discuss Farming

Authoritative generalizations concerning agriculture will be submitted to the delegates by the State Secretary of Agriculture, Charles E. Patton, who will speak at the afternoon session, Wednesday, in the Y. W. C. A. Practical farming and also gardening will be discussed by the foremost agriculturalist of the suffrage organization, Mrs. E. E. Kiernan, of Somerset, who is vice-president of the Pennsylvania Woman Suffrage Association. Mrs. Kiernan has won fame among the farmers of Southwestern Pennsylvania for the products of "Sunlandbar," her show farm among the mountains of her home county.

Widely-Known Speakers

In line with the plan of the National American Woman Suffrage Association to assist in increasing the national food supply, it is probable that Miss Alice L. Peck, of Philadelphia, another practical gardener, who will be one of the afternoon speakers, will be appointed agricultural chairman to direct the activities of the suffrage farmers throughout the State.

Another speaker, who will discuss the same theme, is Mrs. L. Oscar Kleber, of Pittsburgh, who is in charge of suffrage gardening work already under way in Allegheny county.

Other widely-known speakers who will appear at the conference are United States Commissioner of Immigration Frederick C. Howe, who will speak on "After the War—What?" at a public patriotic meeting Thursday night in the Technical High School, and Mrs. Henry Wade Rogers, chairman of the National Suffrage Department of Agriculture.
