DEDICATION OF NEW HIGH SCHOOL

Enola General Committee Preparing For Great Celebration on Friday, May 18

Enola, Pa., April 16.—At a meeting of the committee in charge of the dedication of the Summit street grammar school building, Friday, May 18, held on Friday night, J. H. Kinter, general chairman, appointed Howard H. Way chief marshal for the parade. Mr. Way will have his aids as soon as he knows definitely how many persons will be in line.

According to the information now at hand, the parade will consist of two divisions, the first consisting of visiting and local school children headed by the Enola P. R. R. Y. M. C. A. band. In the second division will be the visiting and local lodges, floats and the fire company. The probable formation and route of parade is: First division, form in East Dauphin street; second division, form in West Dauphin; march down Summit street to Cumberland, to Altoona, to York, to Wyoming, to Dauphin, to Enola to Columbia, to Altoona, to schoolhouse, where the dedicatory exercises will be held immediately after the street demonstration.

The ceremonies at the schoolhouse will consist of the presentation of Bibles and a large American flag by the local P. O. S. of A. camp. C. E. Helms, of Philadelphia, State secretary, will make the presentation speech. The fire company will also formally give the school a piano. S. G. Hepford, secretary of the Y. M. C. A., will present the piano in behalf of the company.

The evening exercises will largely be for patrons. Several well-known men connected with the State Department of Education will make addresses at these exercises.

Chairman Kinter has appointed the following members of the general committee to secure prizes to be awarded to the school having the largest number of pupils in line and the best drilled school: R. H. Holmes, S. G. Hepford and Miss Helen Markell.

It is expected that almost 1,000 school children will be in line, including the pupils from the two Enola buildings, the scholars from the other school in the district, from West Fairview, the local High School Alumni Association and other surrounding towns.

The teachers of the Enola building have already started in line, including the pupils in preparation for the parade. The three classes in the Enola High School will have floats in the parade.

The next committee meeting will be held Wednesday, April 25.
