No More Baseball Passes For Yonker Field Games

New York, April 19.—Friends of the Yankees who have been getting into the Polo grounds on players' passes in the past are doomed to disappointment this year. There are no more passes for the players.

In years gone by it has been customary for each American League player to get two passes good for all games, both at home and on the road. Seldom were these passes cut out, as friends of the ball tossers took advantage of the opportunity.

At the American League meeting last winter it was decided by the club owners that these passes should be cut out, and nothing was said about it. When the players asked a few days ago for the little bits of pasteboard they heard the sad news and their friends have been hearing it since, whenever they asked for one of the tickets.

Japanese Speakers Urge Closer Friendship With U.S.

Tokio, April 18.—Speeches by well-known men urging the tightening of the bonds of friendship between Japan and the United States were made at a luncheon given in honor of Dr. Jokichi Takamine, of New York, by the new American Society of Tokyo. Dr. Takamine is returning to New York and he has been elected as honorary president of the new Tokyo organization which is similar to the Japan Society of New York.

All the speakers, including Viscount Kaneko, Dr. Juichi Soyeda and Eki Hioki, formerly minister to China, dwelt upon the desirability of finding solutions to the so-called American problems. Mr. Hioki in particular said that the recent Idaho bills were a warning that the questions were not yet settled and declared that the two governments should earnestly take up the matter and strive for a solution. Dr. Soyeda prophesied that Japan and the United States would be more

COCKILL CREW GIVEN SURPRISE

Charlie Miller, Former Catcher, Reports For Practice, Anxious to Play Here

CATCHER CHARLIE MILLER
Lewisburg, April 19.—Yesterday was the day set for the arrival of George Cockill's squad of players who will try for a place on the Harrisburg New York State League team. Manager Cockill, a large delegation of Bucknell students, and citizens, were on hand to give the glad hand to the ball players. Only five stepped from the train. One correspondent and a photographer was in the party.

Rookies First to Arrive
Most of the arrivals are rookies. The balance of the squad is expected to-day. Not being able to do much practice with five players, the Harrisburg leader decided to give the newcomers an outing. After they were assigned to their hotel, Manager Cockill organized a fishing party. A trip was made to a mountain stream nearby. Every man was provided with a fishing outfit.

It is expected that Tom Downey and Second Baseman Cook will be on hand to-day to take care of the new recruits. Practice orders call for work morning and afternoon. It is probable the first line-up for a game will be on Saturday with a team of players from Bucknell University.

During the afternoon more players arrived and the new arrivals included Charlie Miller, the veteran catcher. He is making a strong bid to get back with the Senators.

Harrisburg Ring Fans Will See Kid Williams Battle

The battleground being so near this city will no doubt take a great many of the local sports to York Monday night to see the fighting tiger, Kid Williams, meet Fighting Jimmy Taylor, of New York. It is the feature event of an all-star card arranged by Joe Barrett, at the Orpheum theater.

While Williams is acknowledged to be the greatest little fighting machine in the world to-day, there are many who saw Taylor stand toe to toe with him and swap punches for fifteen rounds until Williams' bulldog rushes the New Yorker will carry off the honors in Monday's battle.

Taylor, according to newspaper reports of this bout, had the best of nine rounds until Williams' bulldog rushes the New Yorker will carry off the honors in Monday's battle.

Final Pick For Relays Follow Tech Track Workout

Demming, Eyster, Evans, Sutch, Malick, Harmon, Koons, Beck and McGann are the entries that Coaches Hill and Peet have handed in for the Technical high school relay team that will represent the school at the relays next week. Entries at Philadelphia closed to-day and the list of candidates has been narrowed down to the nine, all of whom are capable of running the quarter in less than 58 seconds.

It is likely that the team of last year will remain intact, with Demming, Eyster, Sutch and Evans doing the honors for the Maroon school. Further eliminations will be made during the week to determine the six lads who will go to Philadelphia. With the coming of the warmer weather, the Tech athletes have been showing more of their old-time form, and with another week of hard practice, the Maroon expects to be in championship form to bring home the honors for the fourth time in five years.
