Morgan, deputy district president. The speakers of the evening were W. R. Simpson, this city, and member of the Cumberland County Bar Association; Dewitt Fry, president of the

order; Mr. Morgan, George T. Peters and Charles McCaulley. During his address Mr. Simpson declared that the nation was forced by the call of humanity to enter the world war. More than fifty new members were enrolled during the evening and it was reported that the membership in the new nest had gained more than thirty per cent. during the past week. The charter will be applied for soon

and the membership campaign close within the next sixty days.
Turned Coats Badge of Patriotism in Hungary
 Budapest, Hungary, April 18.—It is a badge of patriotism in Hungary nowadays to wear a coat with the side pocket on the right hand side, revealing that the garment has been turned so as to make it presentable, thus saving the labor and expense of a new suit. In fashionable restaurants and hotels one sees many prominent people thus attired. Nobody, not even a war millionaire, can afford many new suits nowadays, and the tailors are reluctant to make clothes even at their own price, which is now about \$90 cash in advance, for a suit which would have cost about

\$20 in peace time. The tailor generally tries to dissuade a would-be customer from ordering a new suit, at the same time offering to turn his old suit, and make it look like new, for \$10 or \$15.
