CIVIC CLUB GETS TABLET LEGACY

Will Mark Its Beautiful Club-House in Memory of William Reynolds Fleming

When Mrs. William R. Fleming left her beautiful home in North Front street, to the Harrisburg Civic Club, as a clubhouse, several years ago she also made a bequest of one thousand dollars to the club to be used for a tablet to mark the house in memory of her husband, William Reynolds Fleming.

This legacy has just been received by the Civic Club and this morning at 11 o'clock the following women forming the tablet committee, met in the clubhouse to discuss the memorial and authorize the procuring of designs from which a suitable marker may be secured. It is thought probable that there will be tablets placed both outside the house and over the mantel in the lounge, for which a space was left vacant for this purpose when the house was remodeled for club uses.

On the committee are Miss Eleanor Shunk, chairman; Miss Caroline Pearson, Miss Sarah Weirman, Mrs. Harvey F. Smith, Mrs. John W. Kelly and Mrs. William Henderson, ex-officio.

SHOPPING IN JUNE

Thoughts For the Sweet Girl Graduate and the June Bride

THE COOLNESS OF BLUE One does not need the artist's color analysis to prove that blue is a delightfully cool color, when one sees the charming effects in summer decoration obtained by the Blake Shop, 225 North Second street, by the clever use of the color. They show lovely silken fabrics for curtains in delicate pastel shades, cretonnes with rare and lovely shades of blue skillfully introduced in floral backgrounds, cool combinations of grays and blues, fabrics with original variations of the bluebird motif, and a very smart new trend in deep ivory tone, having a three-inch stripe of marine blue edged with an occasional pink aster.

KEEPING COOL FOR ONE CENT Did you ever realize that an electric fan will give four hours' continuous breeze for 1 cent? The cost is hardly enough to keep any one from enjoying the comfort of a fan, and even the first cost of buying the fan is trivial if the fan is purchased at the Harrisburg Electric Light and Power Company, 22 North Second street. Especially convenient and attractive are the neat little Westinghouse whirlwind fans, which can be used either on a desk or table or hung conveniently on the wall. They have a neat black finish, which is easily cleaned and they are offered at a tempting price.
